The Mission Locale is involved with youths between the age of 16 and 25, who have finished full time education. Our object is to provide appropriate answers to the youths, not only in relation with training and work but also housing, mobility and health.

Individual interviews to define a professional project, discuss your training profile and give access to the most suitable training courses or job offers

Information about trades and professions, training, work, employers etc but also housing, mobility and health.

Help in laying out a resume, writing job applications, preparing for interviews, contacting potential employers.

Support in dealing with the administration for individual or financial demands connected with social or professional integration.

Creating links with social and economic partners.

Individual psychological help for people helped by the Mission Locale (on request)

Together we can find the solution best adapted to your plans.

- Get you to a higher level
- Train you in a business
- Define your professional plan
- Obtain a diploma
- Allow you to show your professional abilities through a work experience in a company

Employment

Together we will identify your qualities and your abilities.

- Examine offers
- Work on your cv and your *cover letter*
- Train you for job interviews
- Select businesses
- Help you to get access to a course combining work and academic studies
- Inform you

Housing

Together, in conjunction with the CLLAJ (The local committee for independently housing the youth), we can help you work out your plan for housing.

- Take part in housing workshops
- Learn how to manage a budget
- Help you get an easier access to housing
- Help with the current administrative steps
- Learn the rights and responsibilities of a tenant

Transport

Together we will find the best way for you to get around.

Together we will sort out the details when dealing with the administration (identity card, social security, signing up with the Job Center, opening a bank account, driving license...).

Health

Together we will exchange views about your health and your well-being.

- Useful information about your health
- How the administration works (local security services, doctors, dentists)
- Young workers with disabilities
- Helps with resolving problems linked to alcohol, drugs, smoking, depression...
- First aid courses
- Psychological support

Leisure

Together we will discuss what you like or would like to do in your spare time and help you find information about your interests.

Citizenship

Together we are going to discover what citizenship means.

- Learn the duties of a citizen
- Develop citizenship
- Join together in a common project
