

Dear colleagues,

A group of teachers of the secondary school “IES Felipe de Borbón” in Ceutí (Region of Murcia, Spain), is interested to take part in a ERASMUS+ project within Key Action 2: Strategic Partnerships.

They have previous experience in this type of projects and are especially interested in the following topics: Entrepreneurship, economy, business / school, coaching, storytelling, second opportunity for disadvantaged students, internships in business, language and literature teaching, marketing and interculturality. They are willing to integrate into projects that are being prepared for the new call.

Their work team is formed by teachers of secondary school, professional training, and the University, located in Murcia.

Please feel free to contact directly:

. Jesus Martinez / iesfelipedeborbon@yahoo.es

. Ruben Martínez / cepalmeria1@gmail.com

We would appreciate if you could please disseminate this information among the stakeholders from your region that could be interested.

Kindest regards.
