

## Partner Search Form

Funding Stream	Erasmus+
Project Title	n/a
Applicant Organisation	PACA Adult learning, Brighton BN41 2WF, United Kingdom <a href="https://www.portslade.org/">https://www.portslade.org/</a>
Project background	<p>PACA Adult Learning would like to build on the experience of working in European projects as a partner on an Interreg IVa project, by getting involved in an Erasmus Key Action 2 project for the upcoming deadline in March 2016.</p> <p>The college is based in a neighbourhood in the west of the city and serves an area of the city with a high level of social deprivation and low educational standards. It offers a range of courses from adult learning to vocational in the fields of accounting, teaching assistants and Access to Higher education. It has had a lot of success in attracting local people and would like to share best practice in improving the standards of its provision in adult educational and vocational training in co-operation with other learning establishments facing similar standards</p>
Proposed Activities	<p>We are looking to be involved in project looking at areas such as:</p> <ul style="list-style-type: none"> <li>-Engaging local businesses – particularly with the idea of providing apprenticeship training to them</li> <li>-A practical study of how the use of media, specifically videos and video testimonies could enhance access, participation, performance and progression of disadvantaged learners and progression on to different levels and types of education.</li> </ul>
Duration	2 years
Deadline for responses	15/2/16
