N-124 errepidea: Armiñón - Briñas

N-624 errepidea: Forondako aireportuko sarrera (Vitoria-Gasteiz)

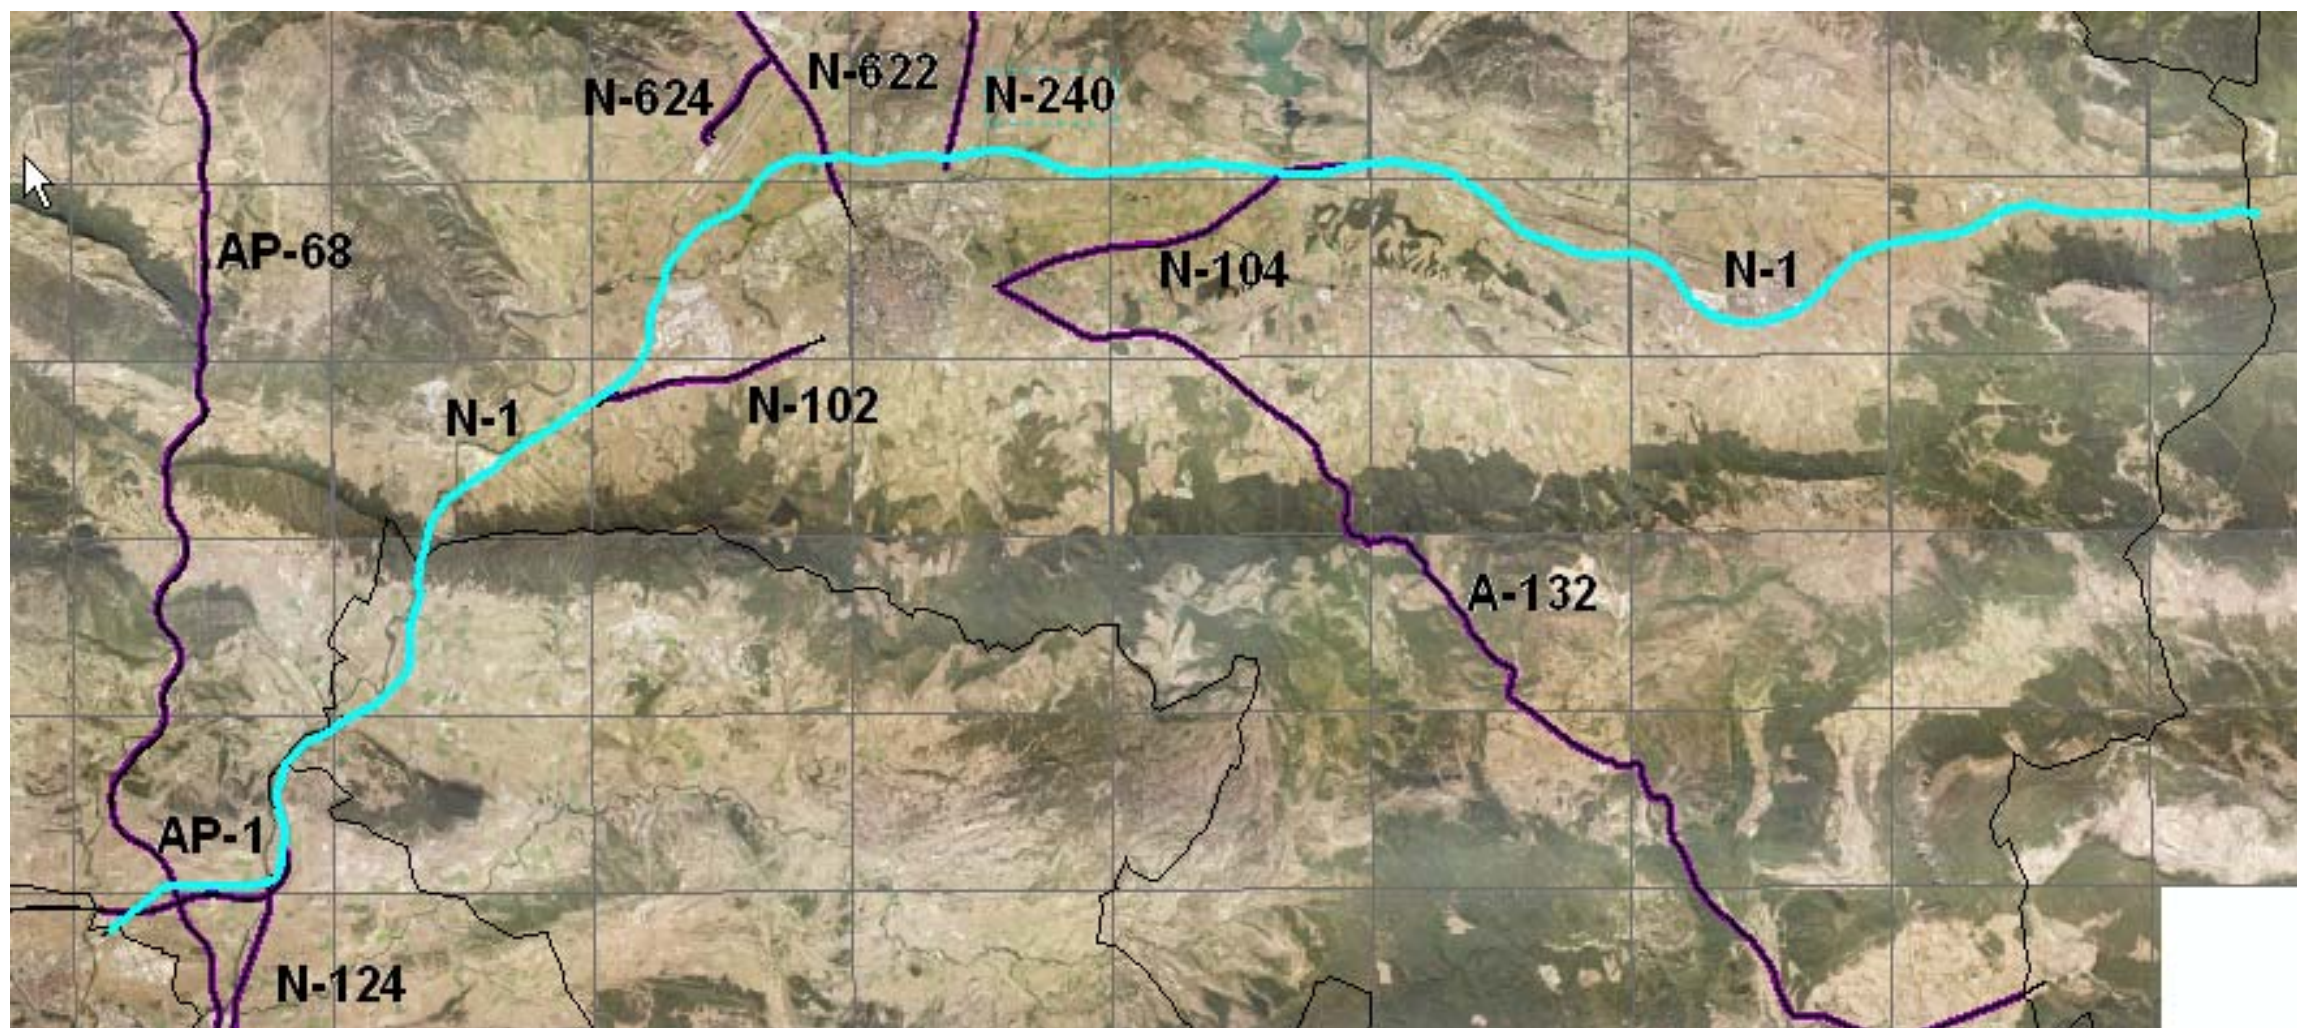

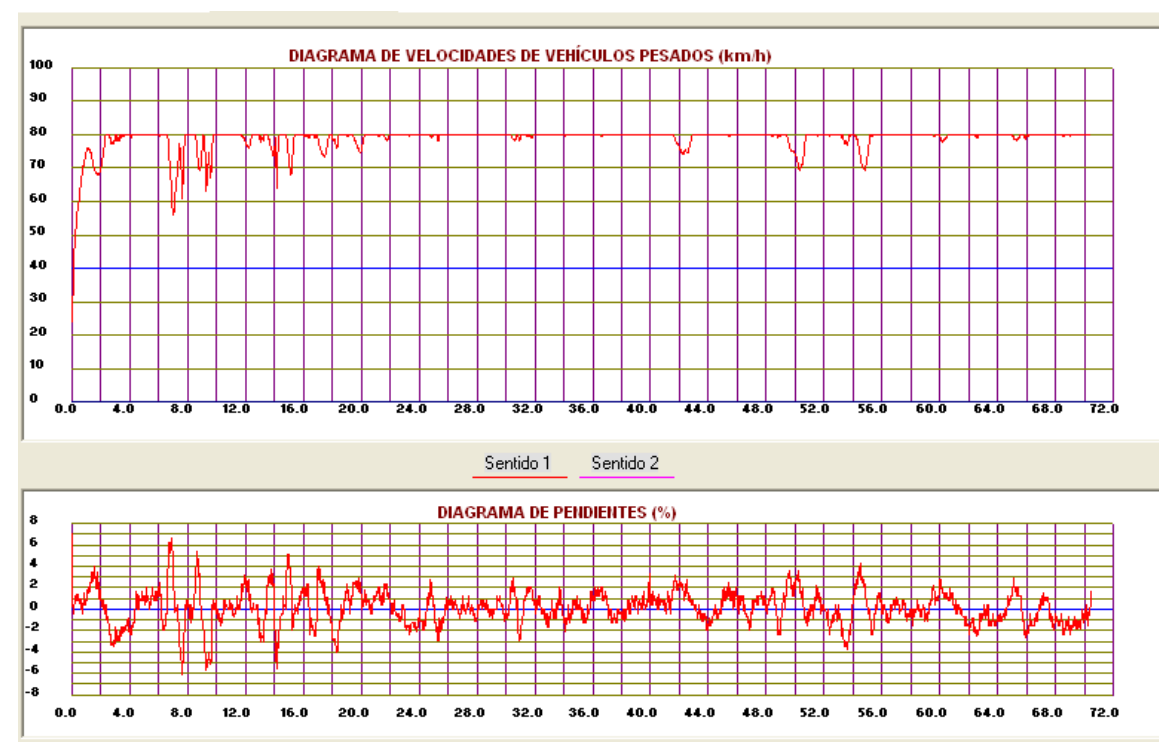

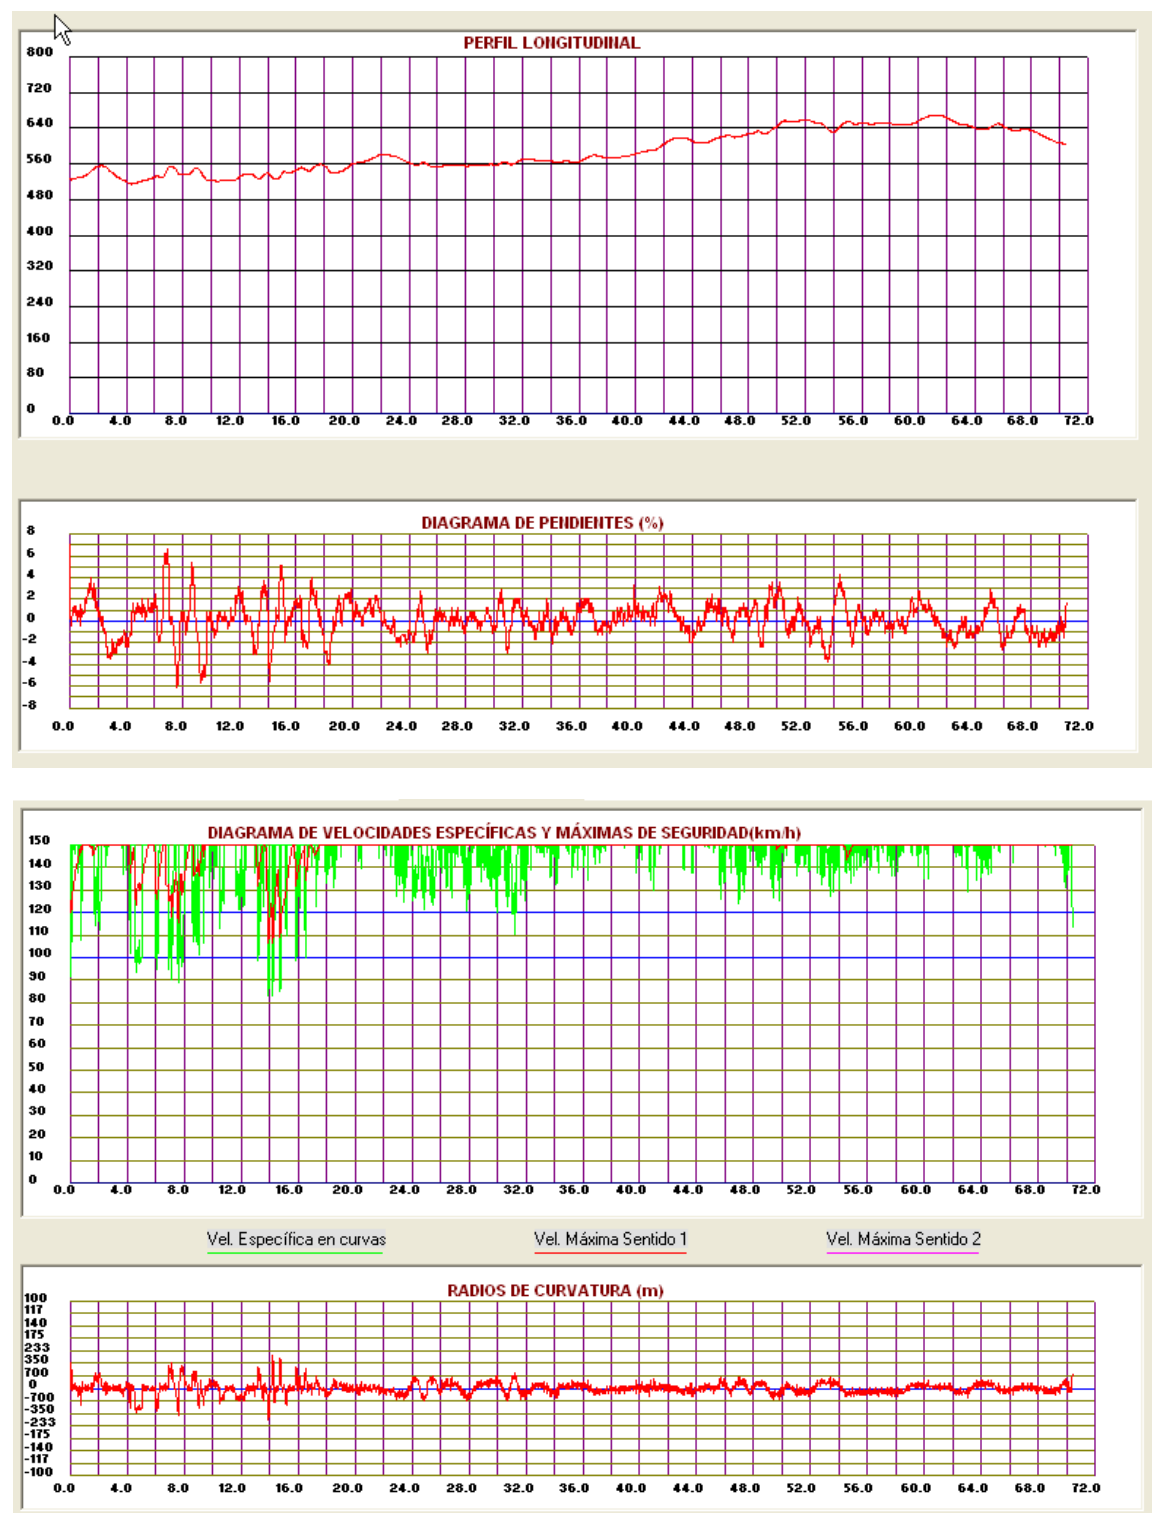

N-I errepidea: Madril - Irun

N-I errepidea lau bide-zatitan banatu da. Horietatik lehenengoa Arabatik pasatzen da; bigarrena Nafarroako muga eta Gipuzkoako hiriburua lotzen dituen da; Donostiako saihesbidea da hirugarren zatia; eta laugarrena, azkenik, Donostia eta Frantziako mugaren artekoa da.

A-8 autobia: Bilbao – Behobia

A-8 autobia hiru zatitan banatu da, oso luzea baita. Zati horietatik lehenengoa Bizkaitik eta Gipuzkoatik pasatzen da, hain zuzen ere, Nafarroako mugan hasi eta Gipuzkoako hiriburuan amaitzen da; bigarren zatiak Donostia hiria zeharkatzen du; eta hirugarren zatiak Donostia Frantziako mugarekin lotzen du.

A-15 errepidea: Aduna - Irurtzun

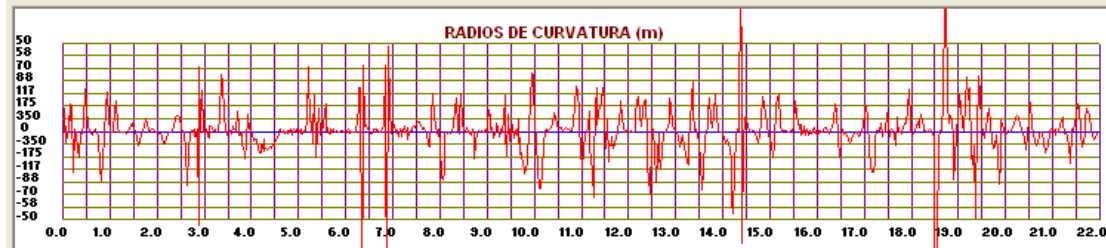

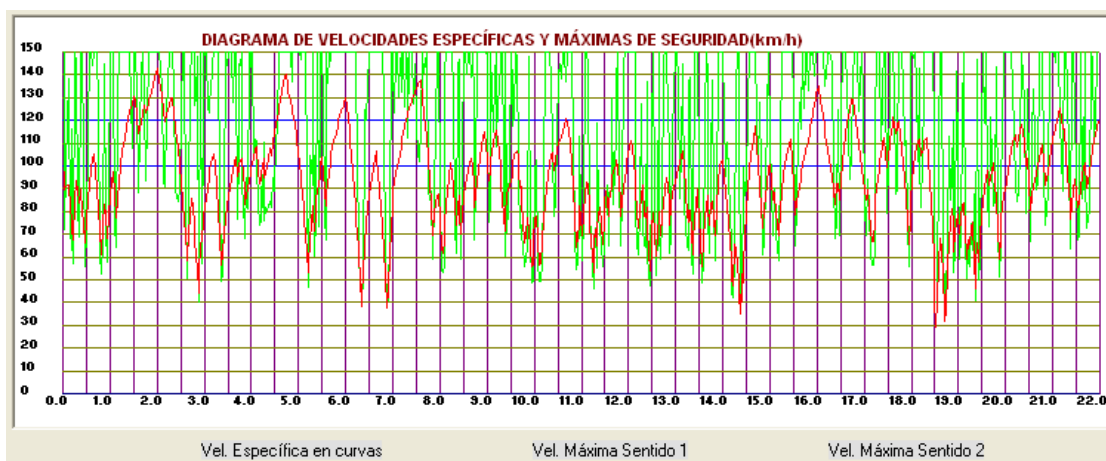

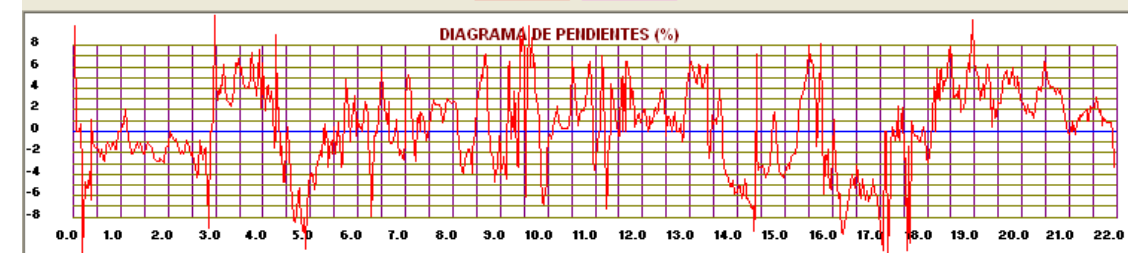

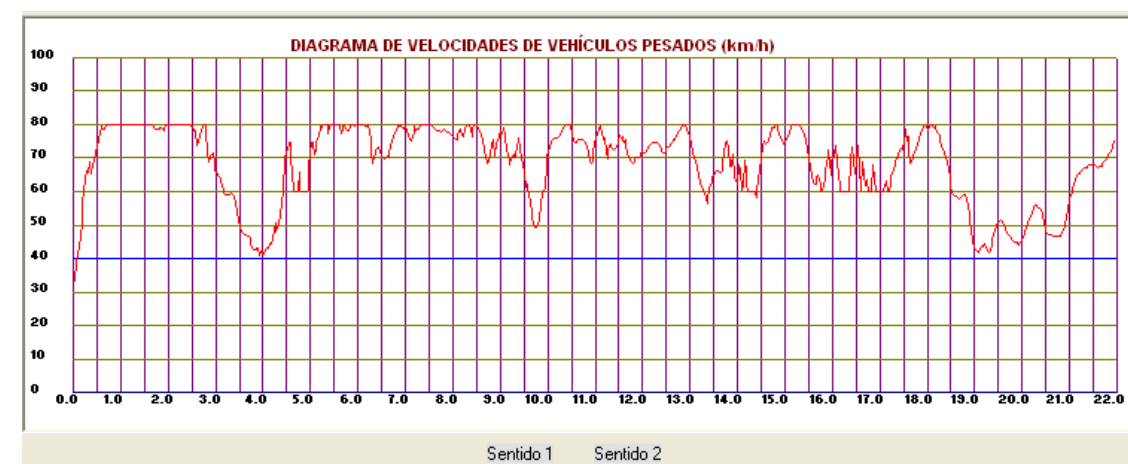

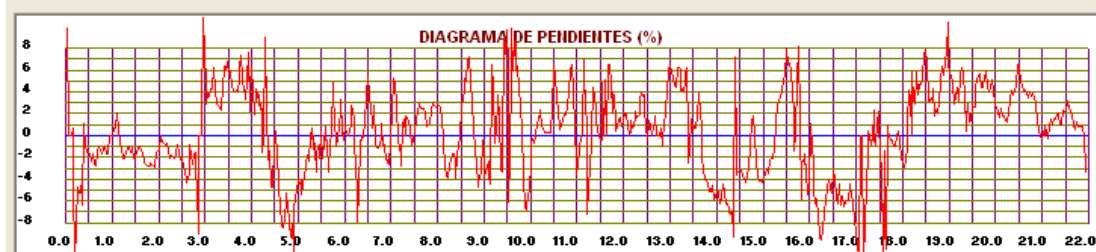

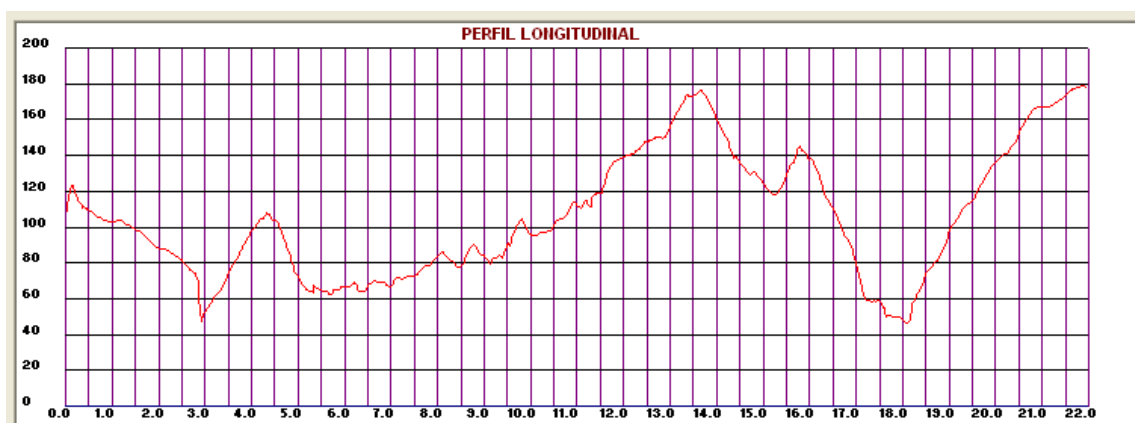

N-634 errepidea: Donostia – Santander – A Coruña

N-634 errepidearen trazadura A-8 autobiarekiko paraleloa da. Zenbait zatitan banatu da errepidearen eta ibilgailuen (arin eta astun) abiaduraren geometria zehazkiago aztertu ahal izateko. Lehenengo bide-zatiak Kantabriako muga Bilborekin lotzen du; bigarren zatiak hiriburua Bizkaiko mugarekin lotzen du; eta, azkenik, hemen aztertutako N-634 errepidearen hirugarren zatiak Gipuzkoa zeharkatzen du (Gipuzkoako mugatik Donostiara).

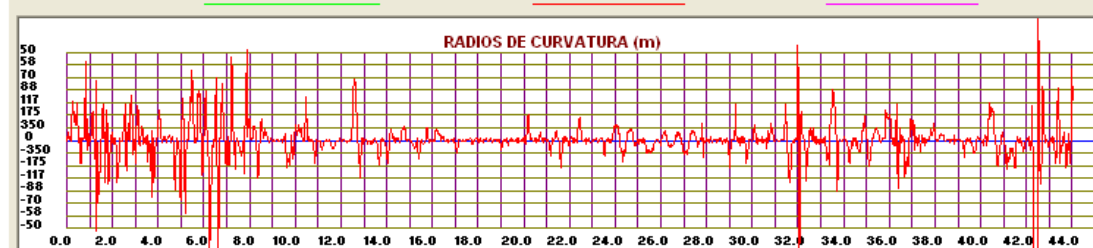

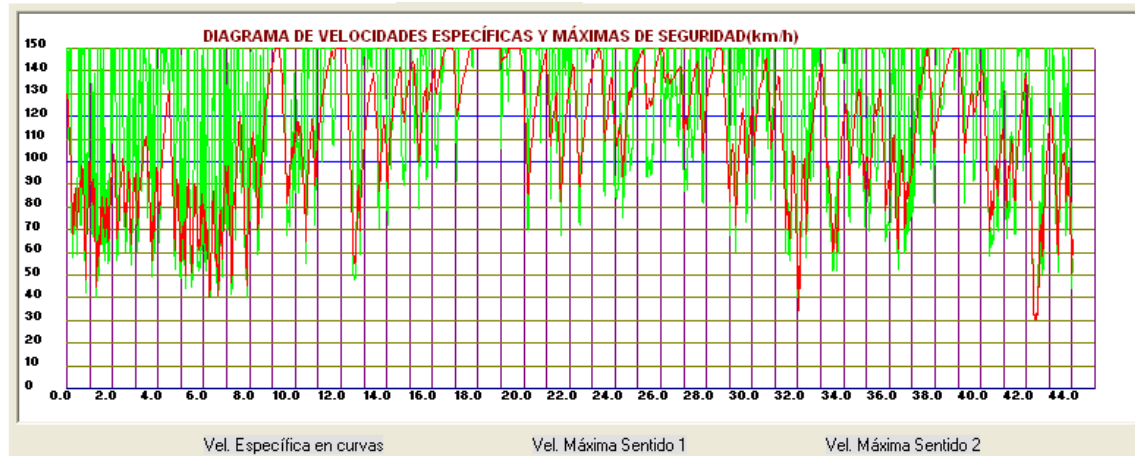

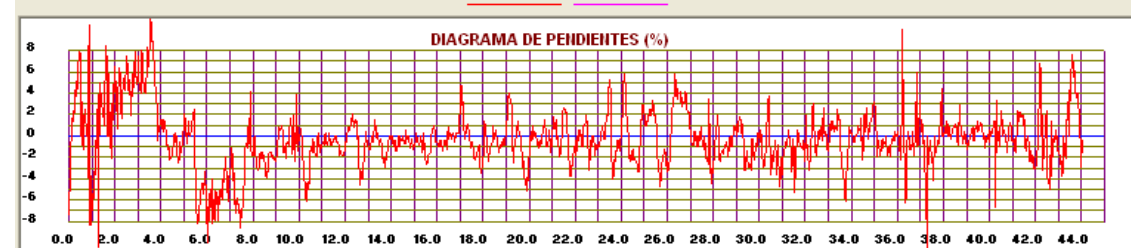

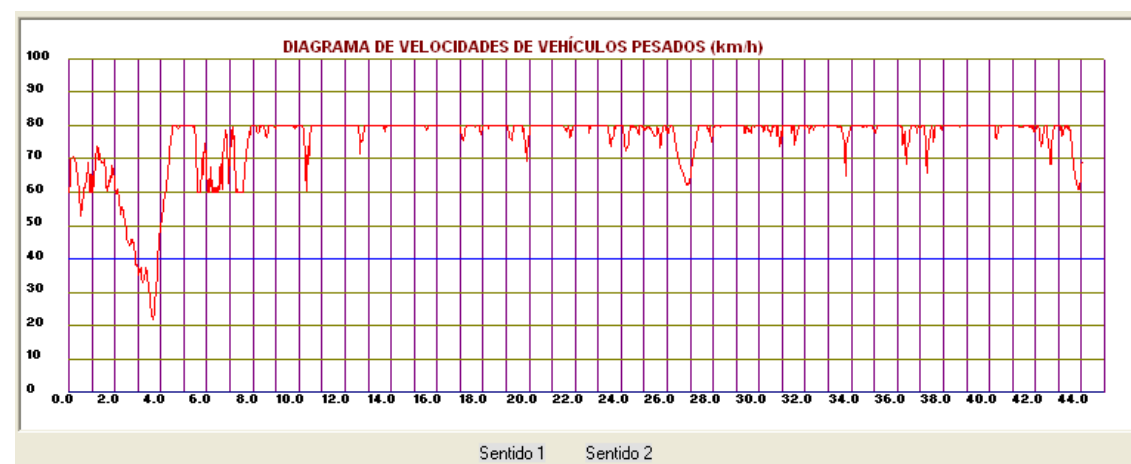

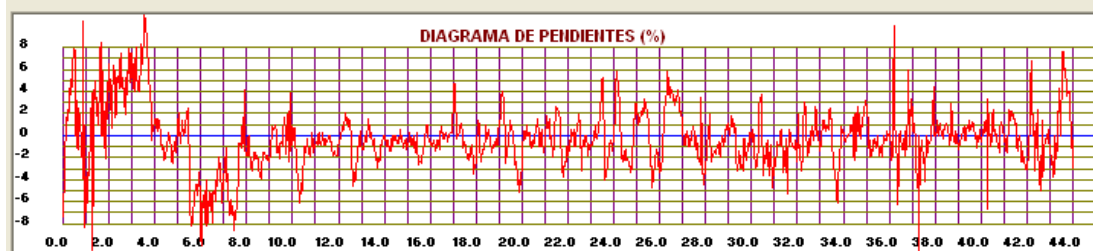

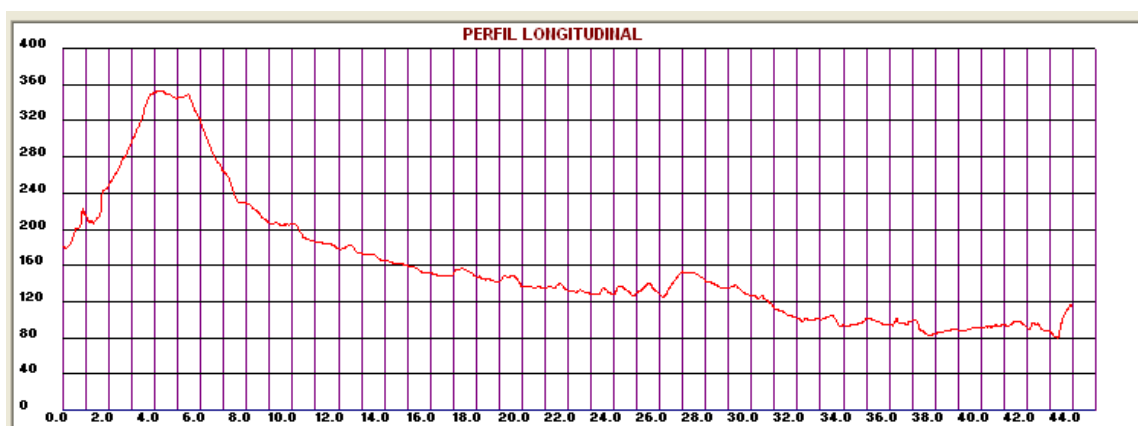

N-634 errepidea Kantabriako muga – Bilbao

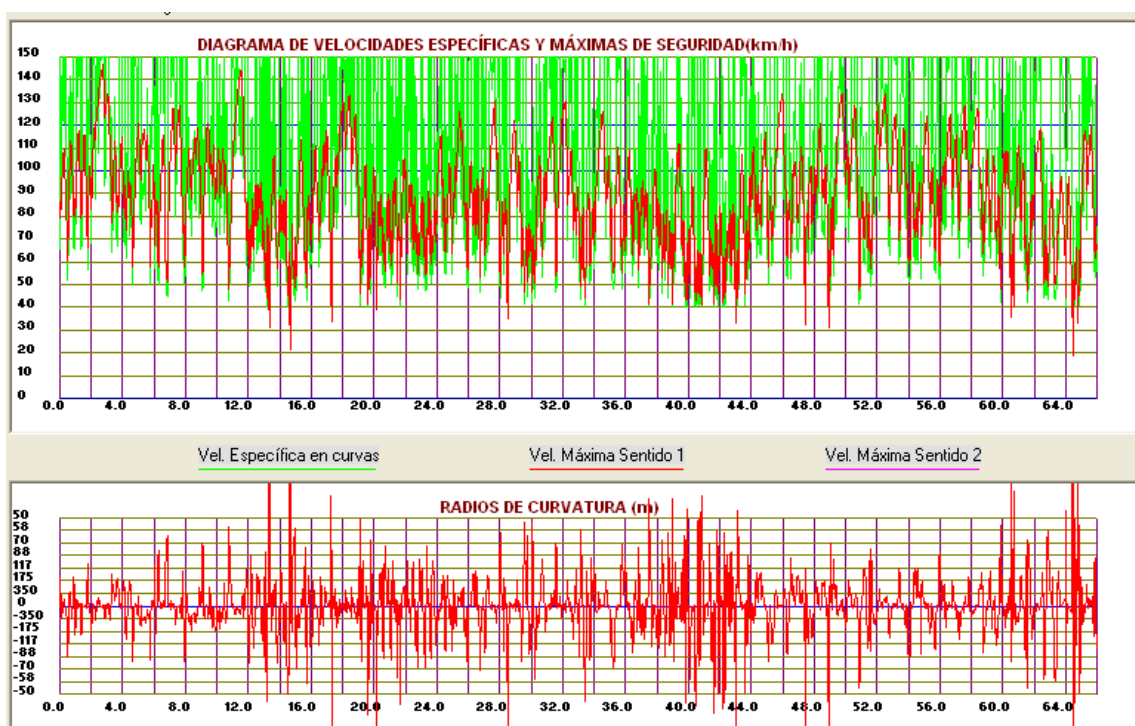

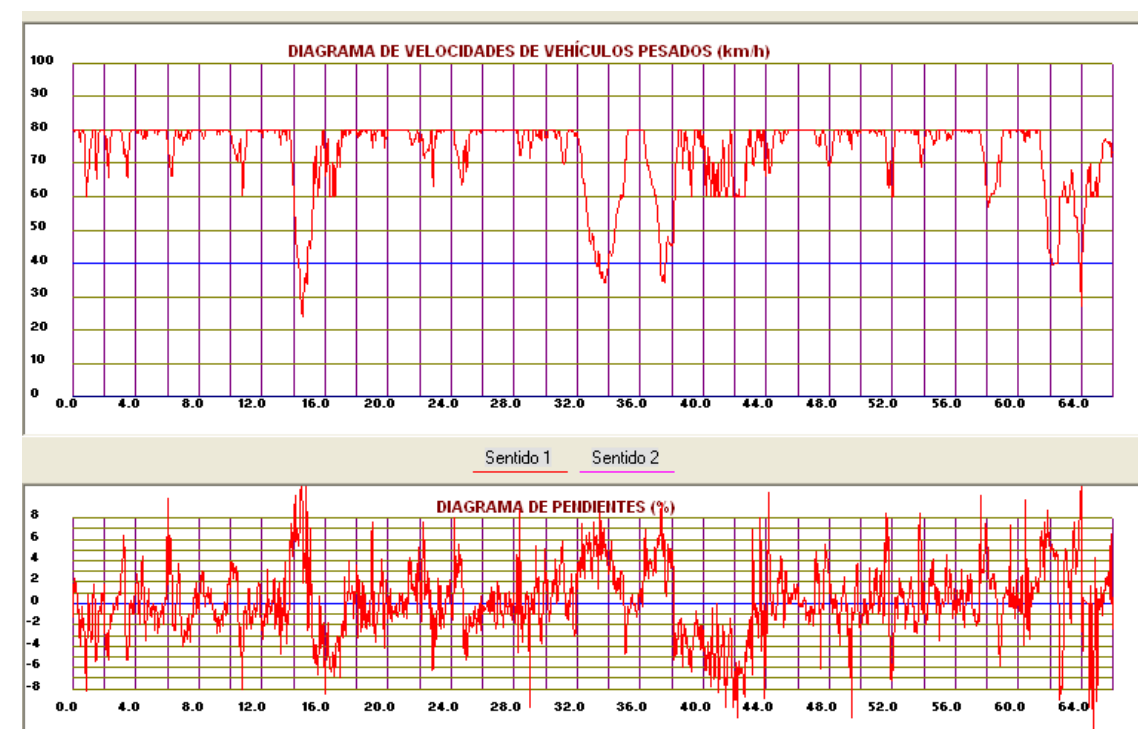

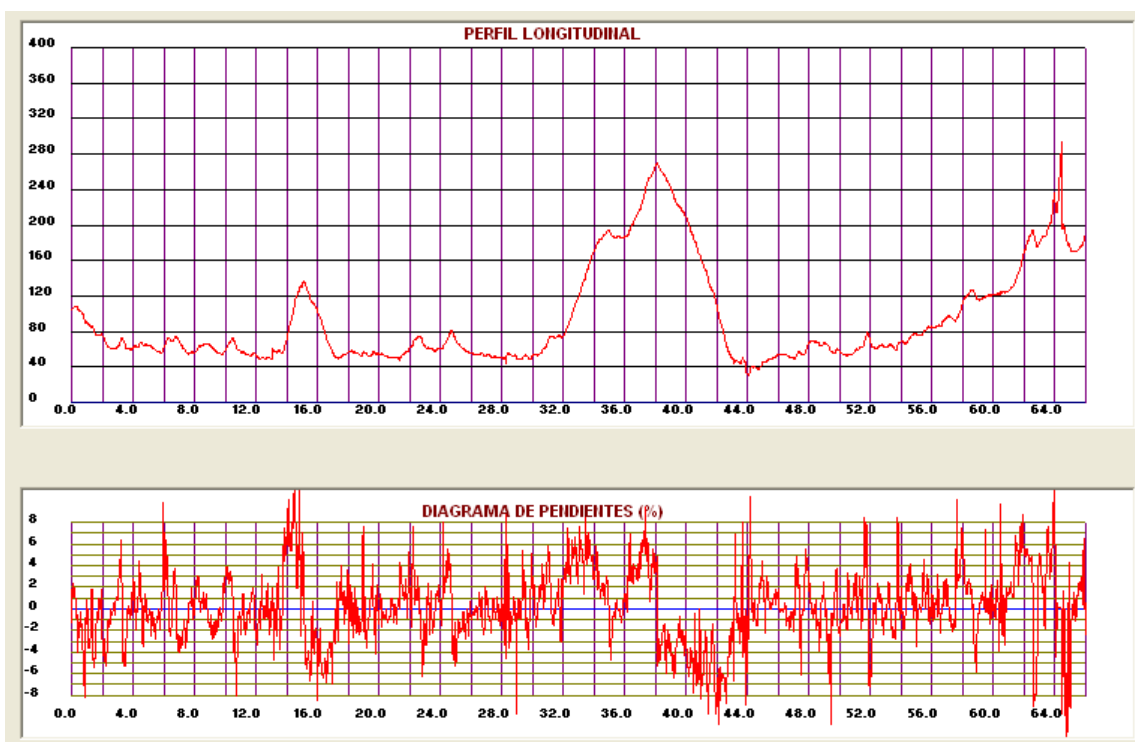

N-634 errepidea Bilbao – Gipuzkoako muga

N-634 errepidea: Gipuzkoako mugatik Donostiara

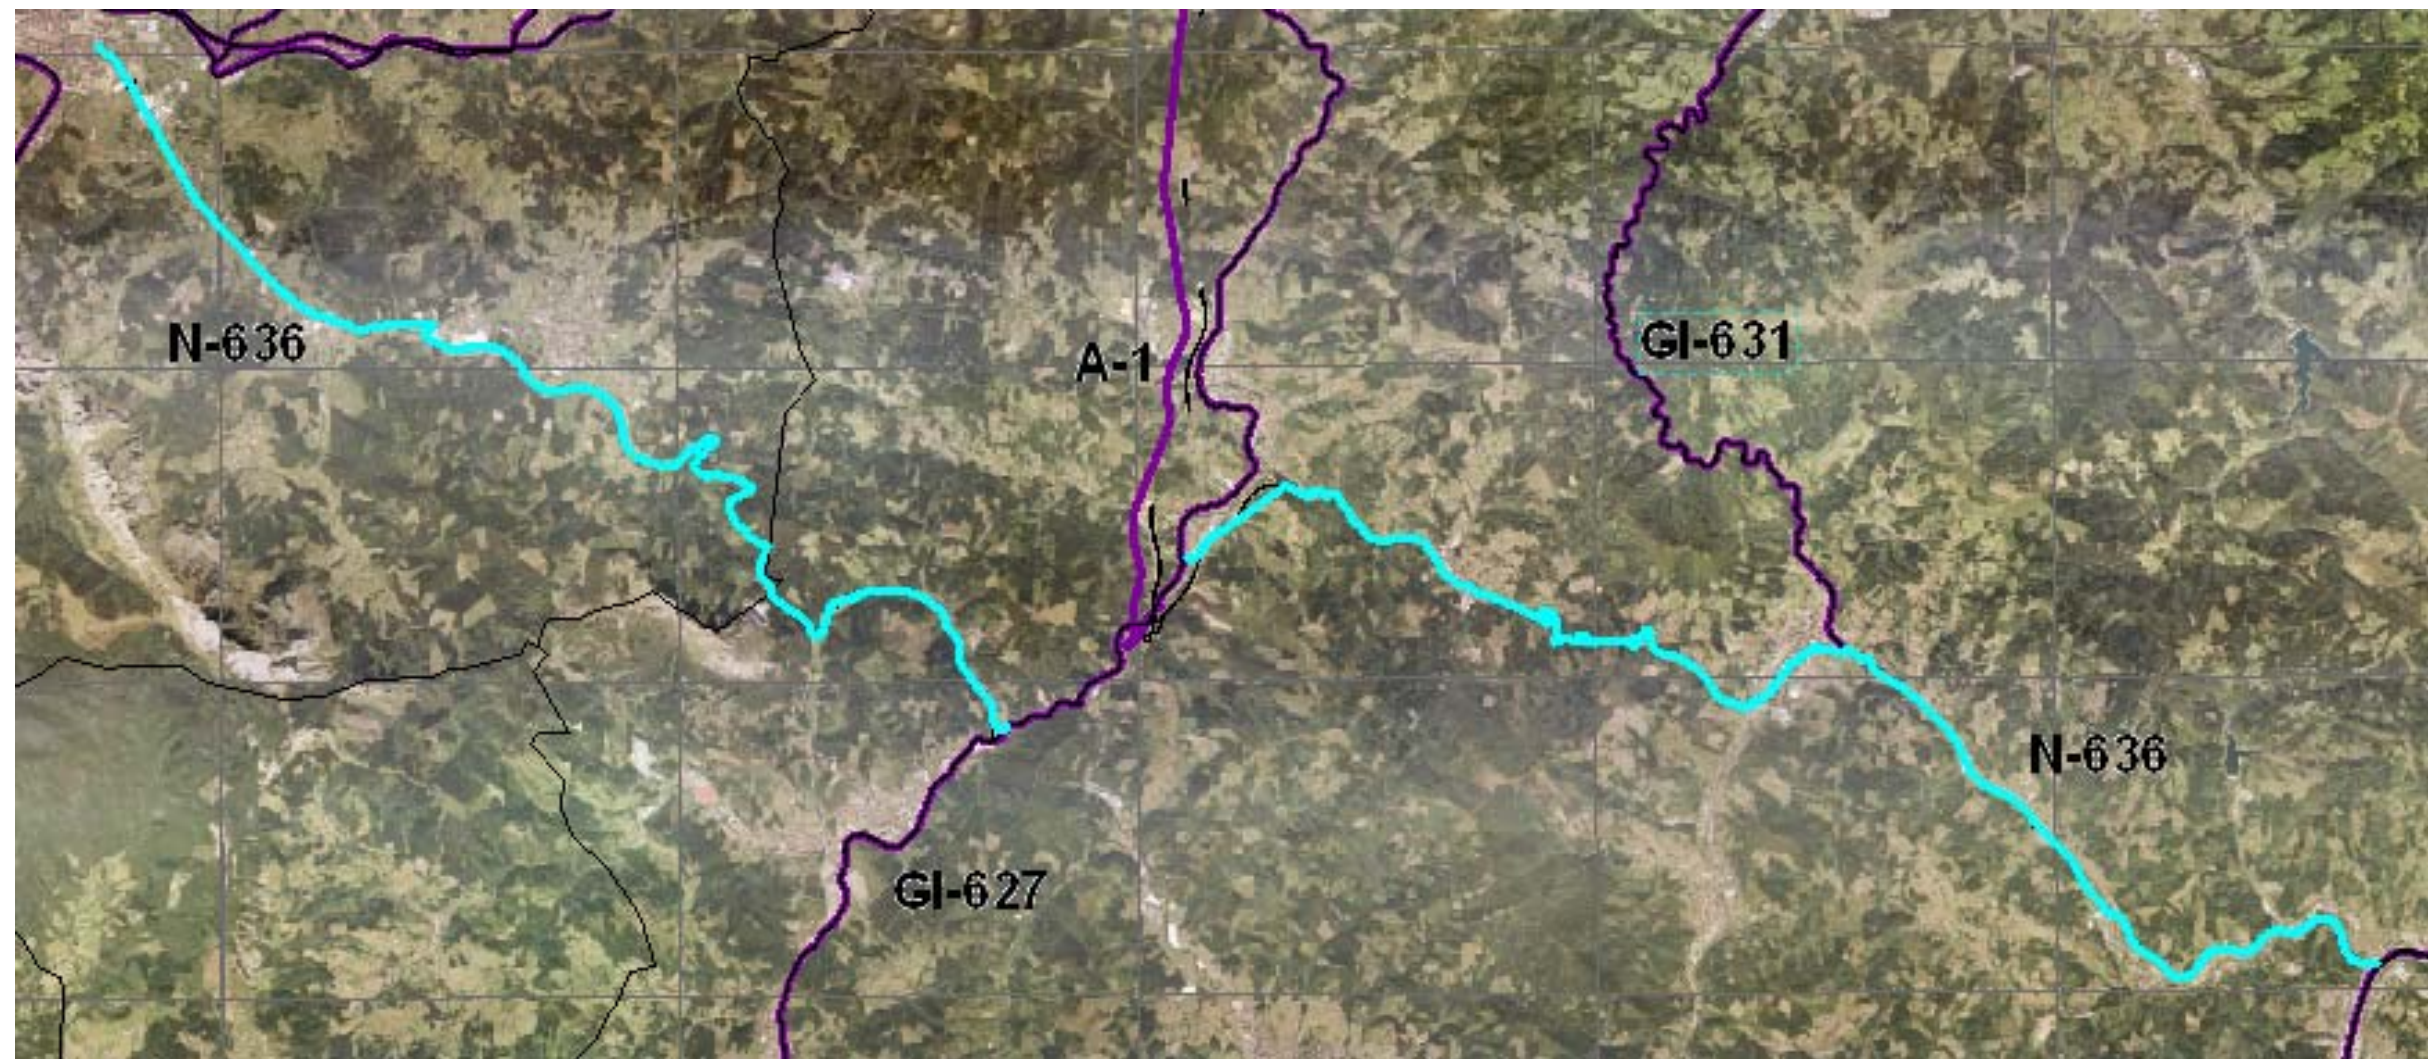

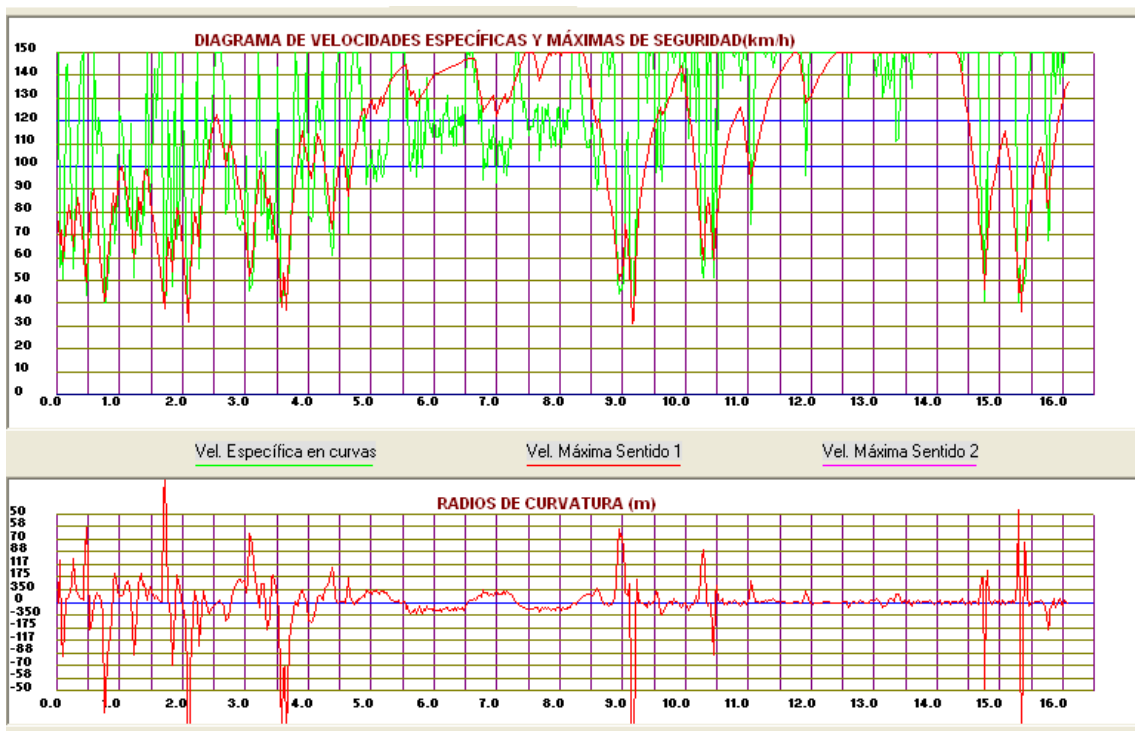

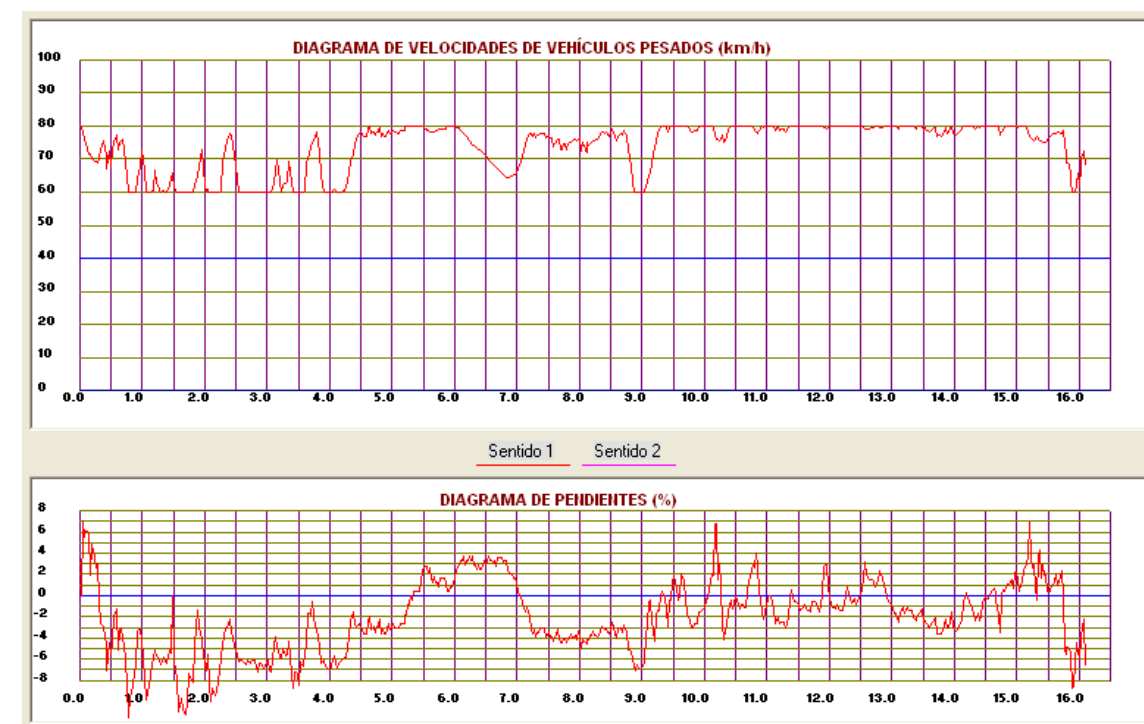

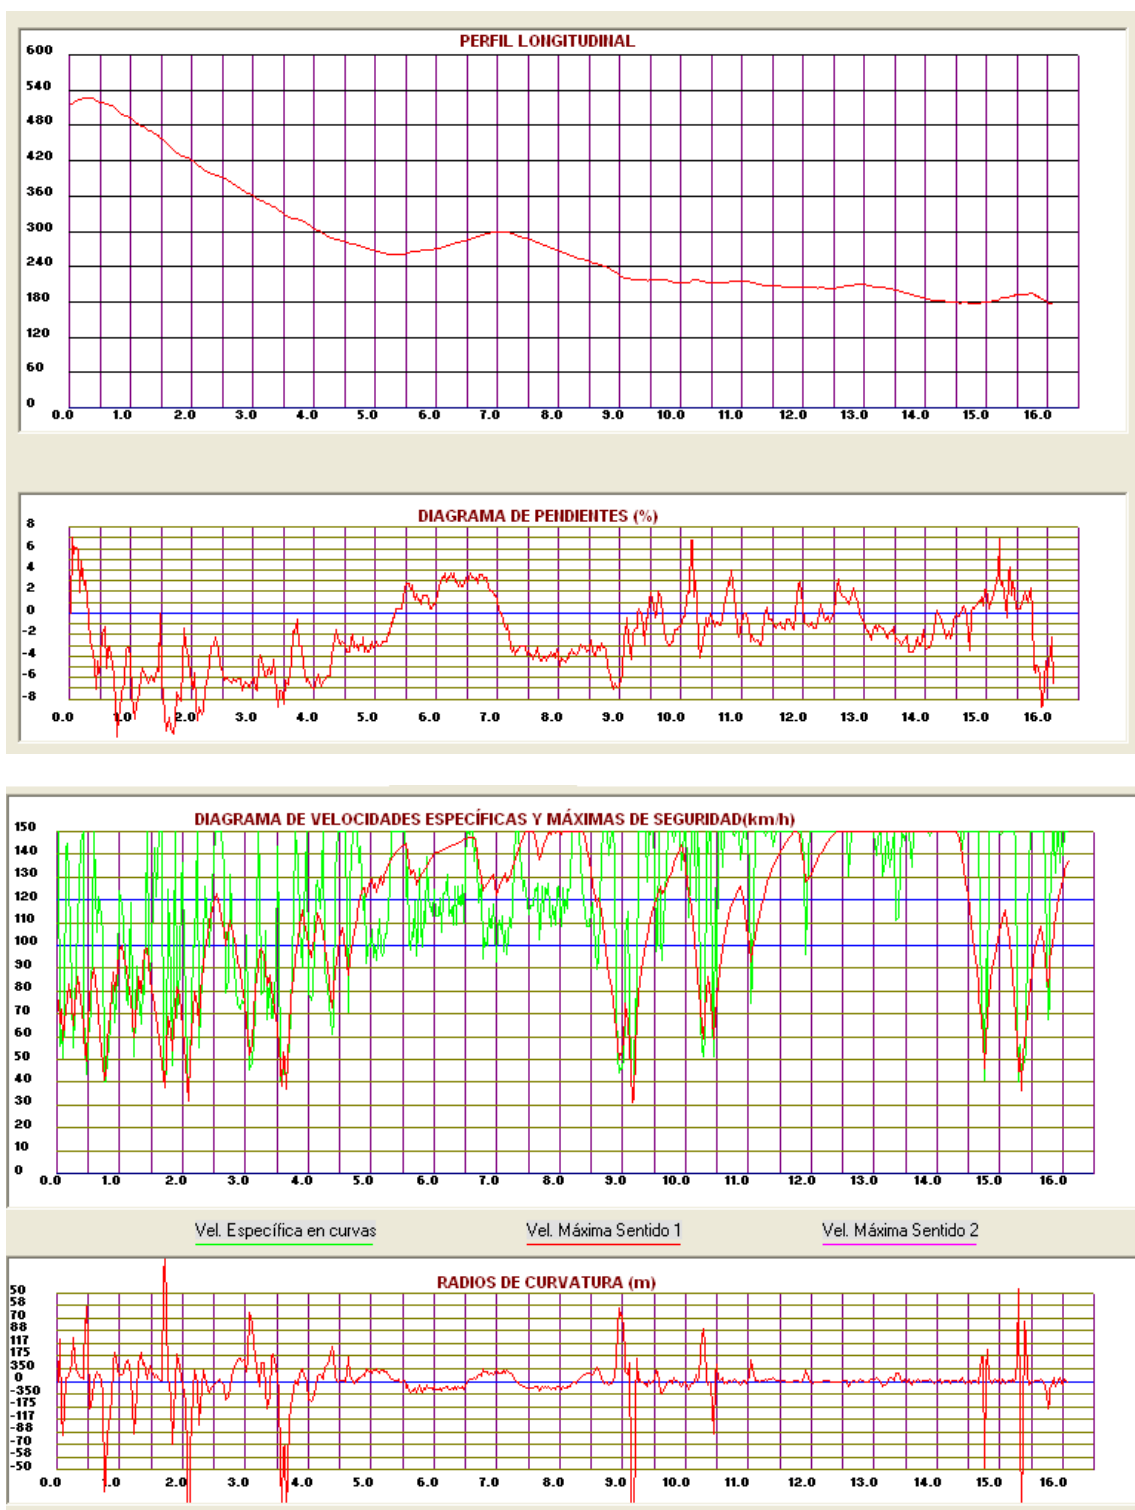

N-636 errepidea: Beasain – Durango (Kanpazartik barna)

Euskal Autonomia Erkidegoko Errepideen Plan Orokorra Arazten duen Legea bigarrenaz aldatu ondoren, GI-632 eta BI-632 errepideak lehentasuneko sarean sartu dira, bideratzen duten trafiko bolumen handia dela eta, eta N-636 izena hartu dute bertan.

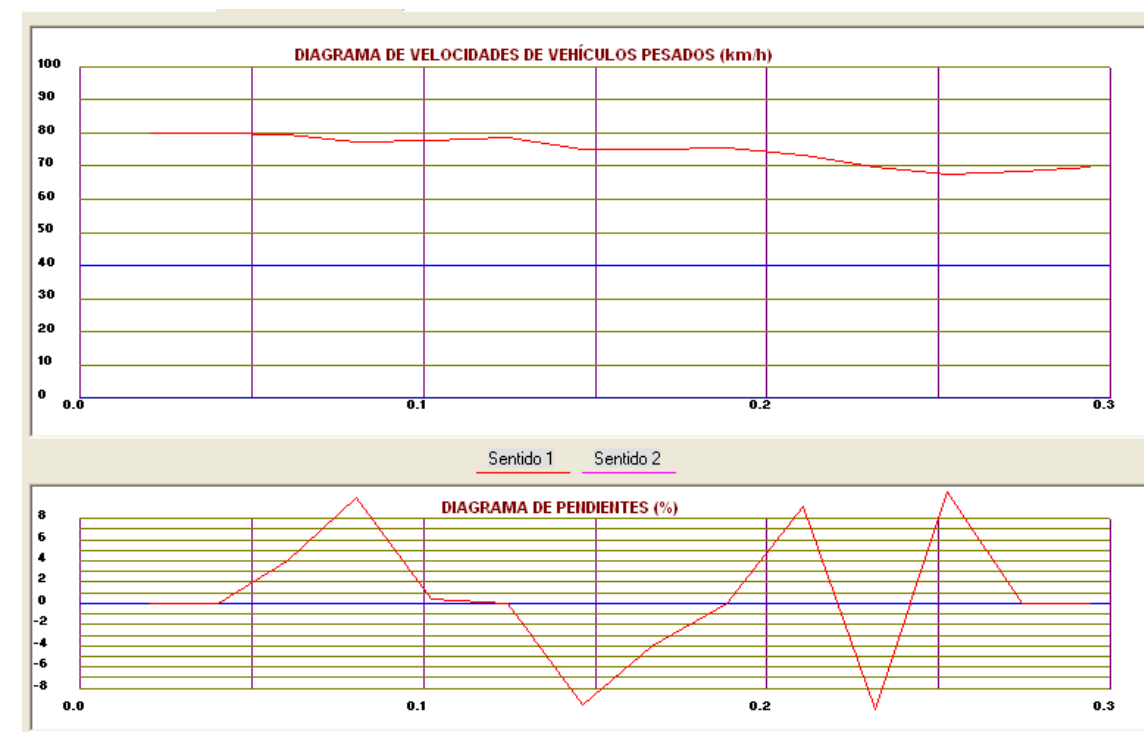

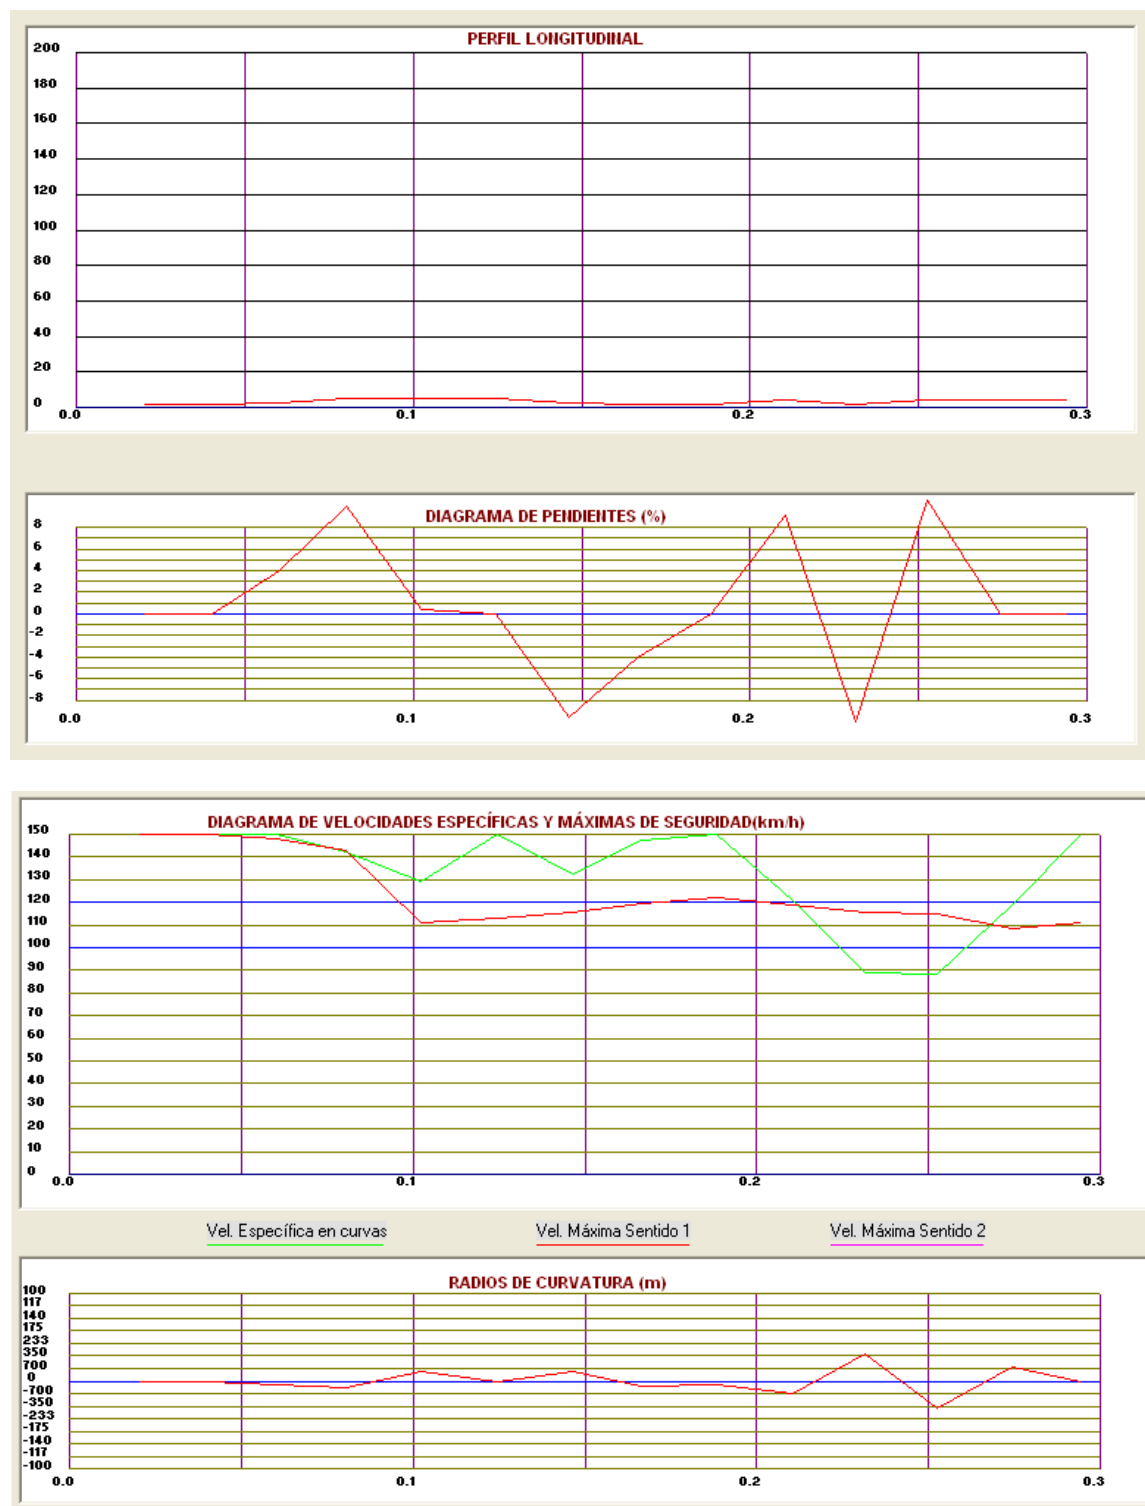

Errepidea honako zati hauetan banatu da bere geometria eta bertan ibiltzen diren ibilgailuen (arin eta astun) abiadura zehazteko. Lehenengo zatia GI-632 errepide zaharraren korridoreari dagokiona da; bigarrena Bizkaiko mugaren eta GI-627 errepidearen artekoa da; eta, azkenik, hirugarren zatiak (hau ere Gipuzkoan dago) GI-627 eta N-I errepideak lotzen ditu.

N-638 errepidea: Hondarribiko aireportuko sarrera

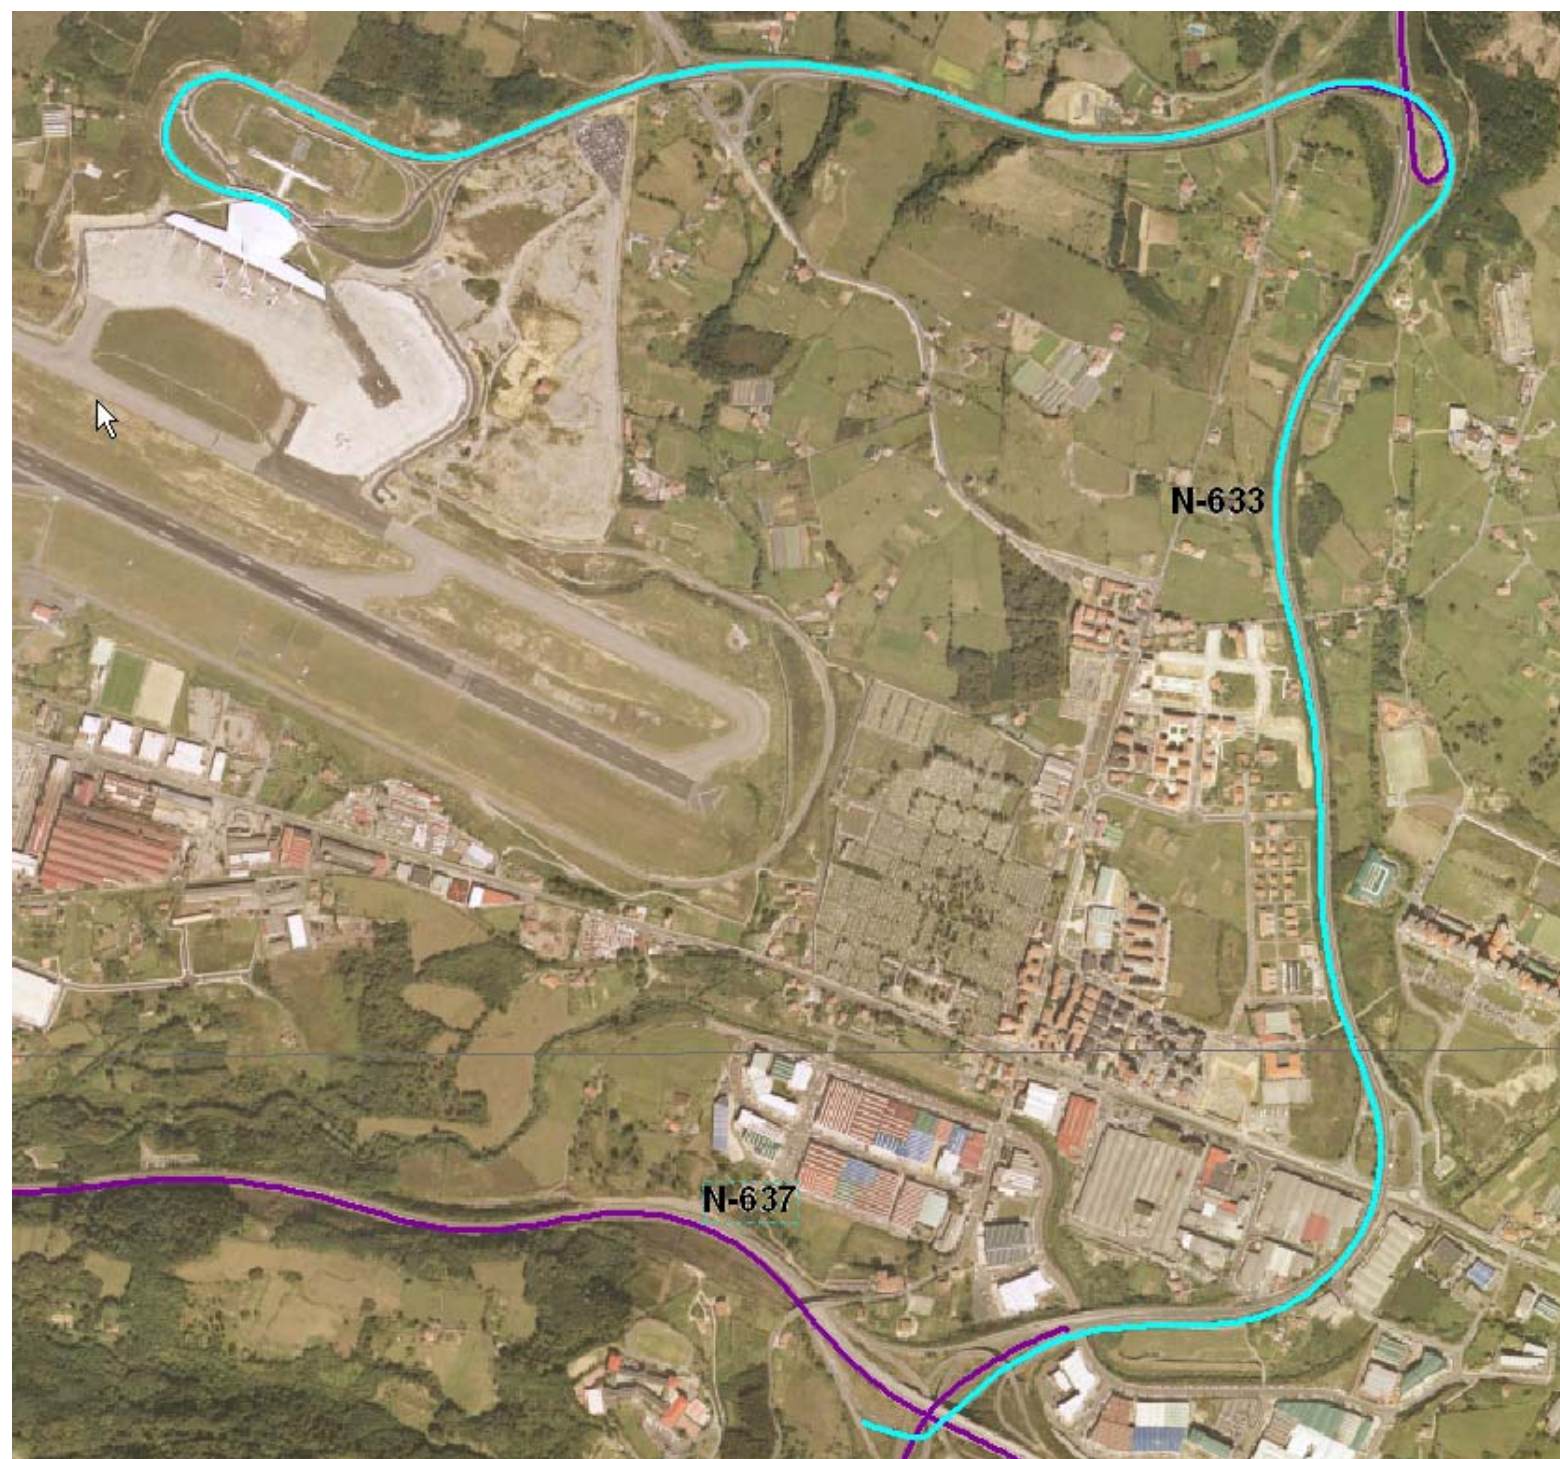

N-629 errepidea: Burgos - Santoña

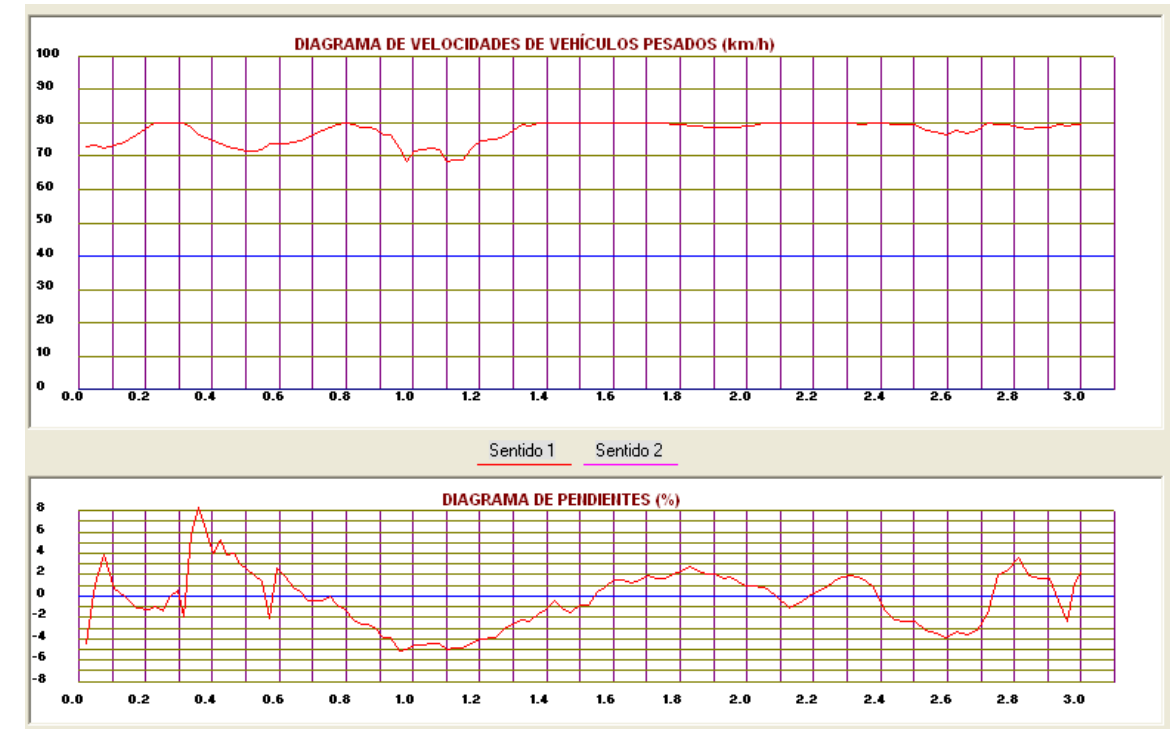

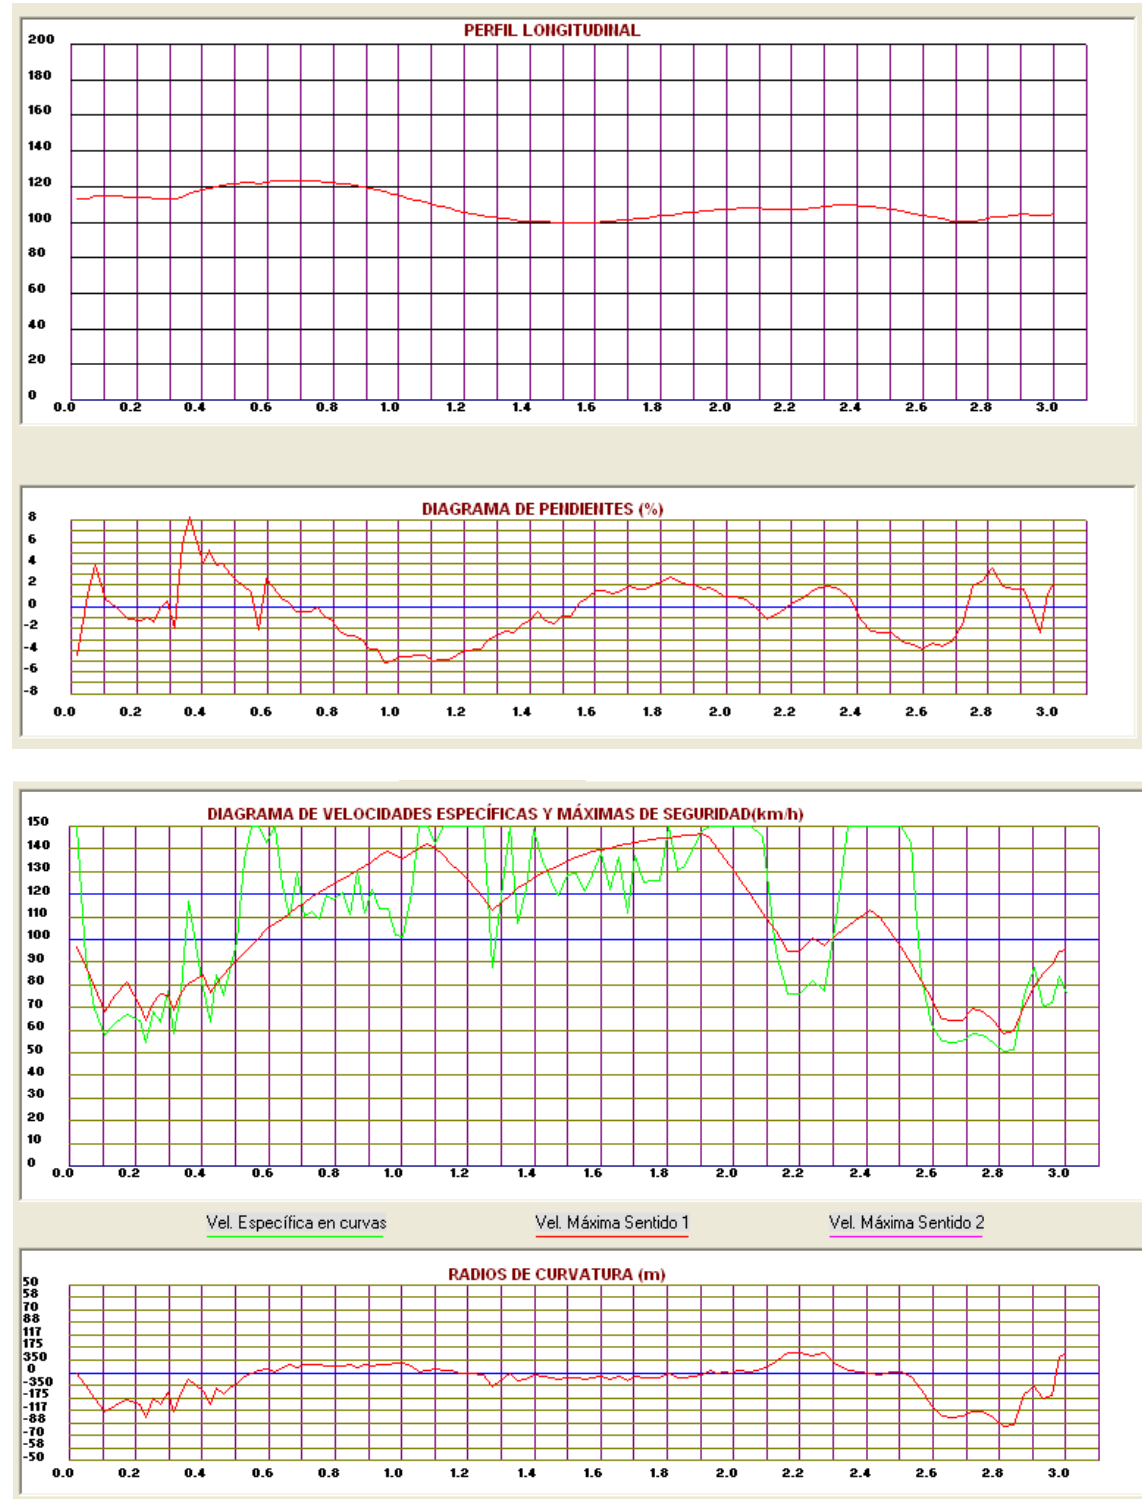

N-633 errepidea: Loiuko aireportuko (Bilbao) sarrera Aldekonetik

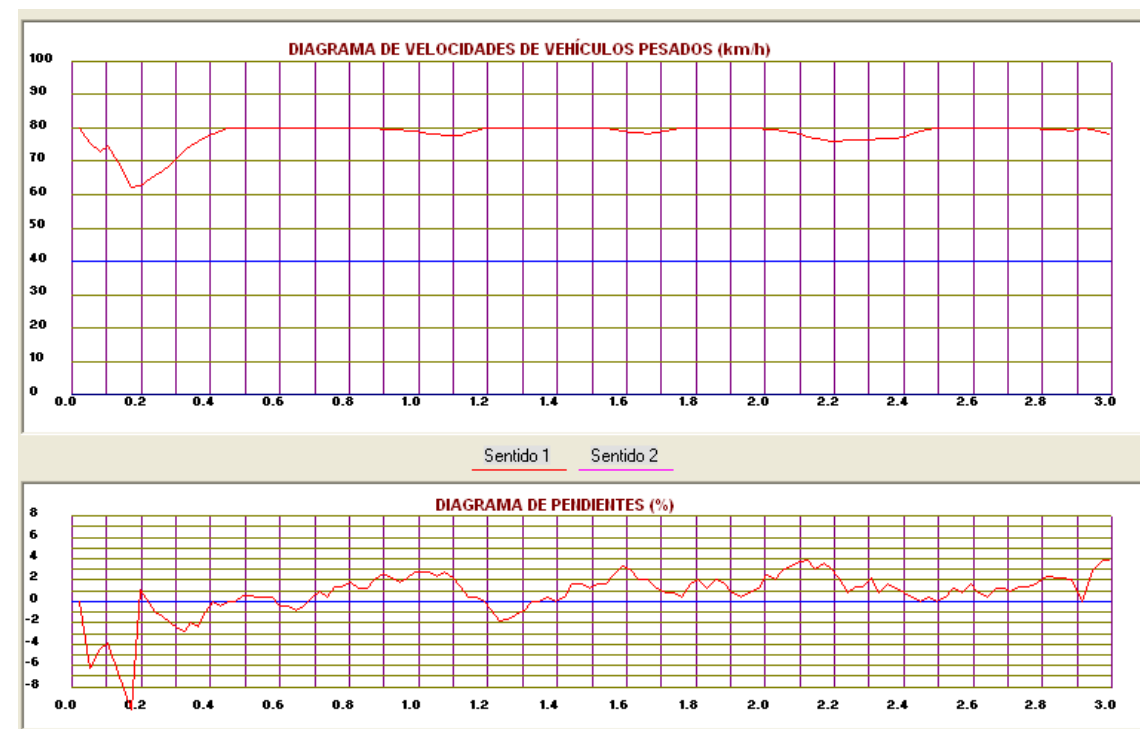

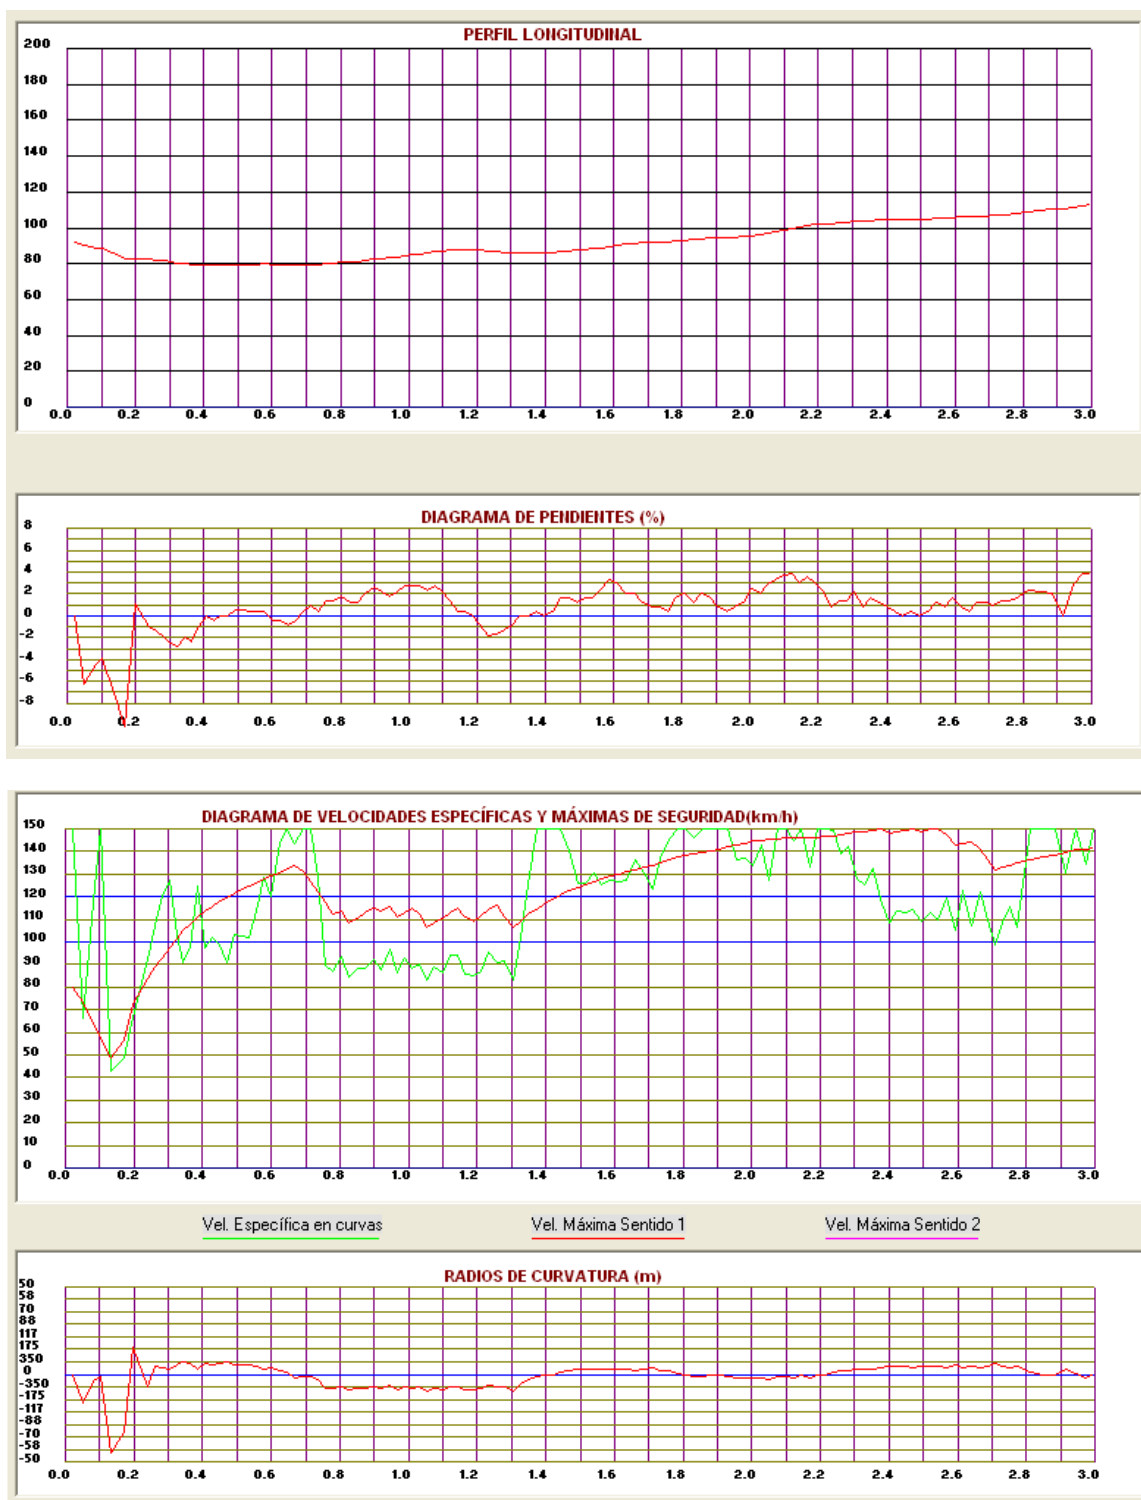

Azterketa honetarako N-633 errepidea zatikatu egin da. Lehenengo zatia Loiuko aireporturako (Bilbao) sarrera zuzena eskaintzen duena da, eta bigarren zatia BI-631 eta N-637 errepideak lotzen ditu.

N-633 errepidea: Loiuko aireportuko sarrera (Bilbao)

N-633 errepidea: BI-631 eta N-637 errepideak lotzen ditu

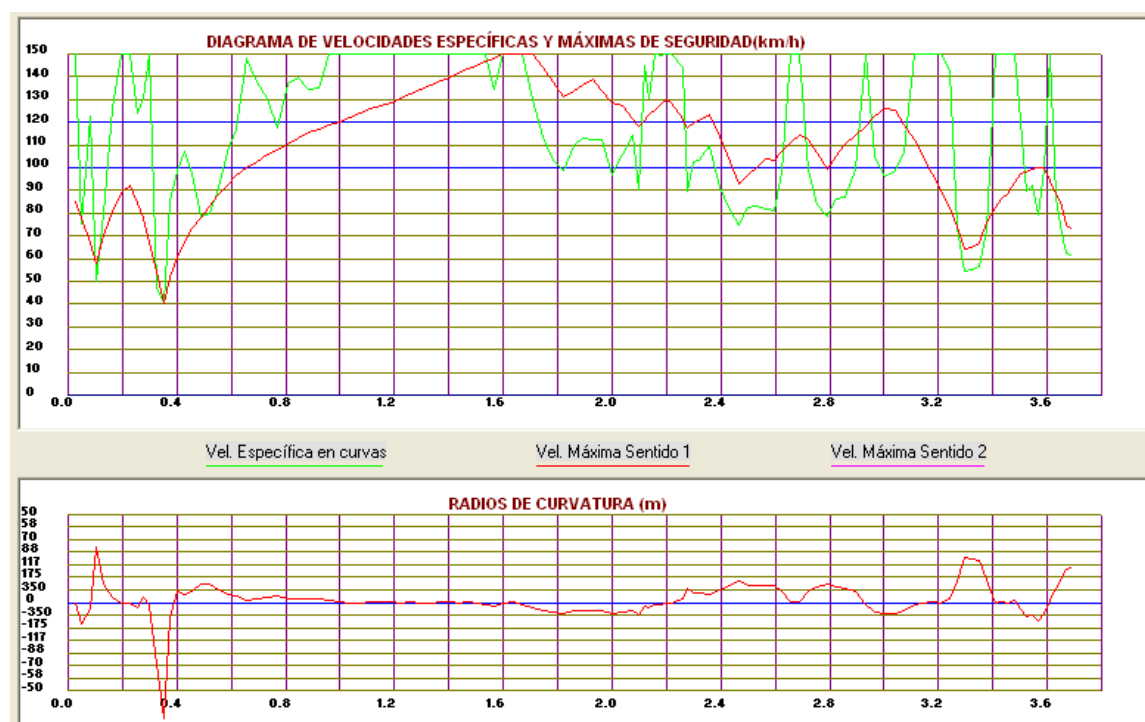

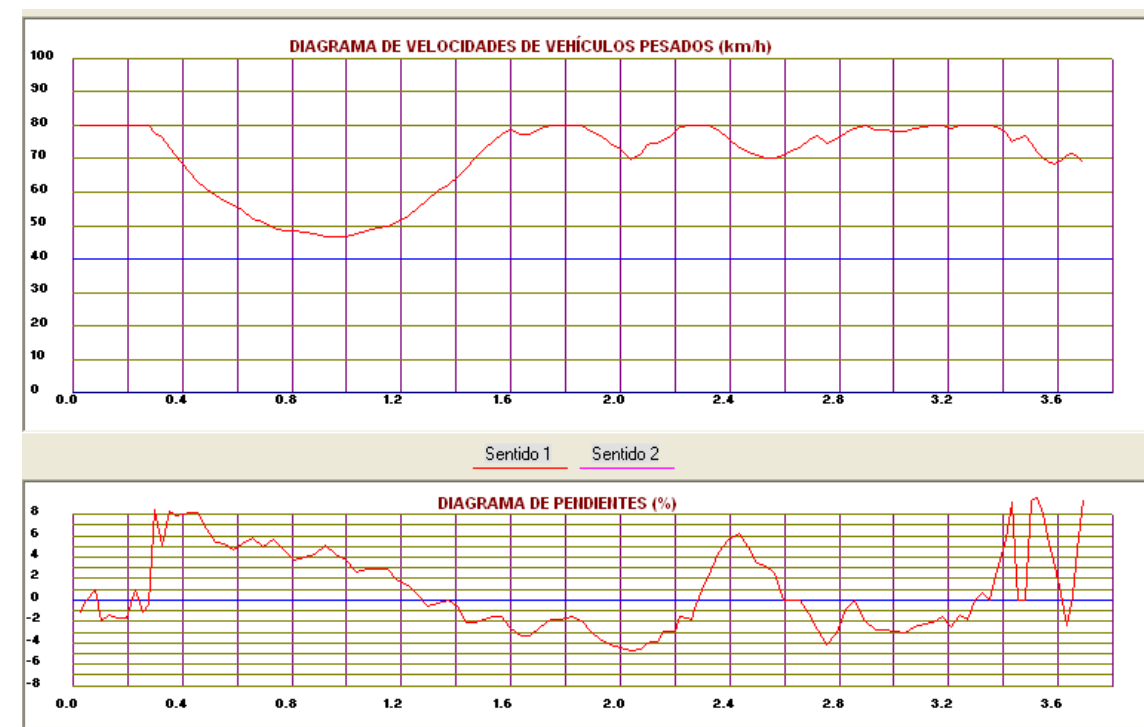

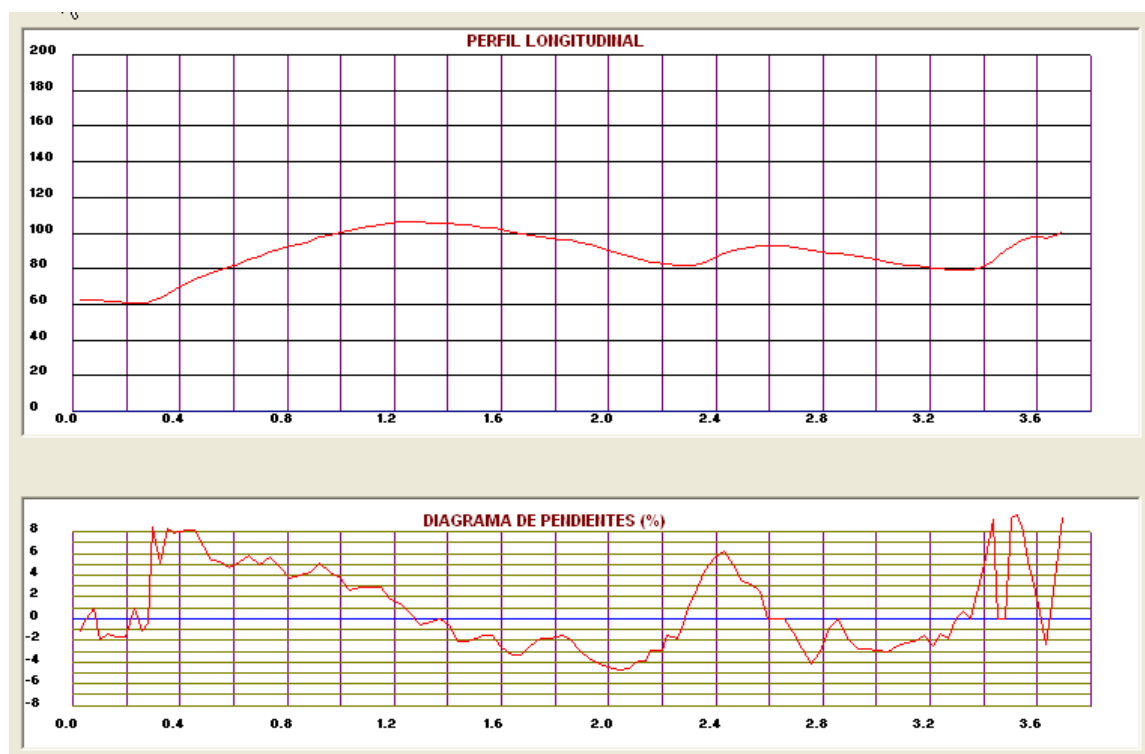

N-637 errepidea: Gurutzetatik Erletxetara Errontegiko zubitik

N-637 errepidea, gainerakoak bezala, zenbait bide-zatitan banatu da bere zirkulazio libreko geometria eta abiadura aztertu ahal izateko.

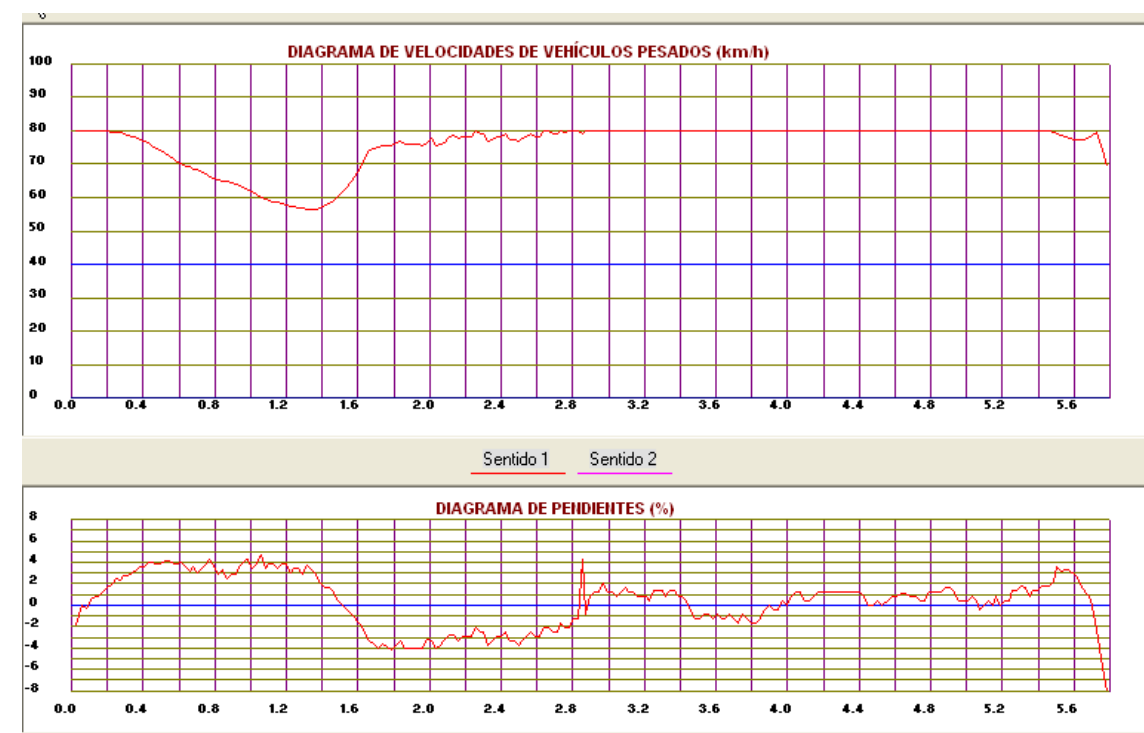

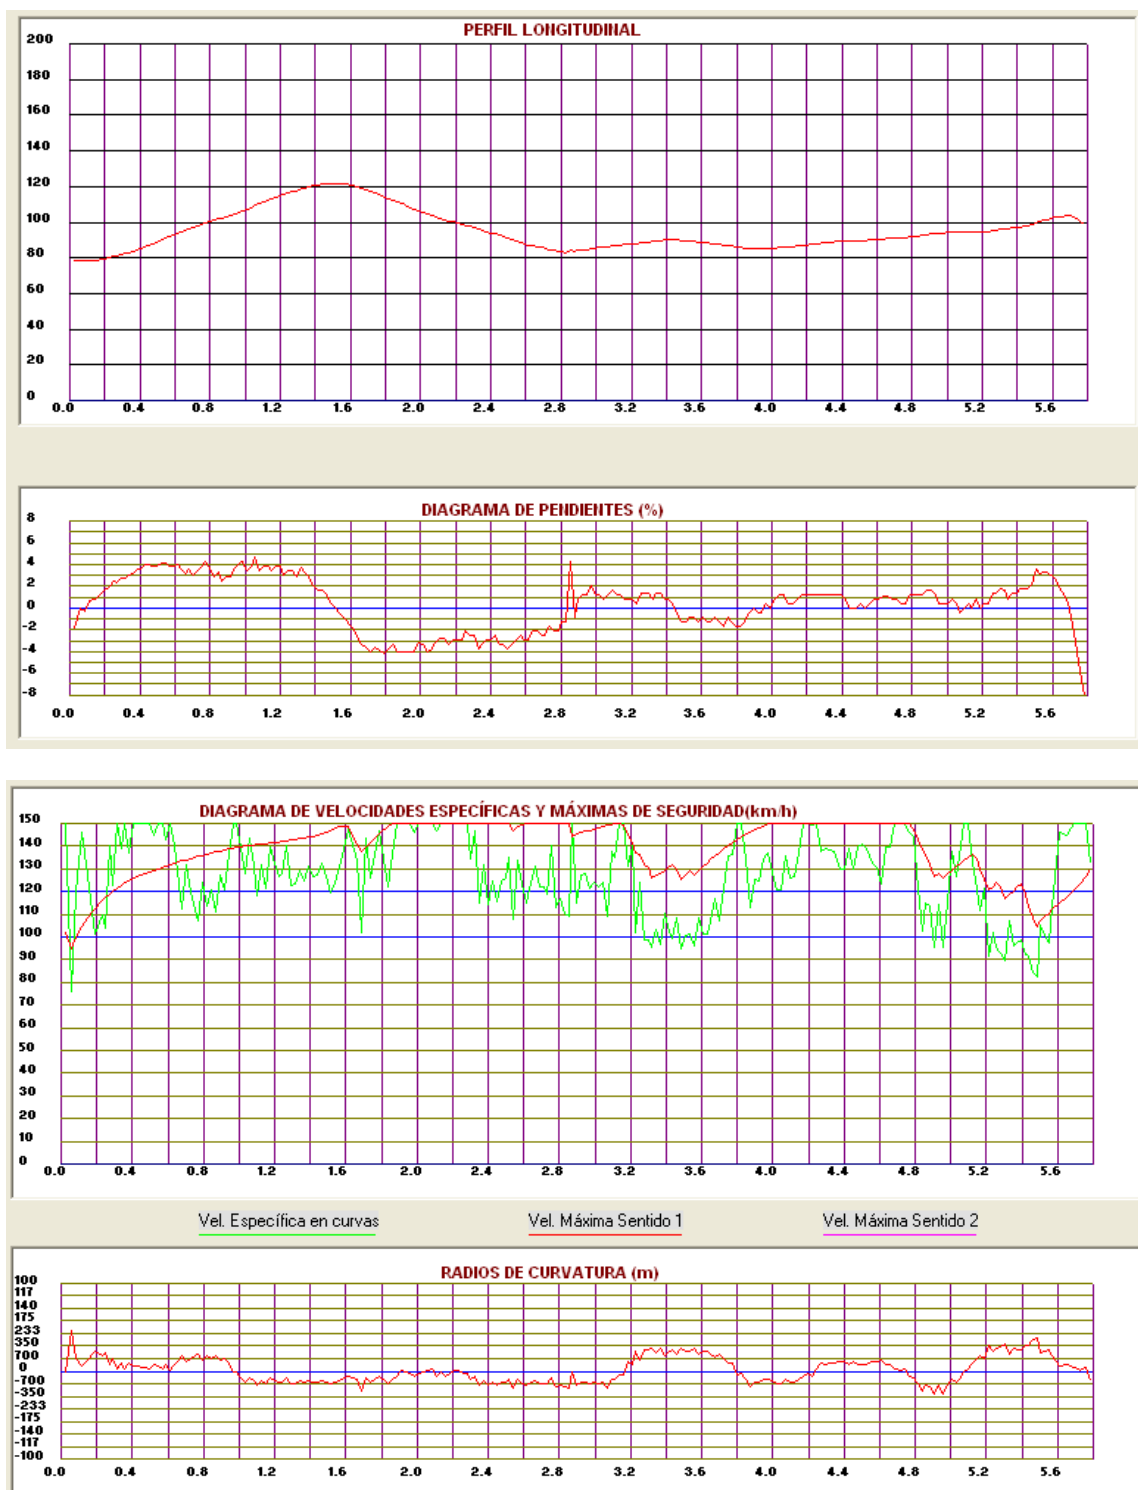

Lehenengo zatiak Bilbao BI-604 errepidearekin lotzen du; bigarrenak BI-604 eta BI-631 errepideak lotzen ditu; eta azkenekoak errepide-sare nagusiko BI-631 errepidea lehentasuneko sareko N-634 errepidearekin lotzen du.

ERREPIDE-SARE NAGUSIA

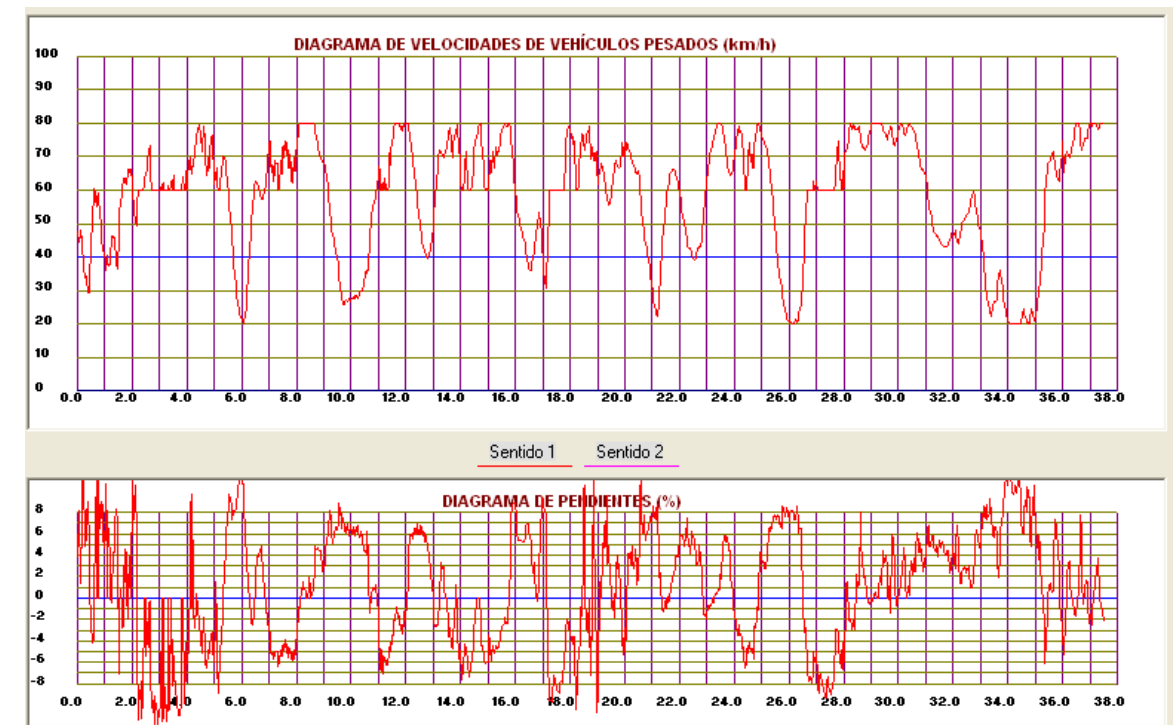

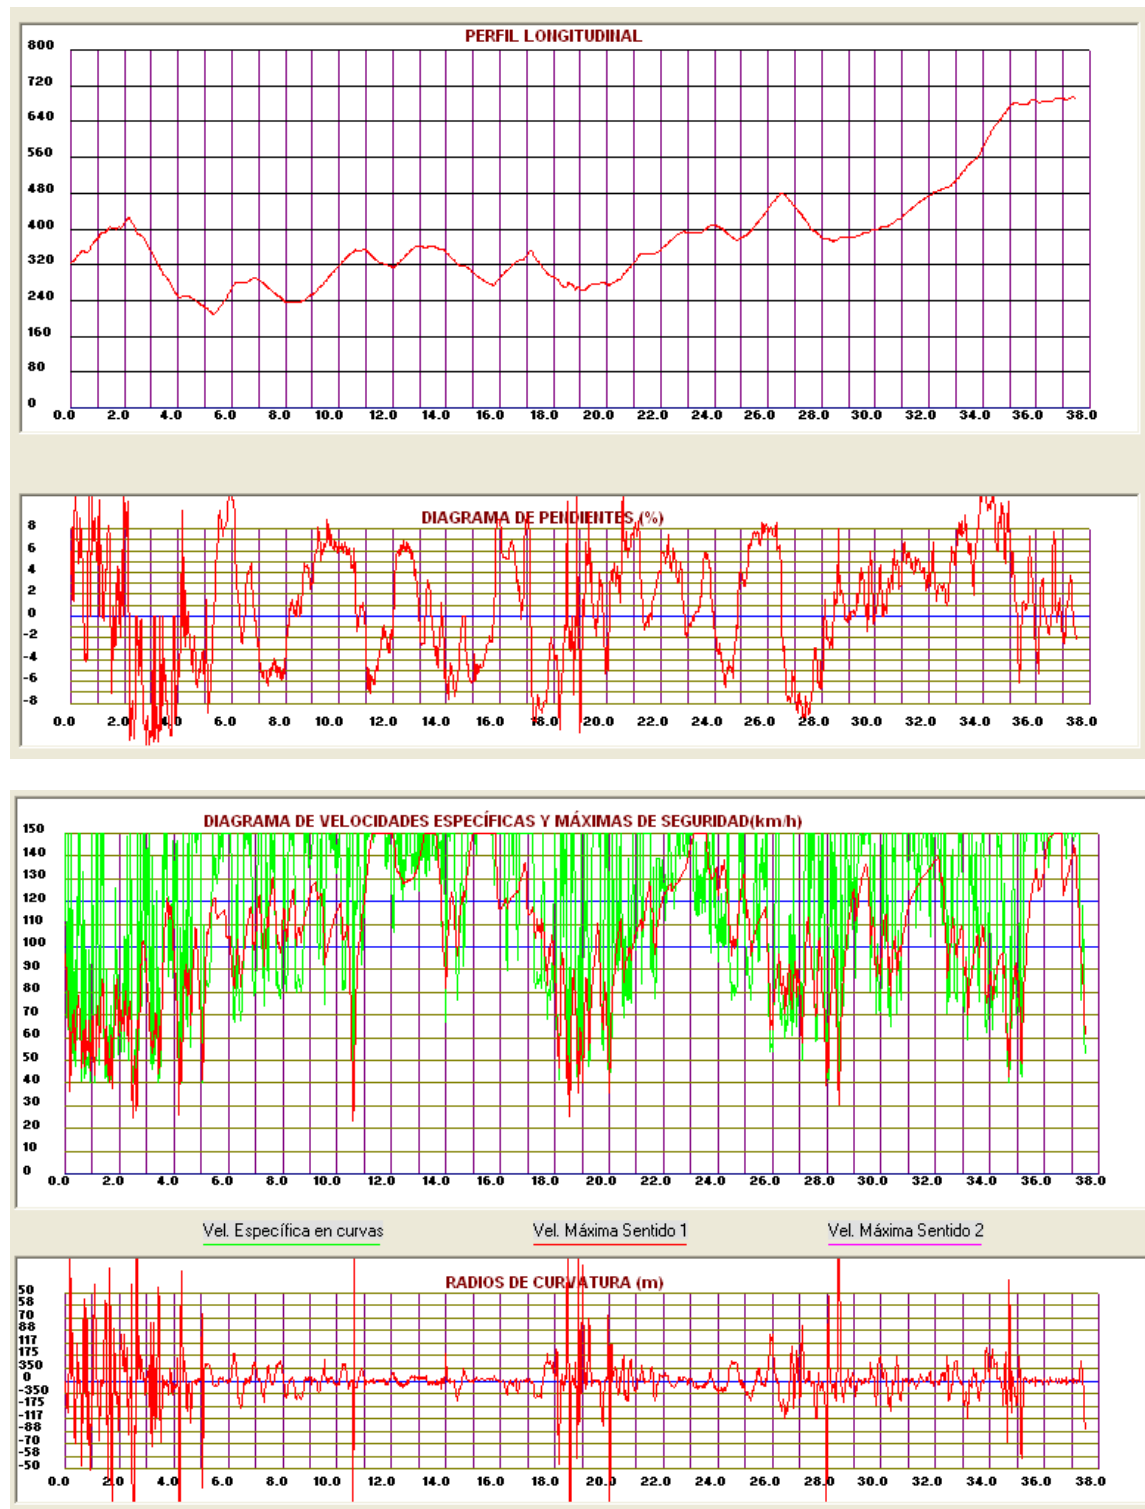

A-132 errepidea: Elorriaga – Nafarroako muga

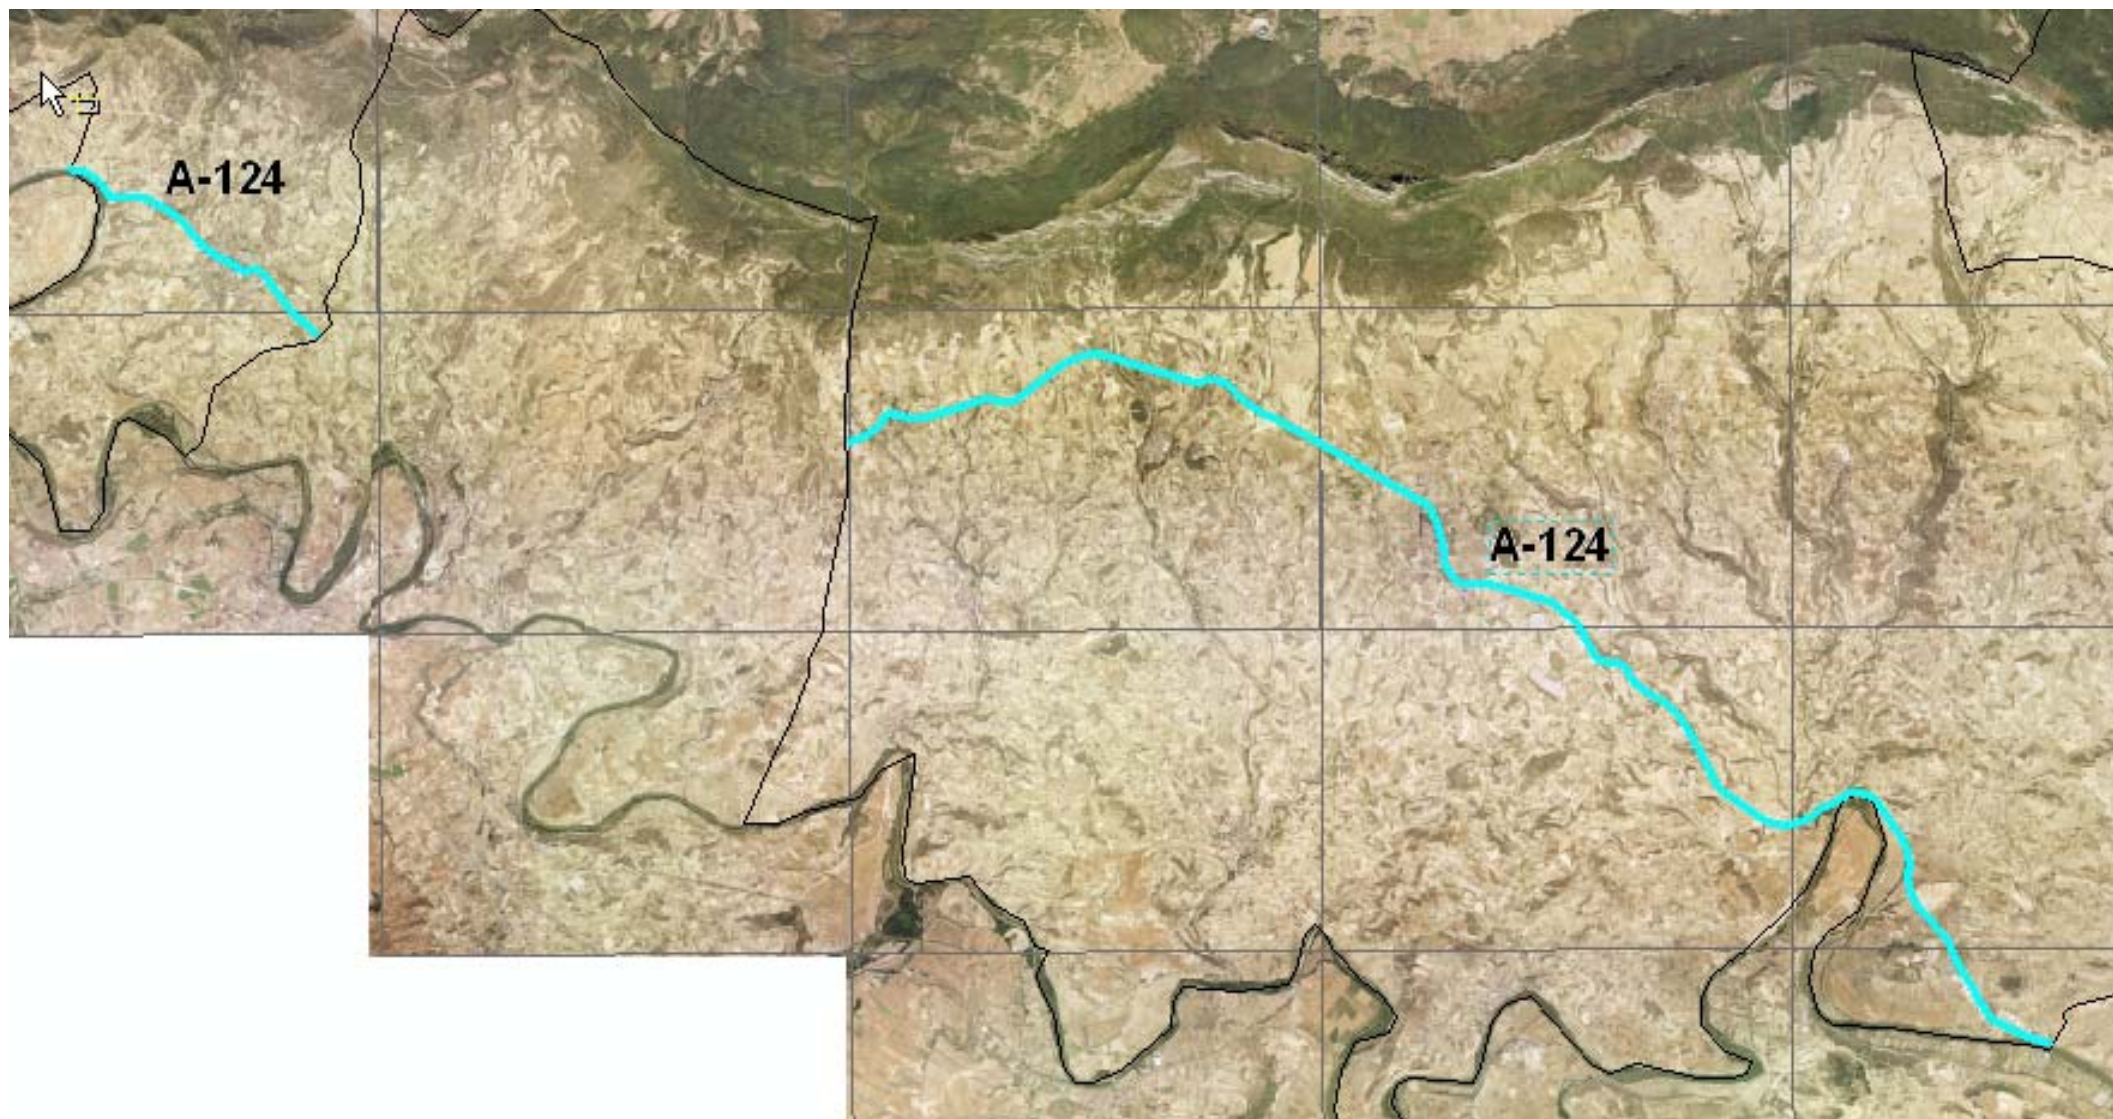

A-624 errepidea: A-622 – Burgosko muga Antuñanon

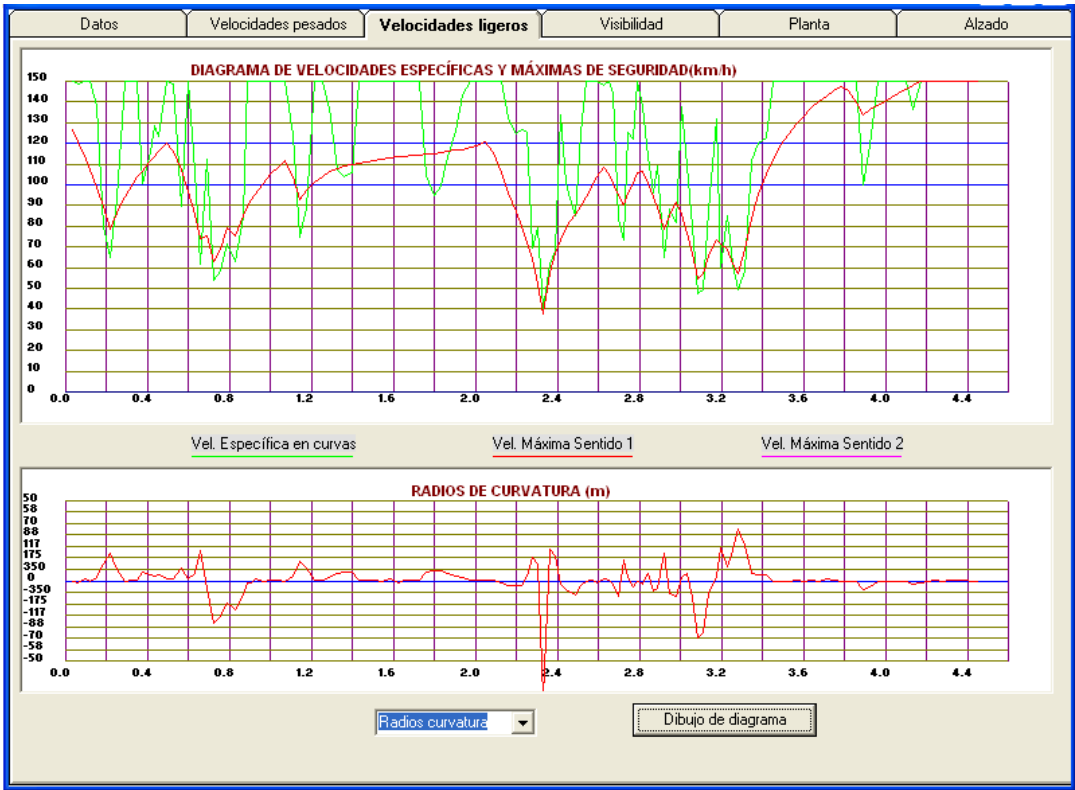

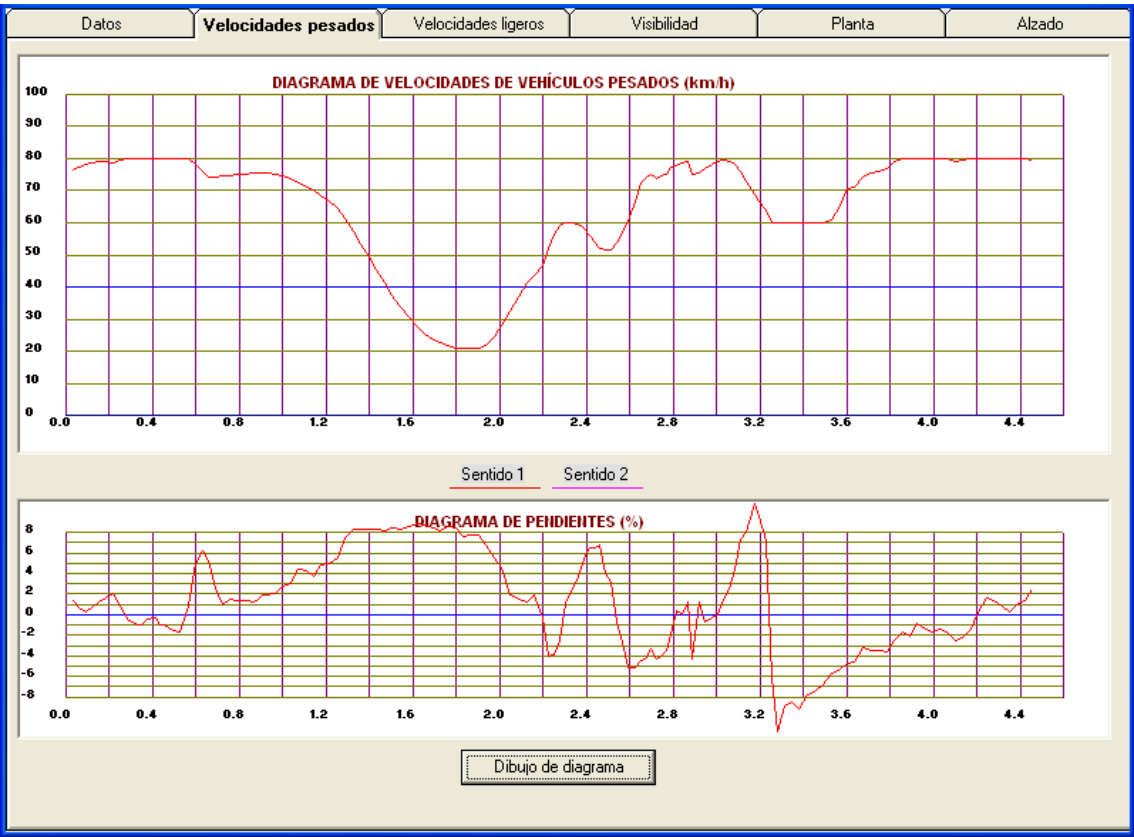

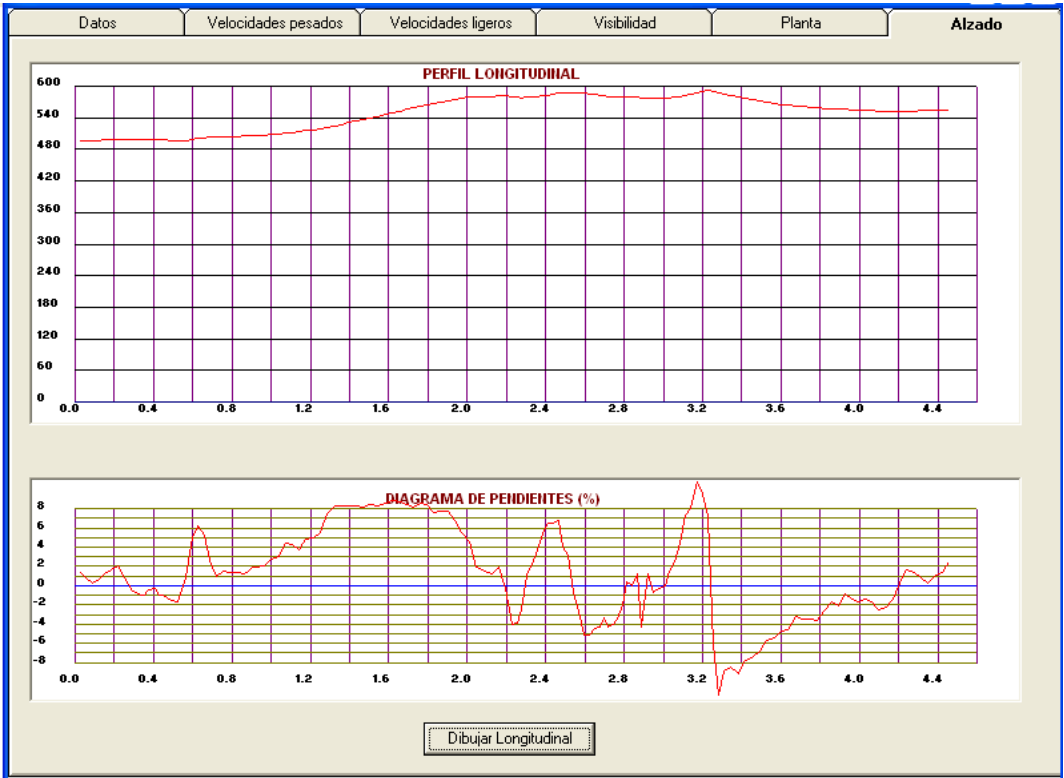

A-124 errepidea: Briñas - Logroño Laguardia zeharkatuz

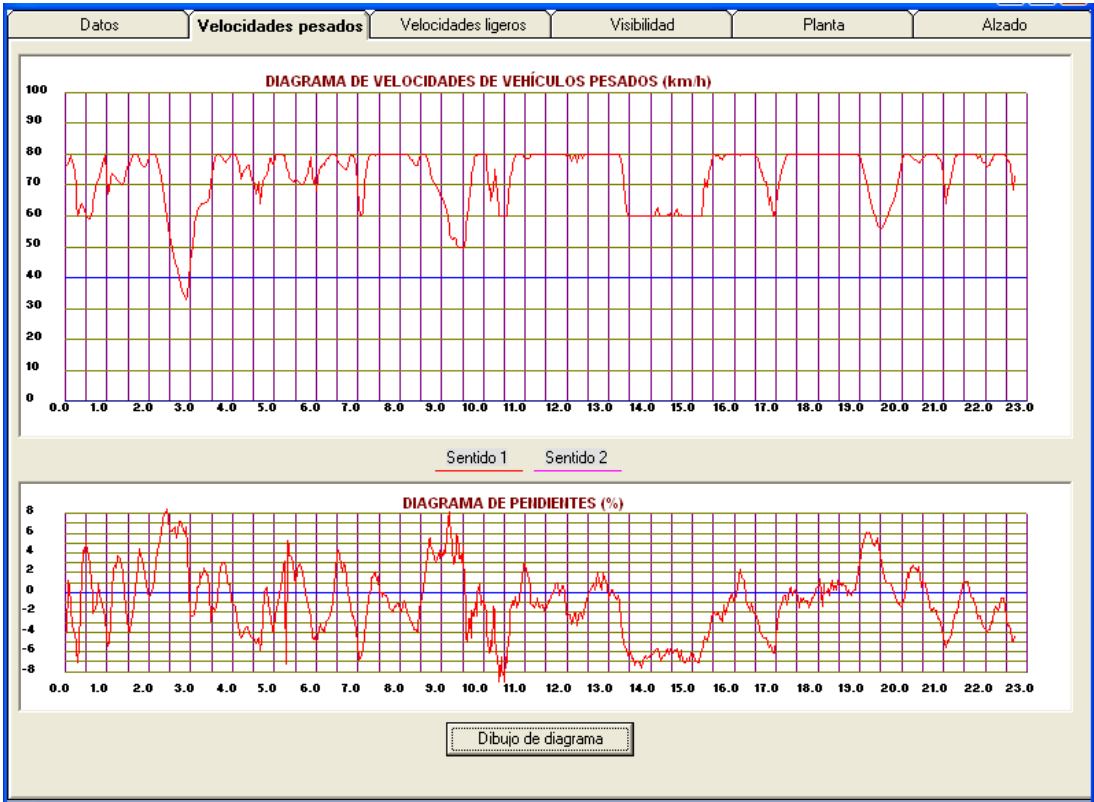

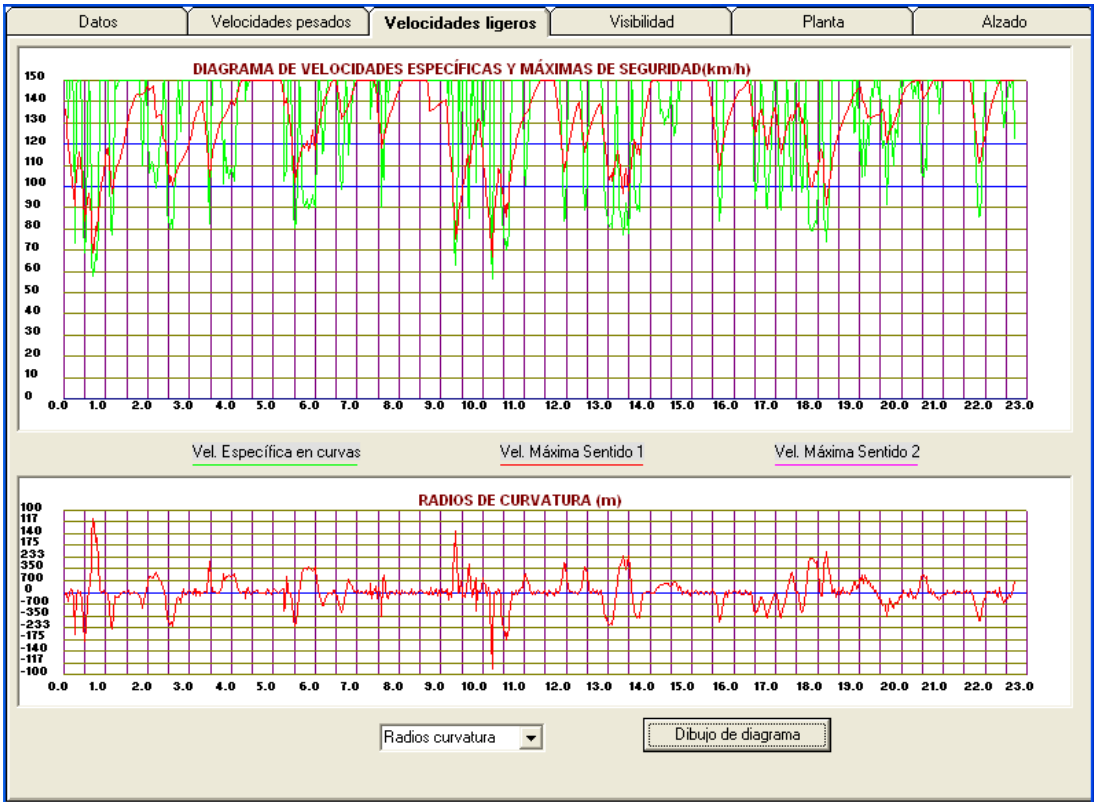

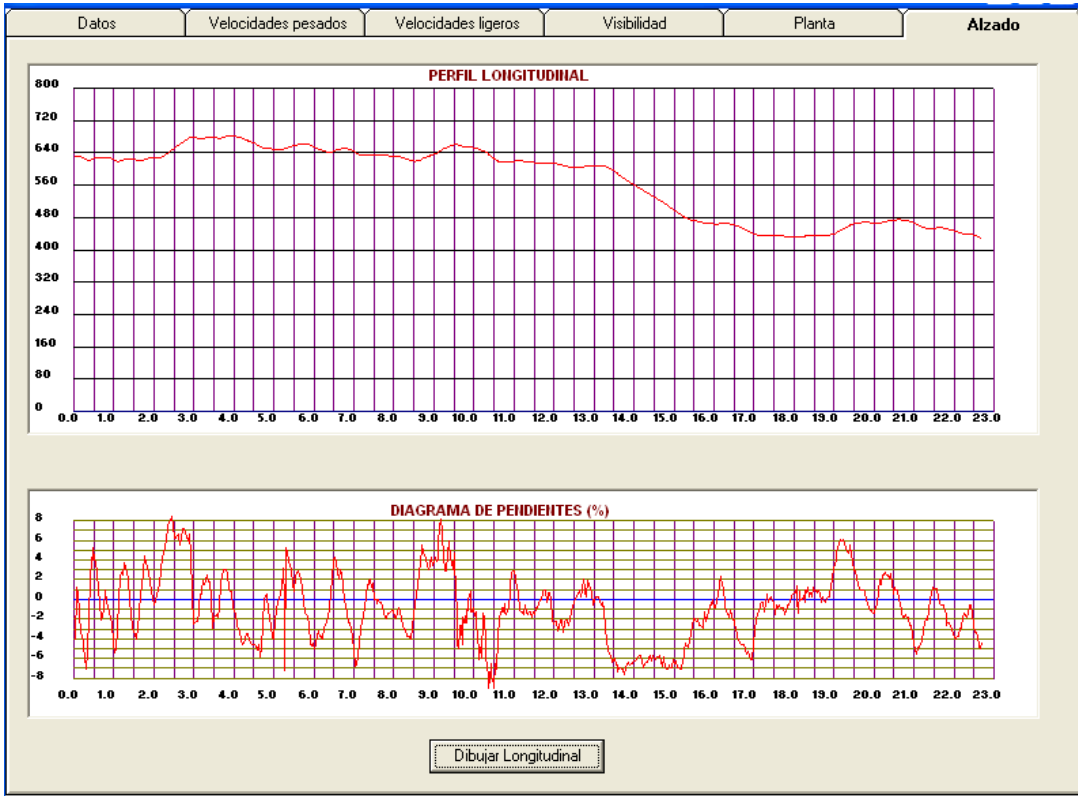

Arabako A-124 errepidearen geometria eta abiadurak aztertzeko, bi zatitan banatu da, errepidearen egoera geografikoa kontuan hartuz jarraian ikusten den eran.

A-124 errepeidea: Bastidan

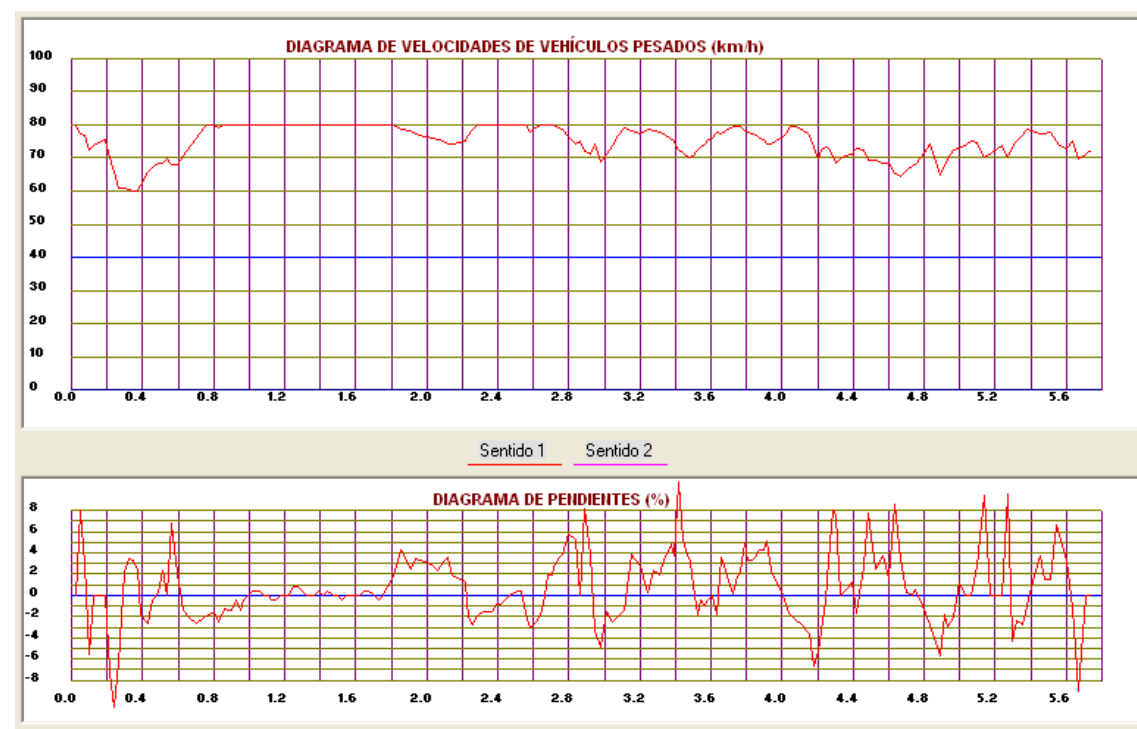

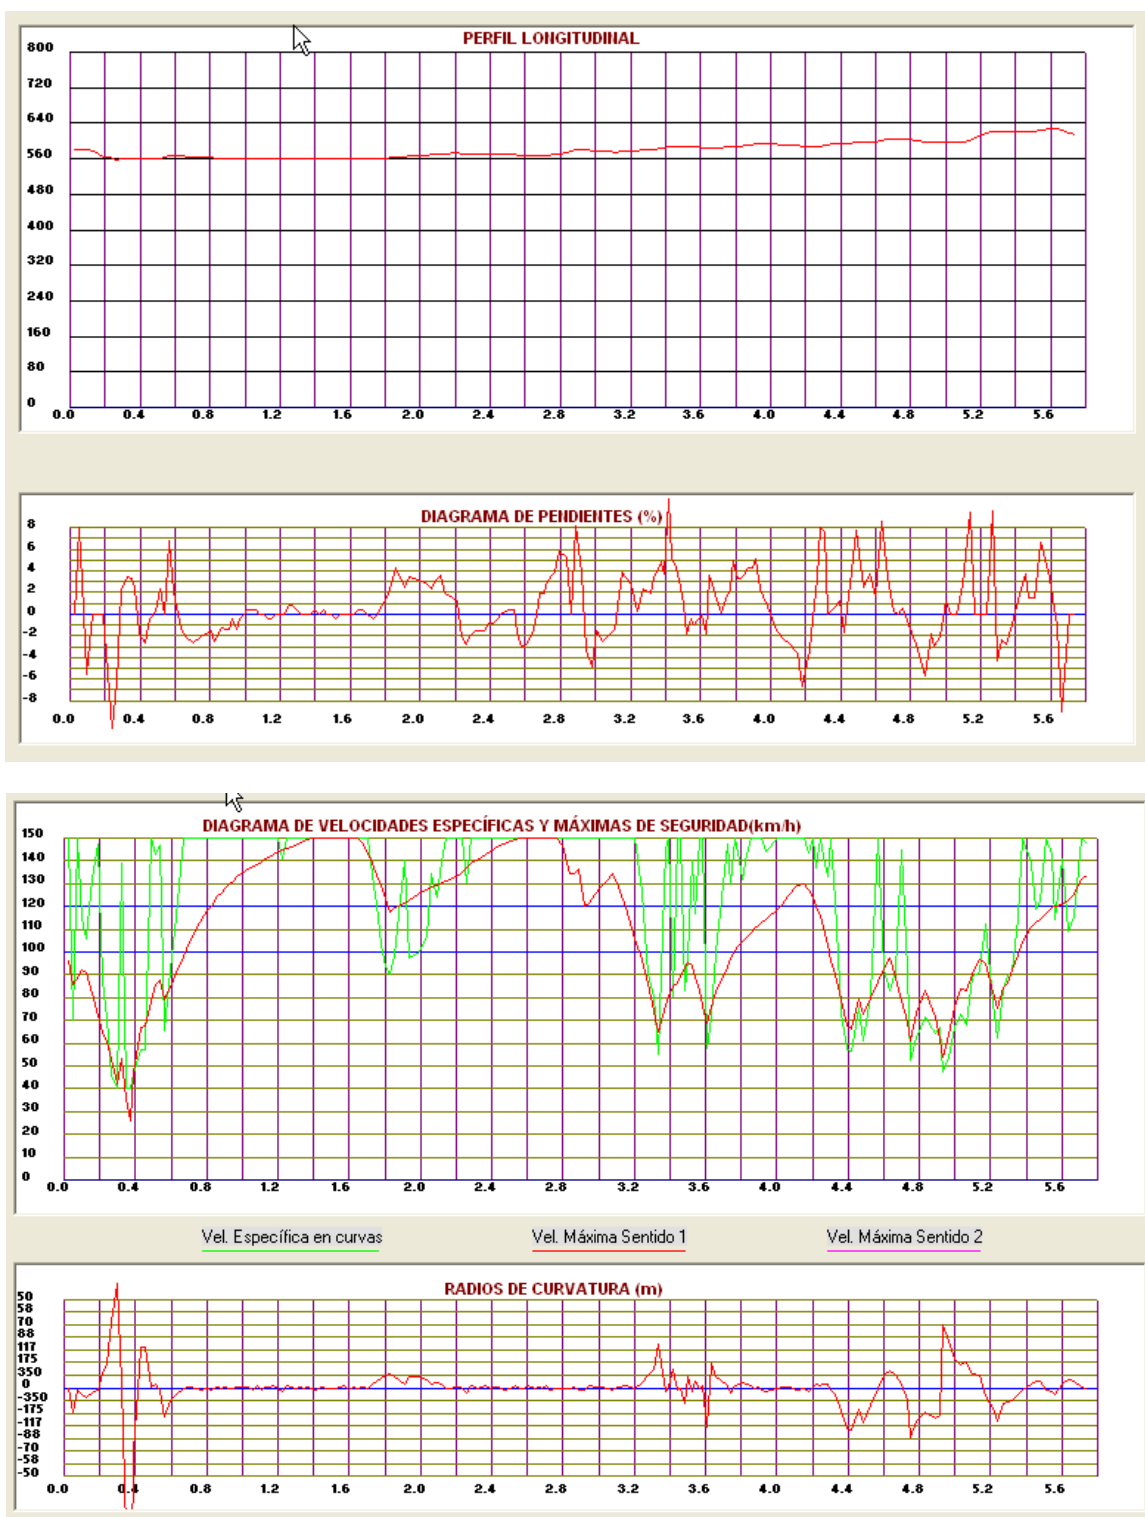

A-124 errepidea: Logroñotik Abalosera

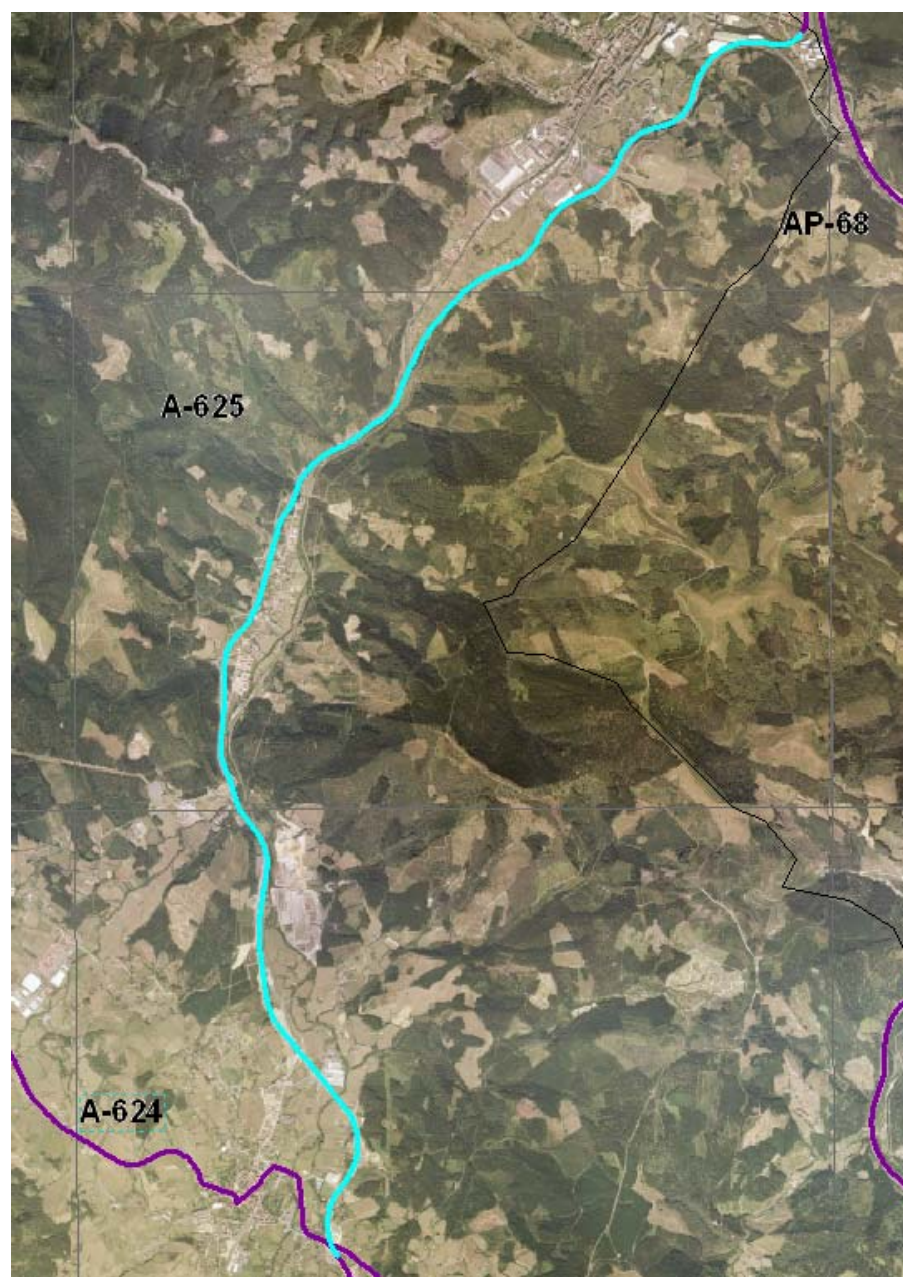

A-627 errepidea: Gipuzkoako muga Leintz-Gatzaga – Urbinarako norabidean

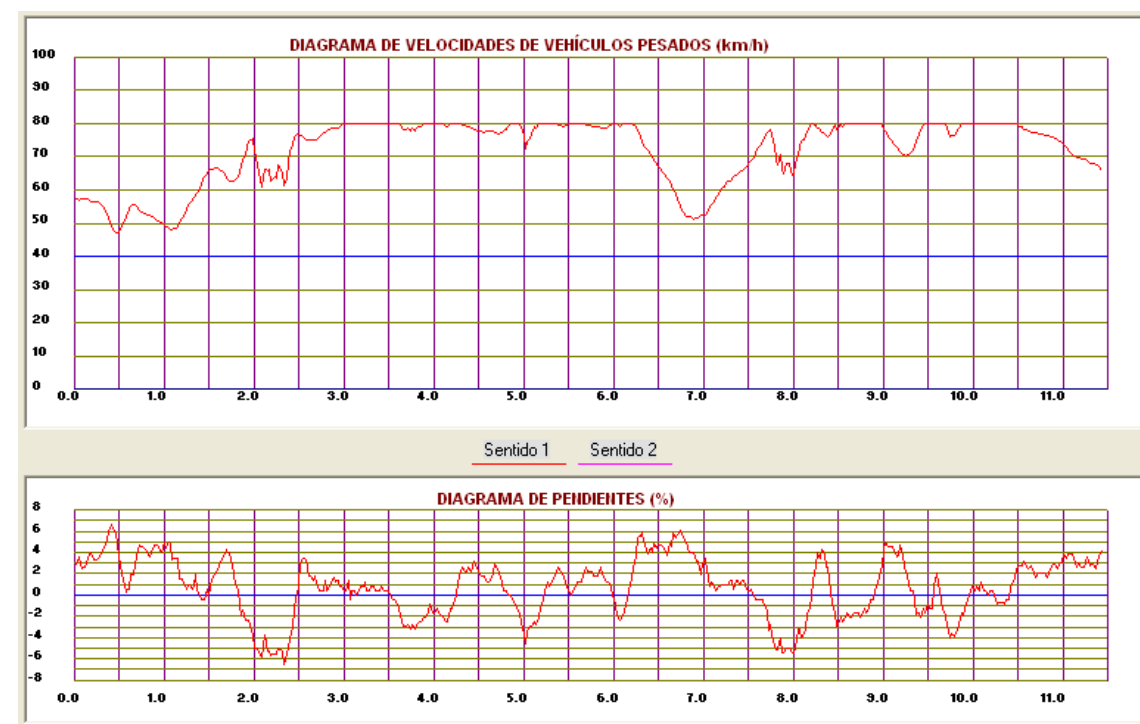

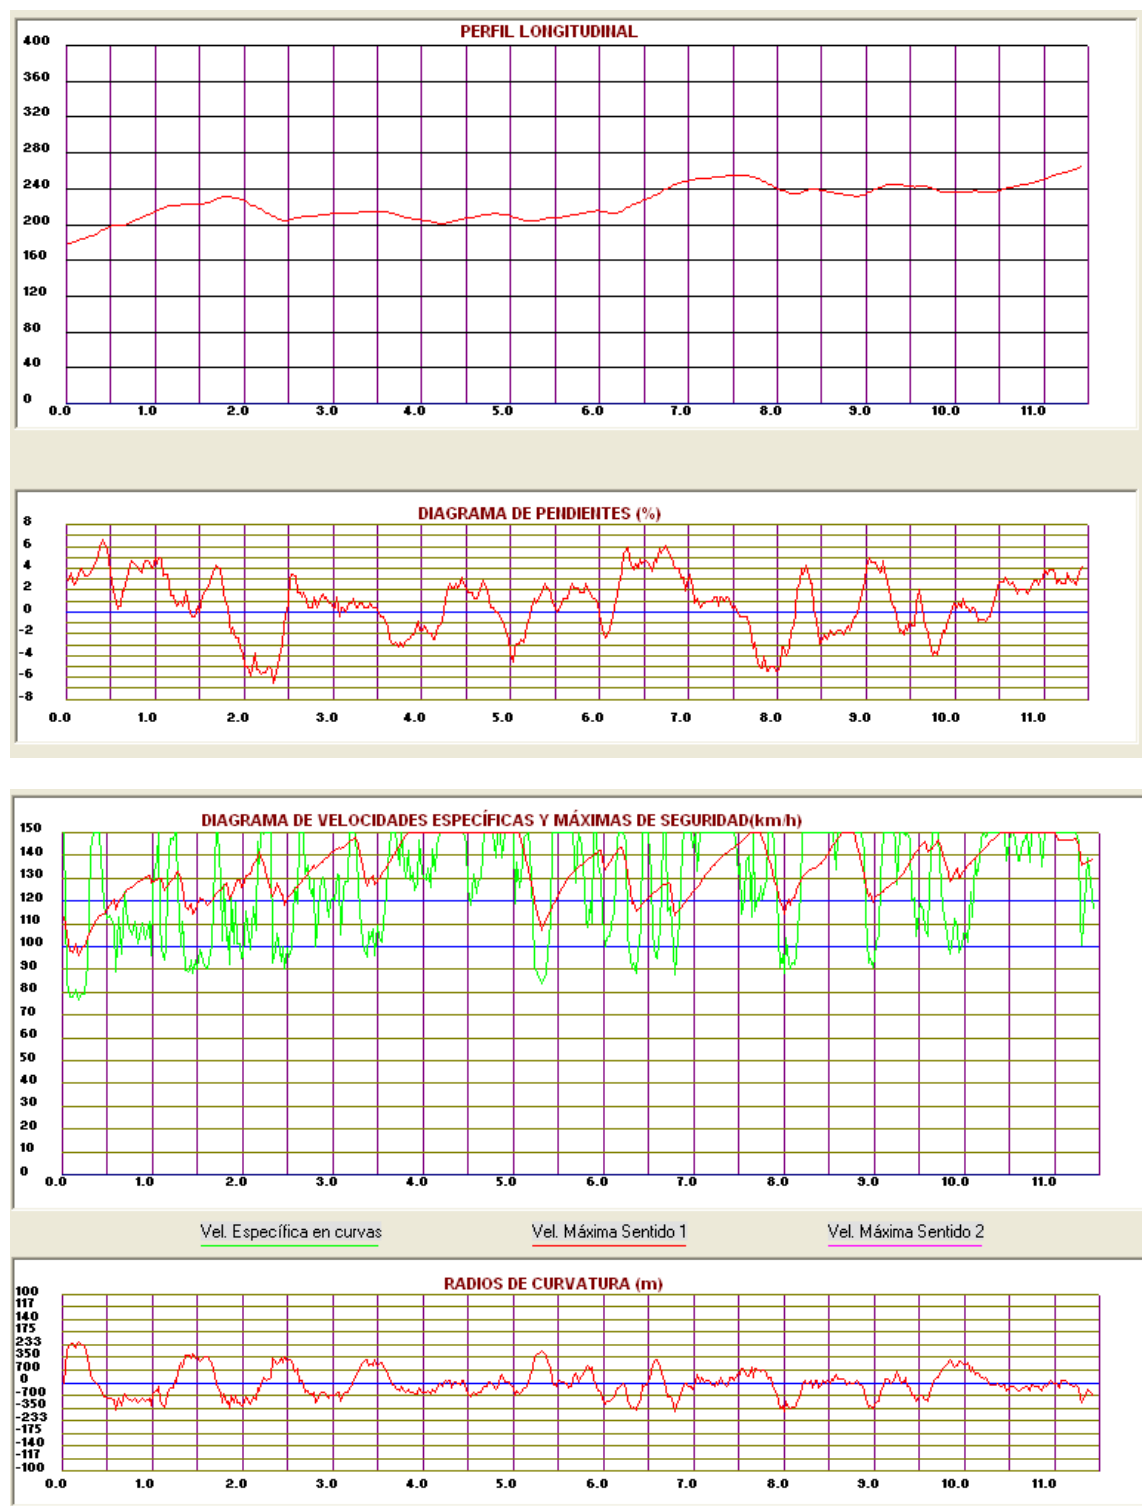

A-625 errepidea: Areta – Saratxo

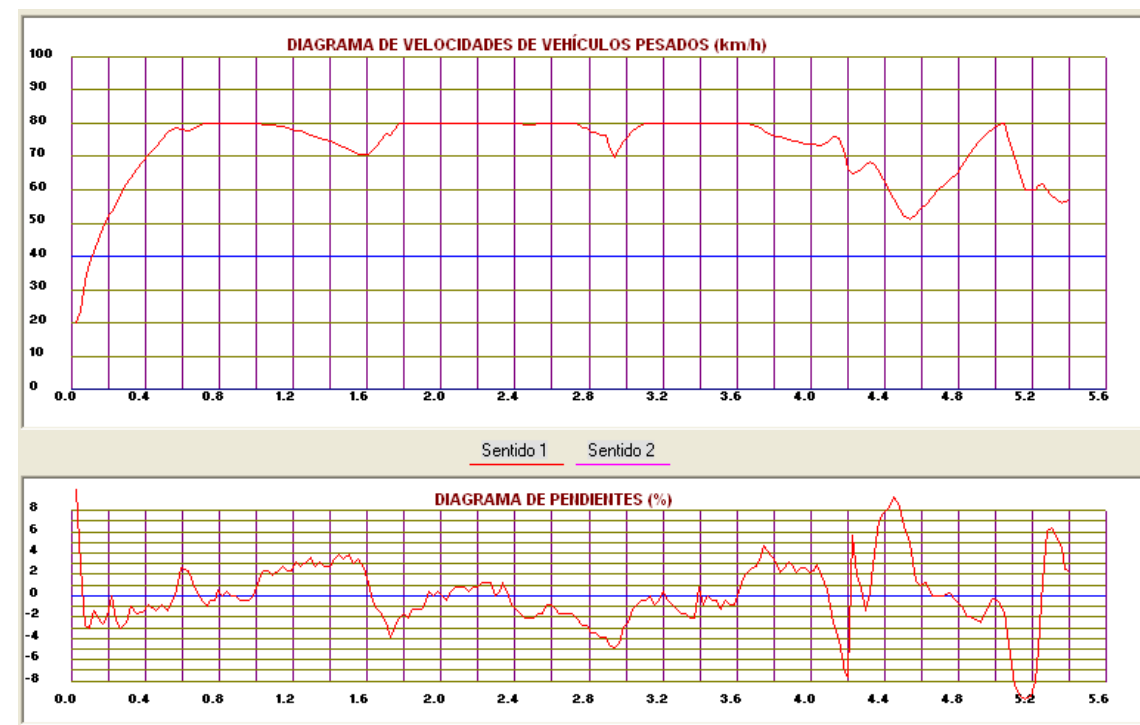

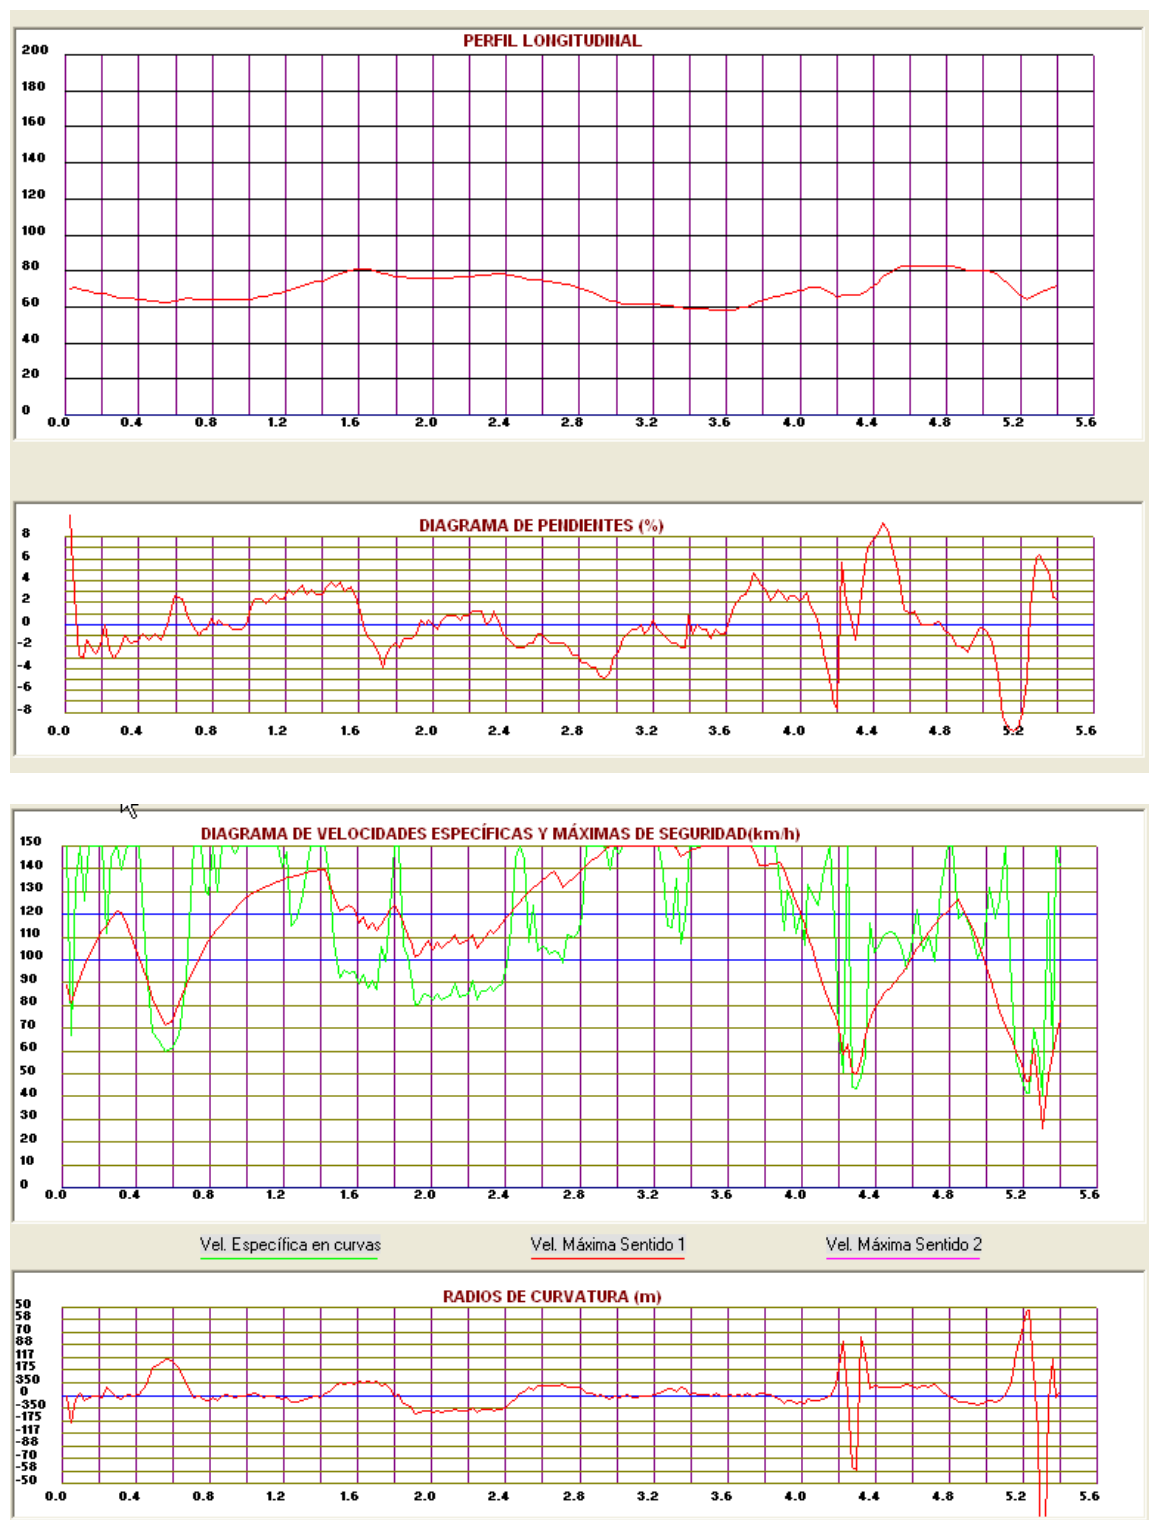

A-625 errepidea honako bide-zati hauetan banatu da: lehenengoak A-68 ordainpeko autobidea eta Amurrio udalerria lotzen ditu; bigarrenak Amurrio eta errepide-sare nagusiko A-624 errepidea lotzen ditu; eta azkeneko zatia A-624 errepidetik abiatzen da Bizkaiko muga aldera.

BI-604 errepidea: Bilbao - Asua Enekuri zeharkatuz

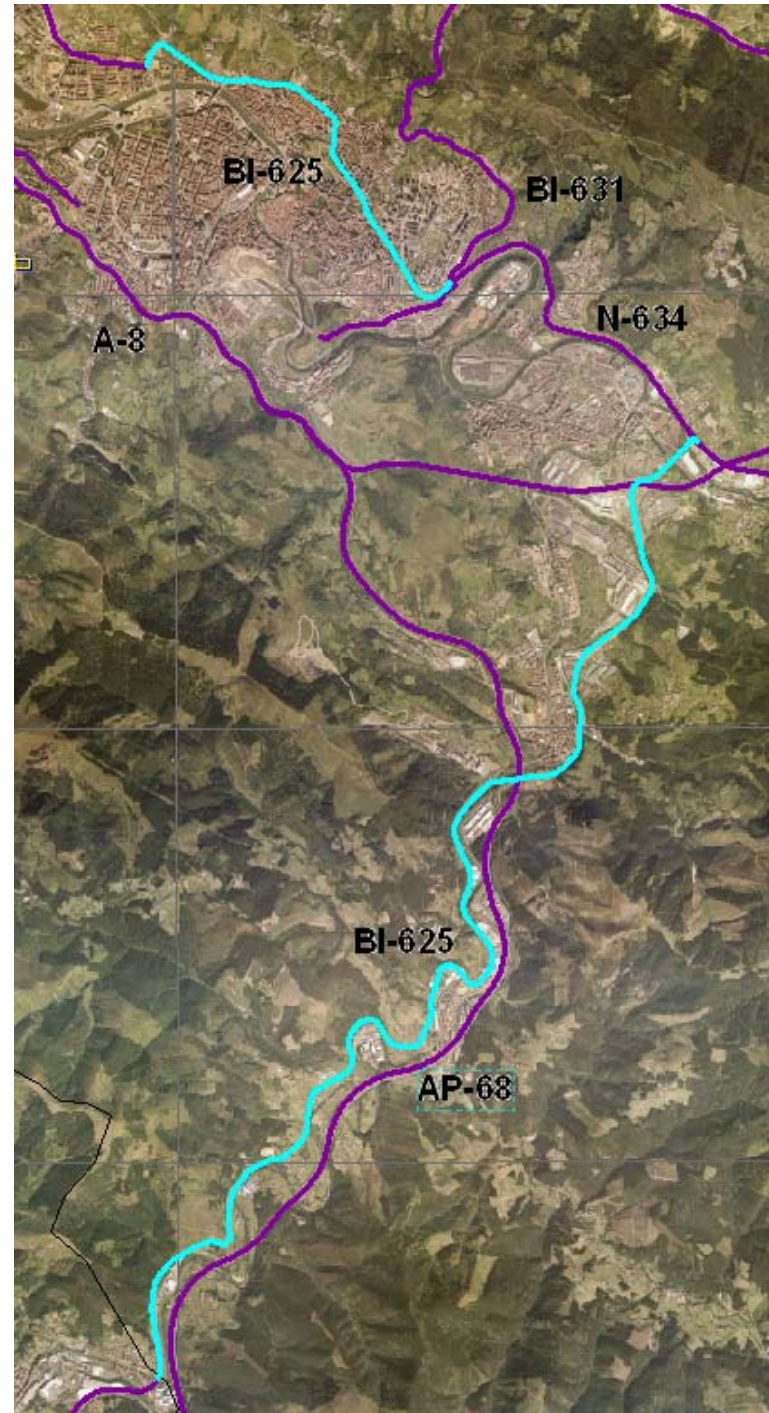

BI-624 errepidea: Altubetik Balmasedara

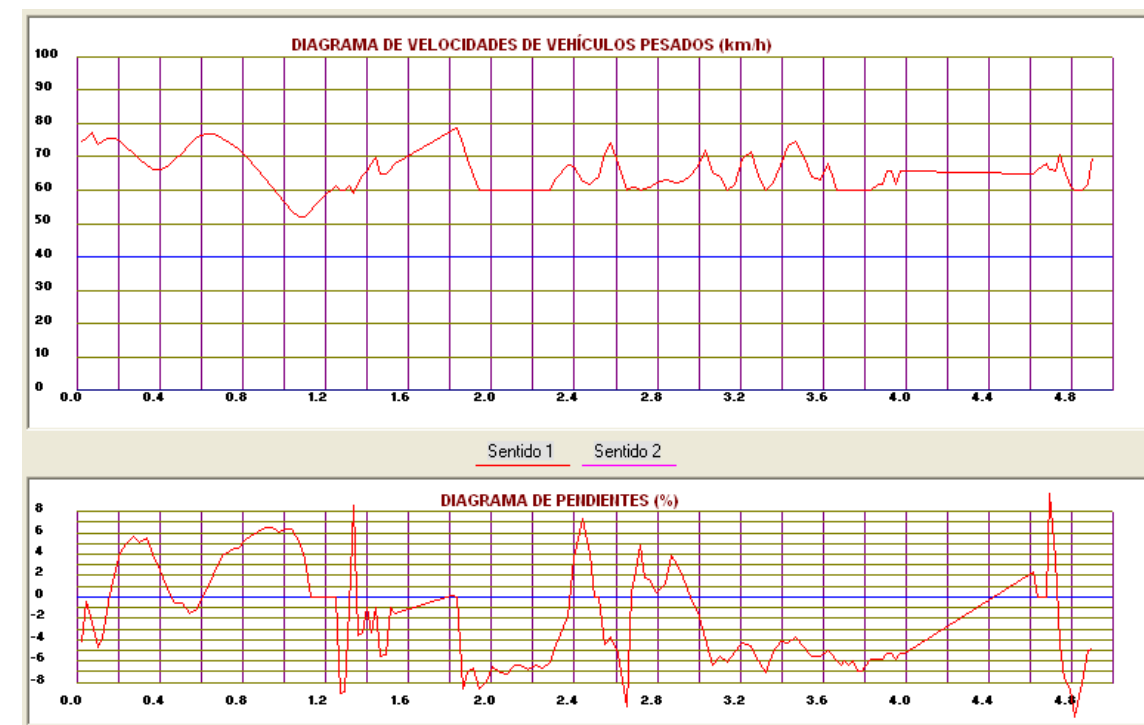

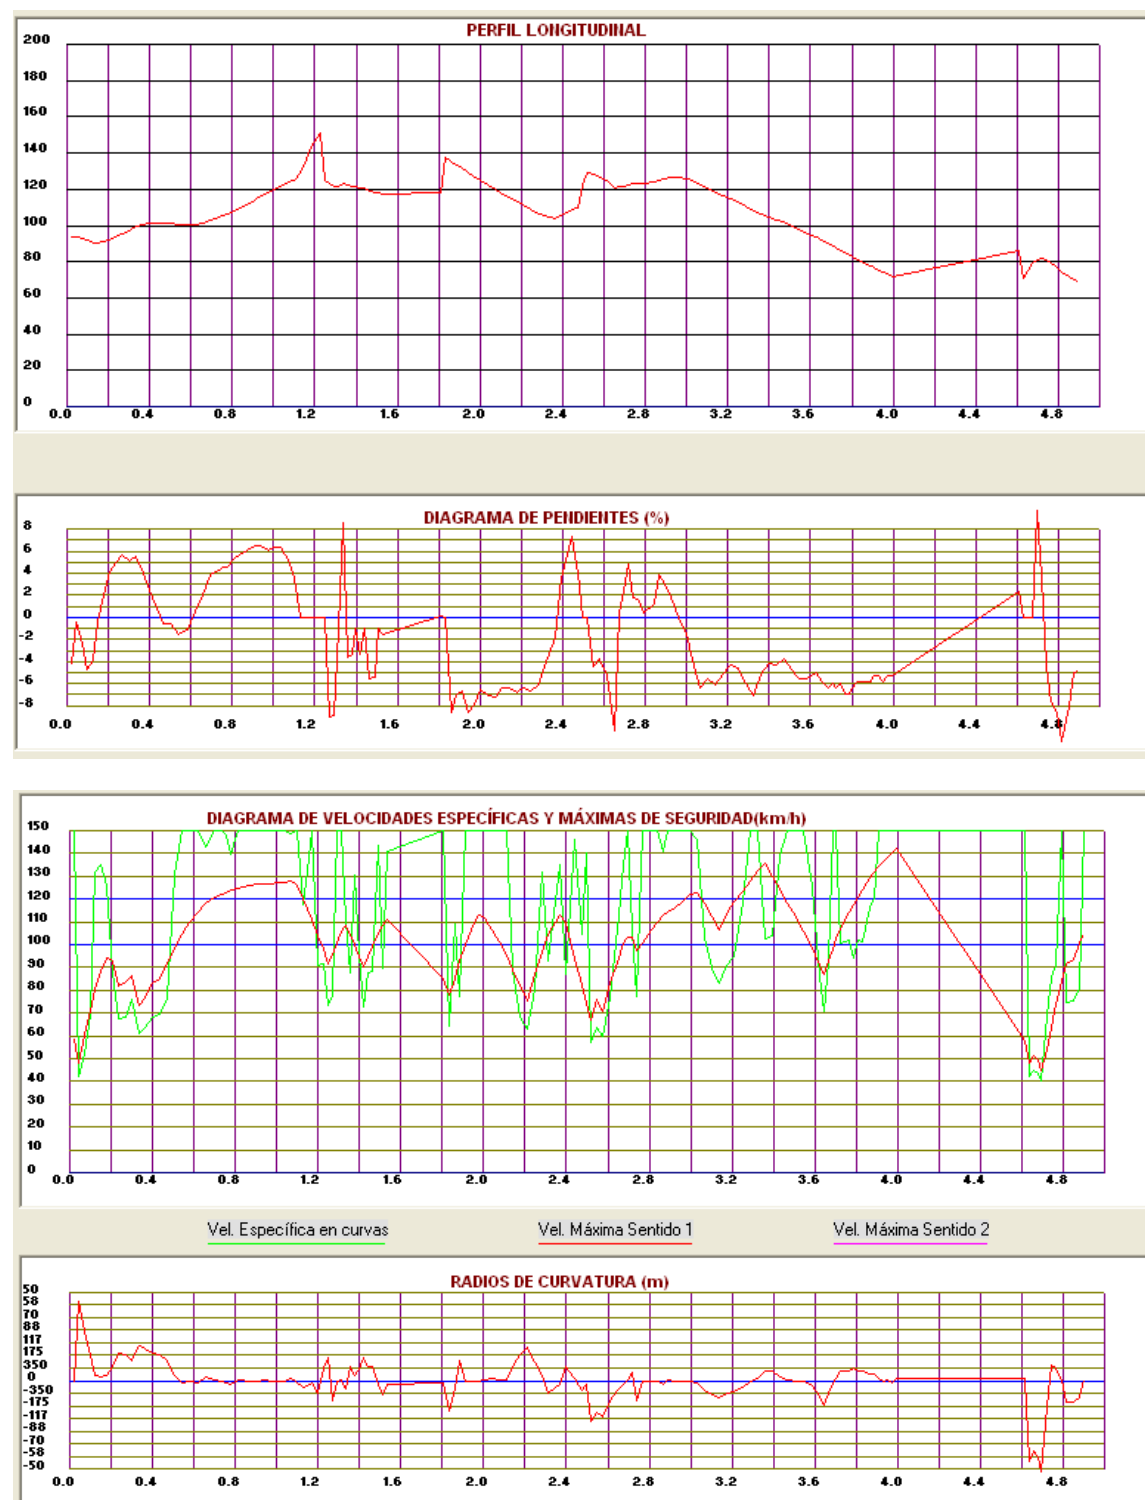

BI-625 errepidea: Areta – Bilbao

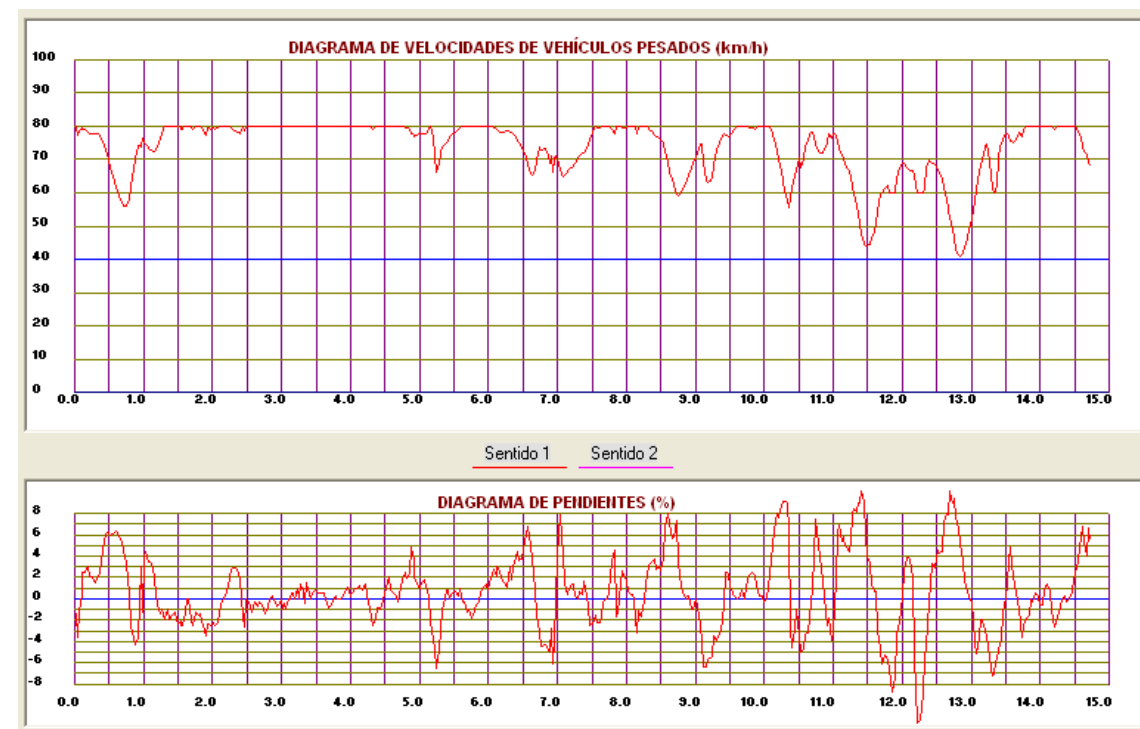

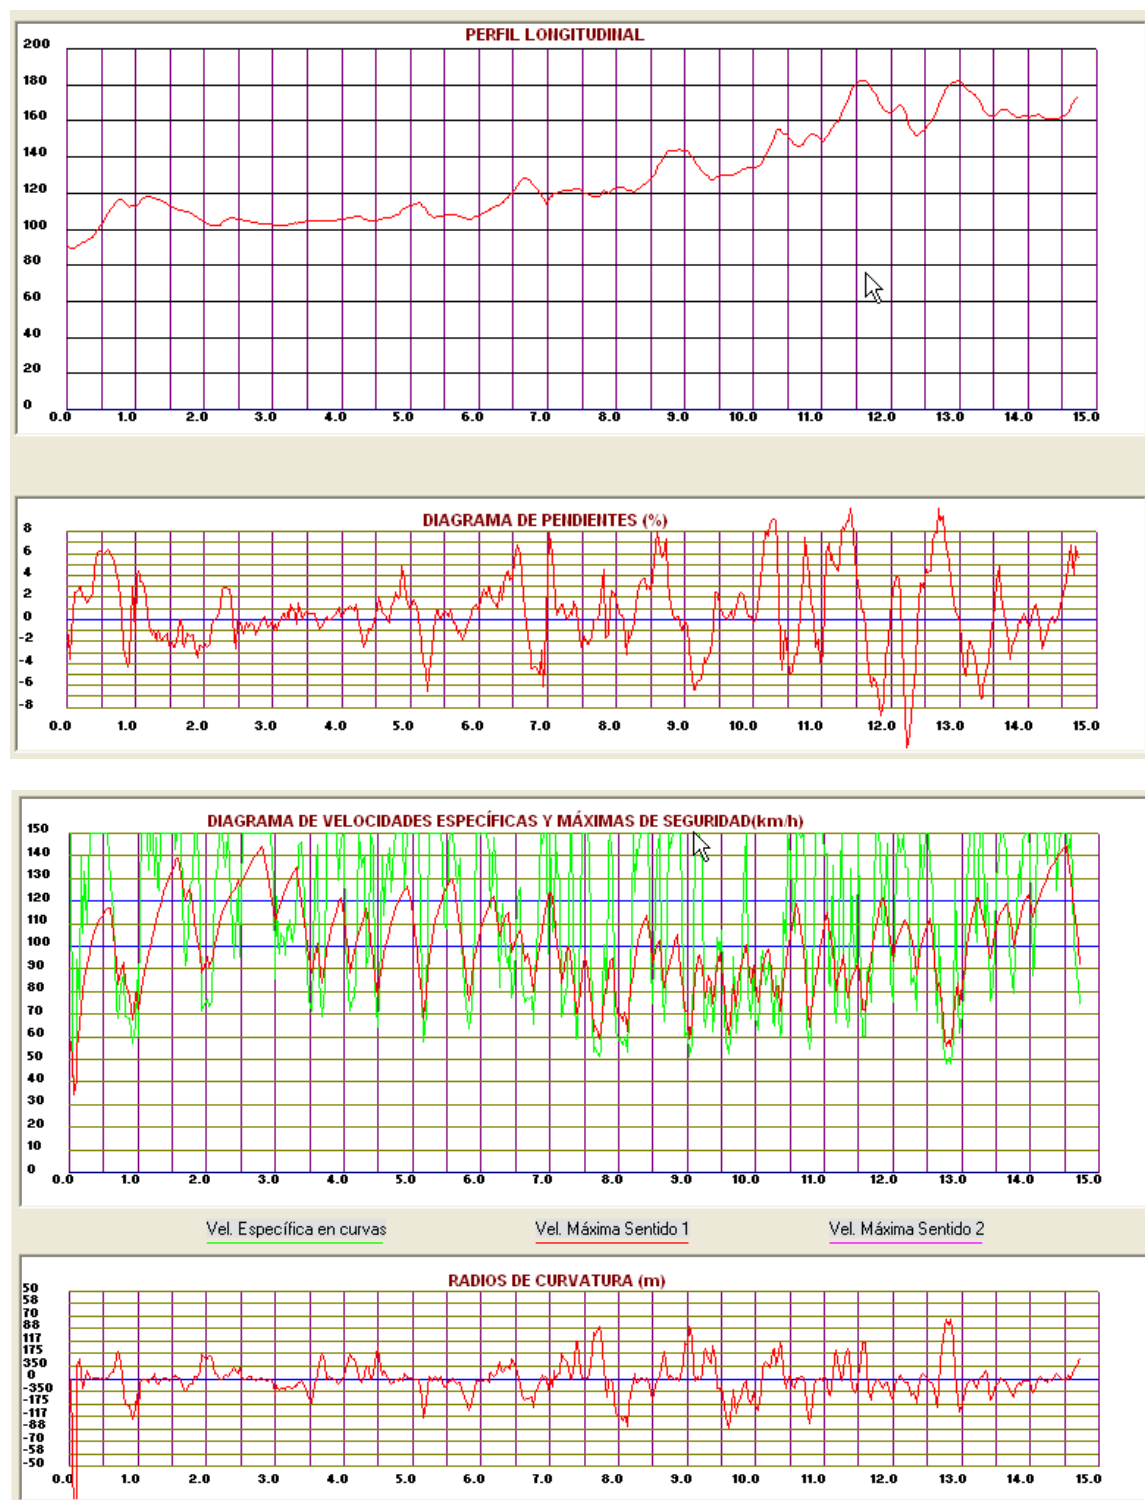

Jarraian datorren mapan ikus daitekeen bezala, BI-625 errepidea bi zatitan banatzen da. Mendebaldeko zatiak BI-604 errepidea eta N-634 errepidea lotzen ditu, eta ekialdekoa, berriz, N-634 errepidetik hegoalderantz abiatzen da (Arabako muga).

BI-625 errepidea: BI-604 eta N-634 errepideak lotzen ditu

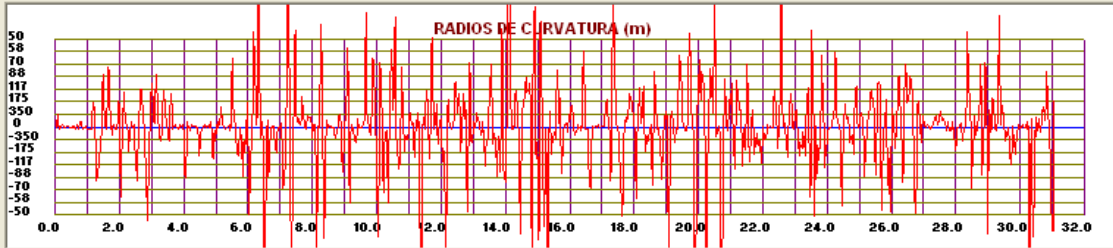

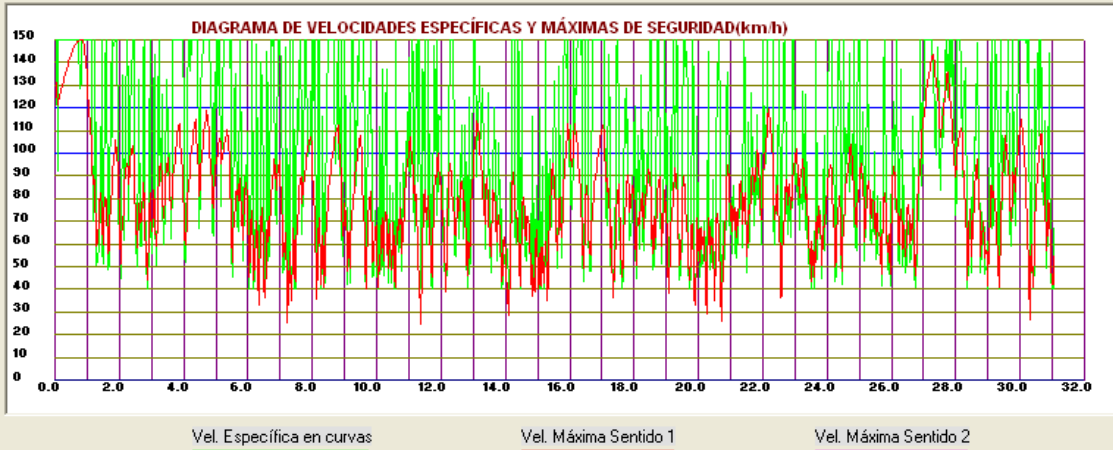

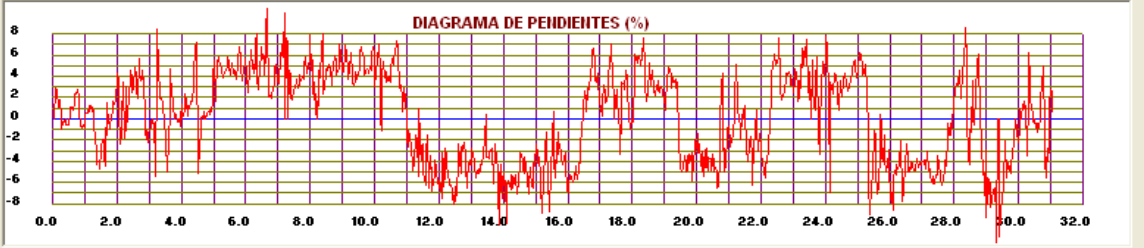

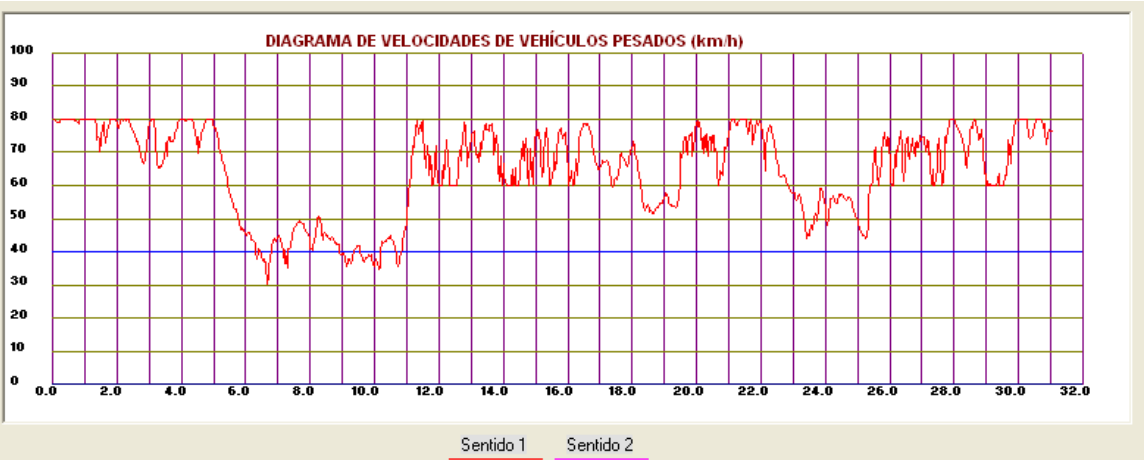

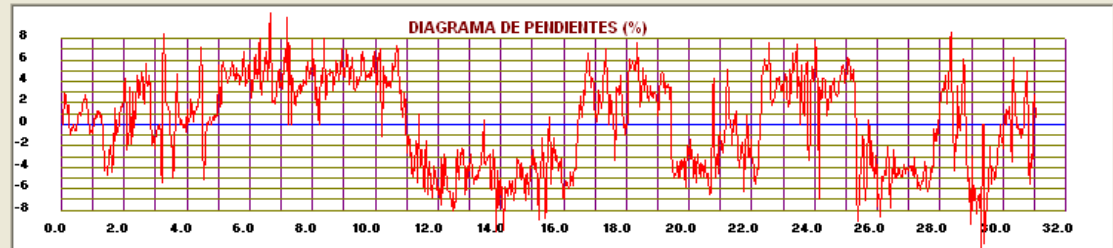

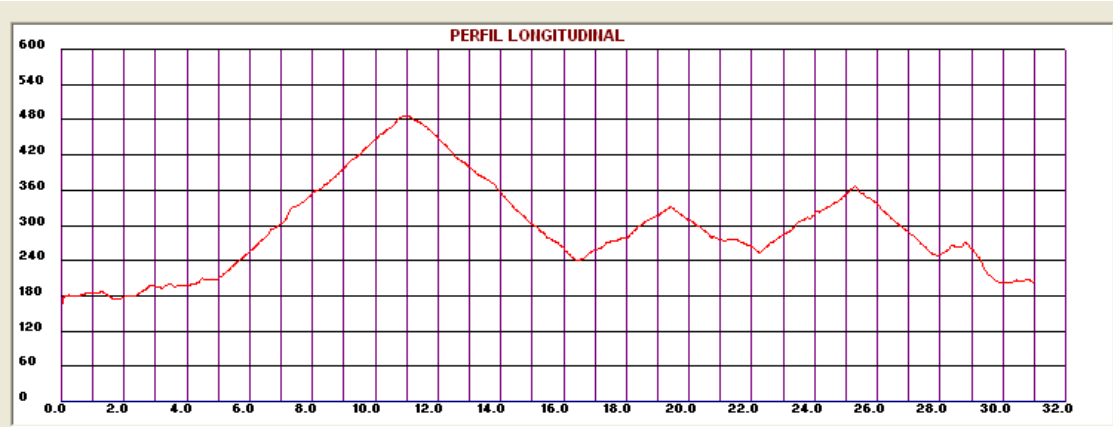

BI-625 errepidea: Arabako muga – N-634

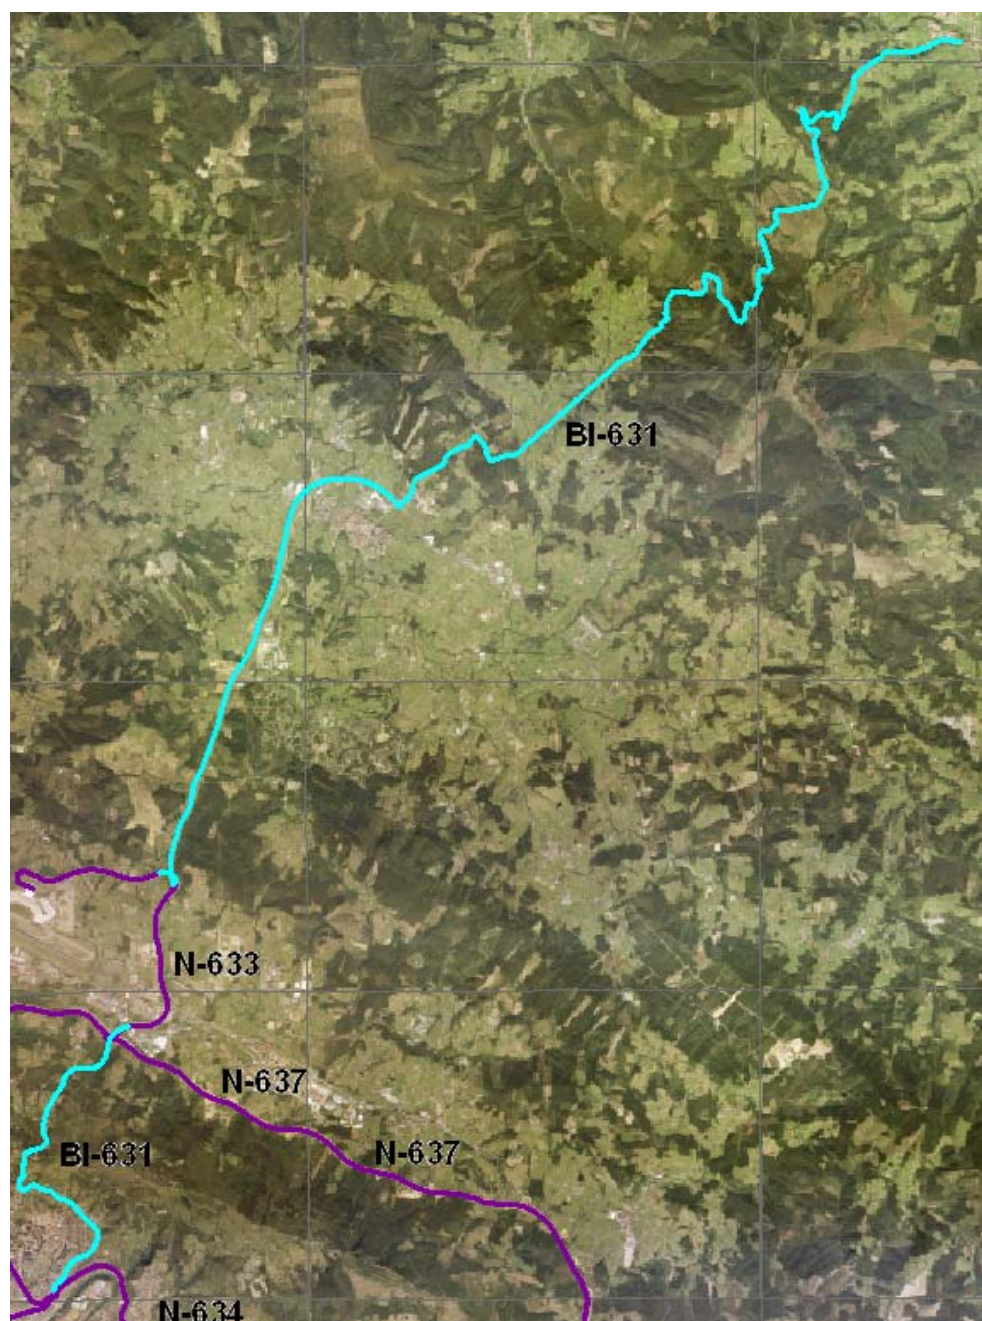

BI-630 errepidea: Balmaseda – Kantabriako muga

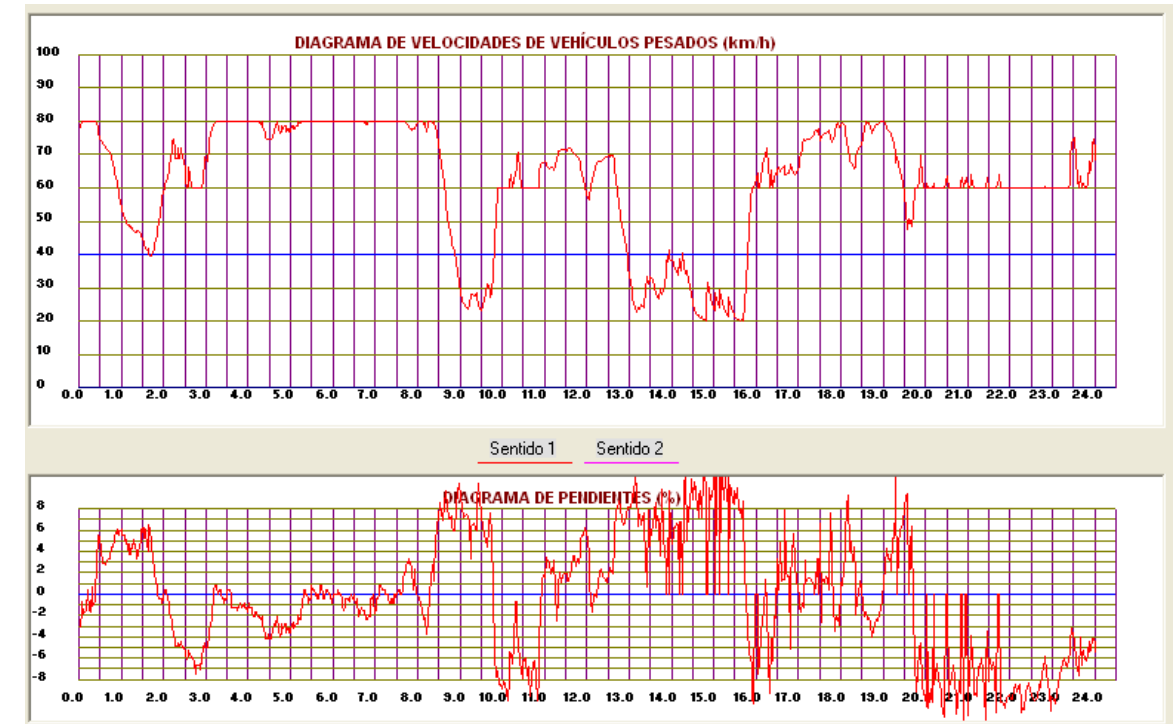

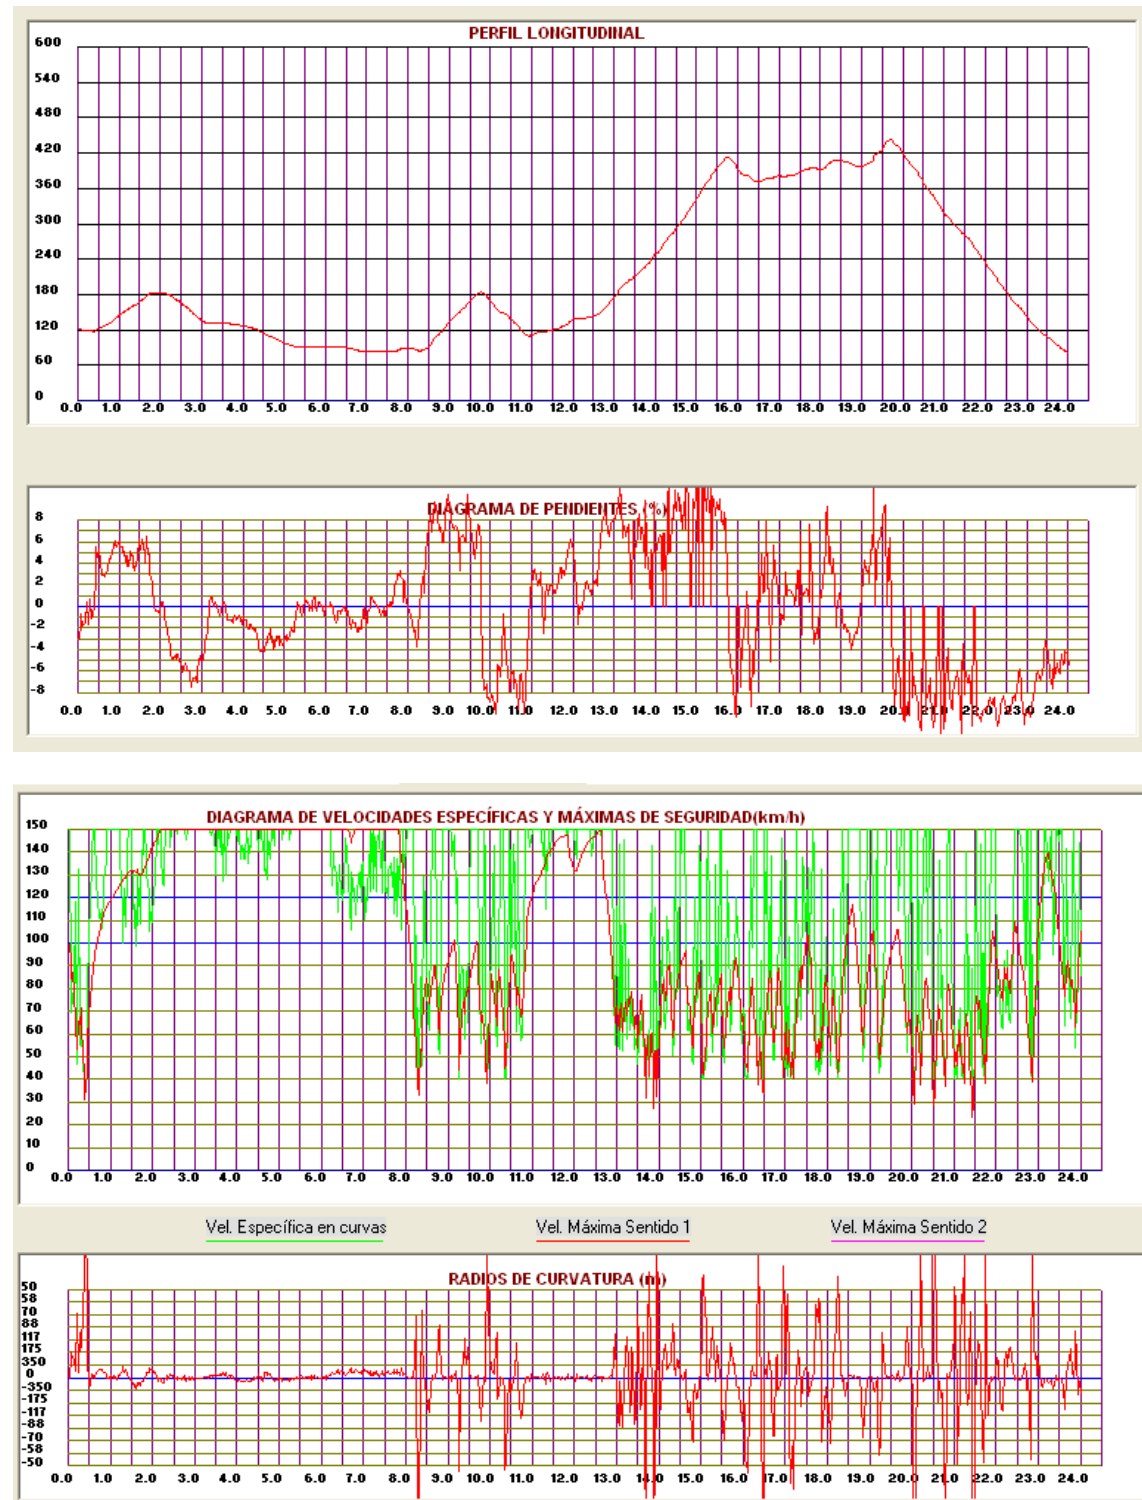

BI-631 errepidea: N-634 – Bermeo

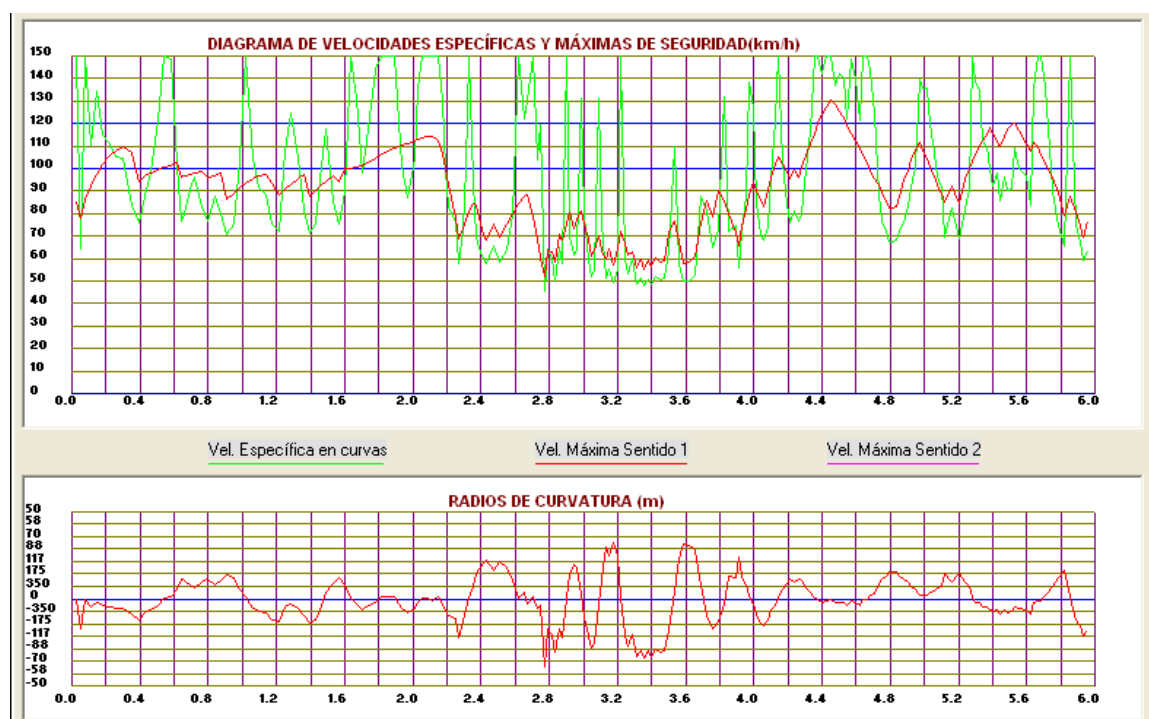

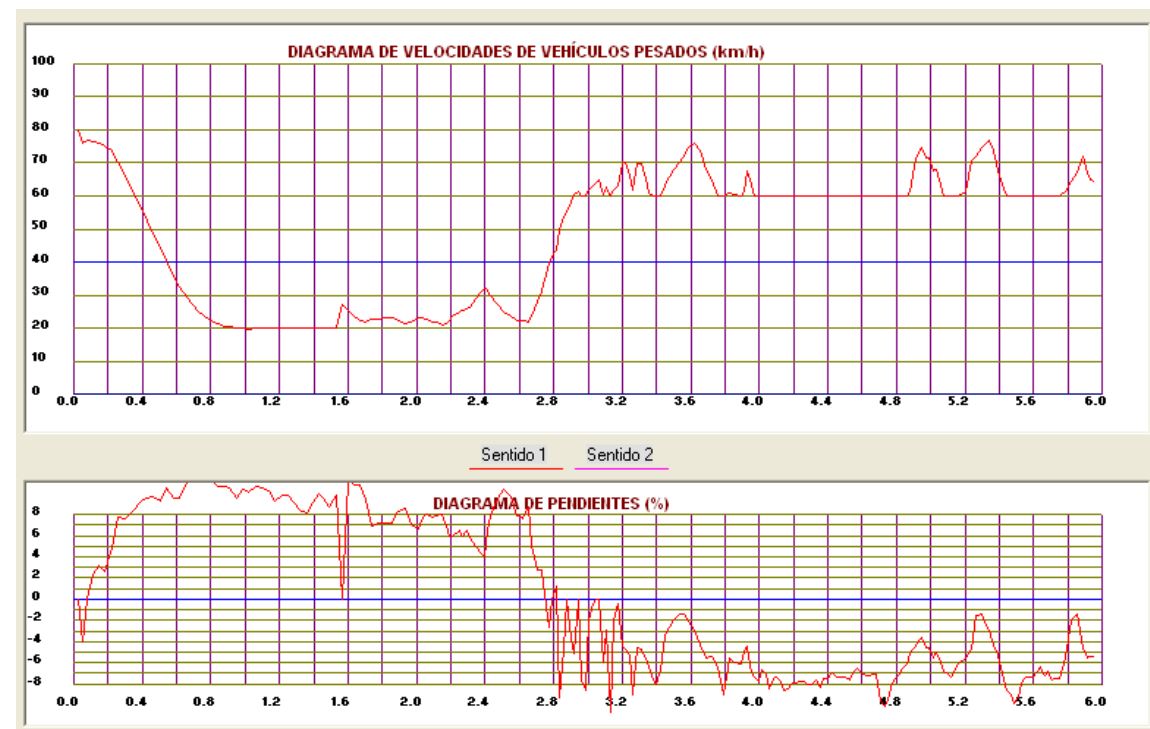

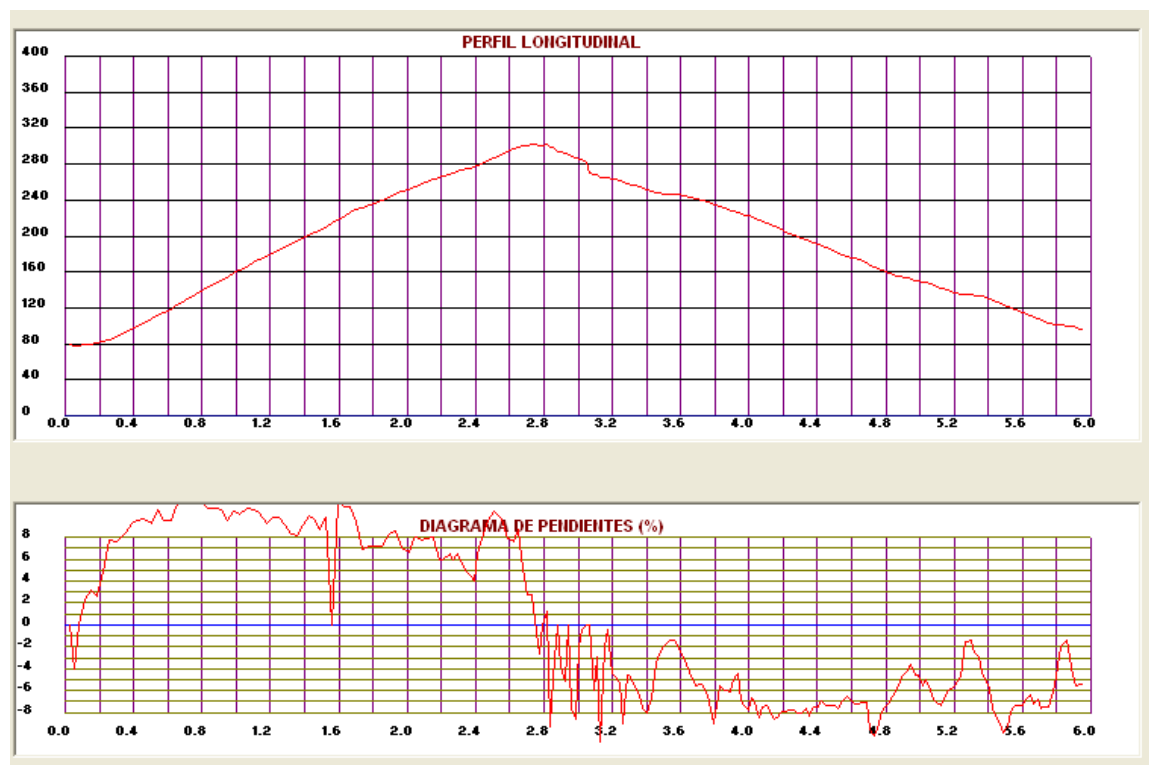

Jarraian datorren mapan ikus daitekeen bezala, BI-631 errepidea bi zatitan banatzen da. Lehenengo zatia Loiuko aireporturako (Bilbao) sarrera ematen duen errepidetik (N-633) iparralderantz (Bermeo) abiatzen da; eta bigarrenak, hegoalderago dagoenak, N-633 eta N-634 errepideak lotzen ditu.

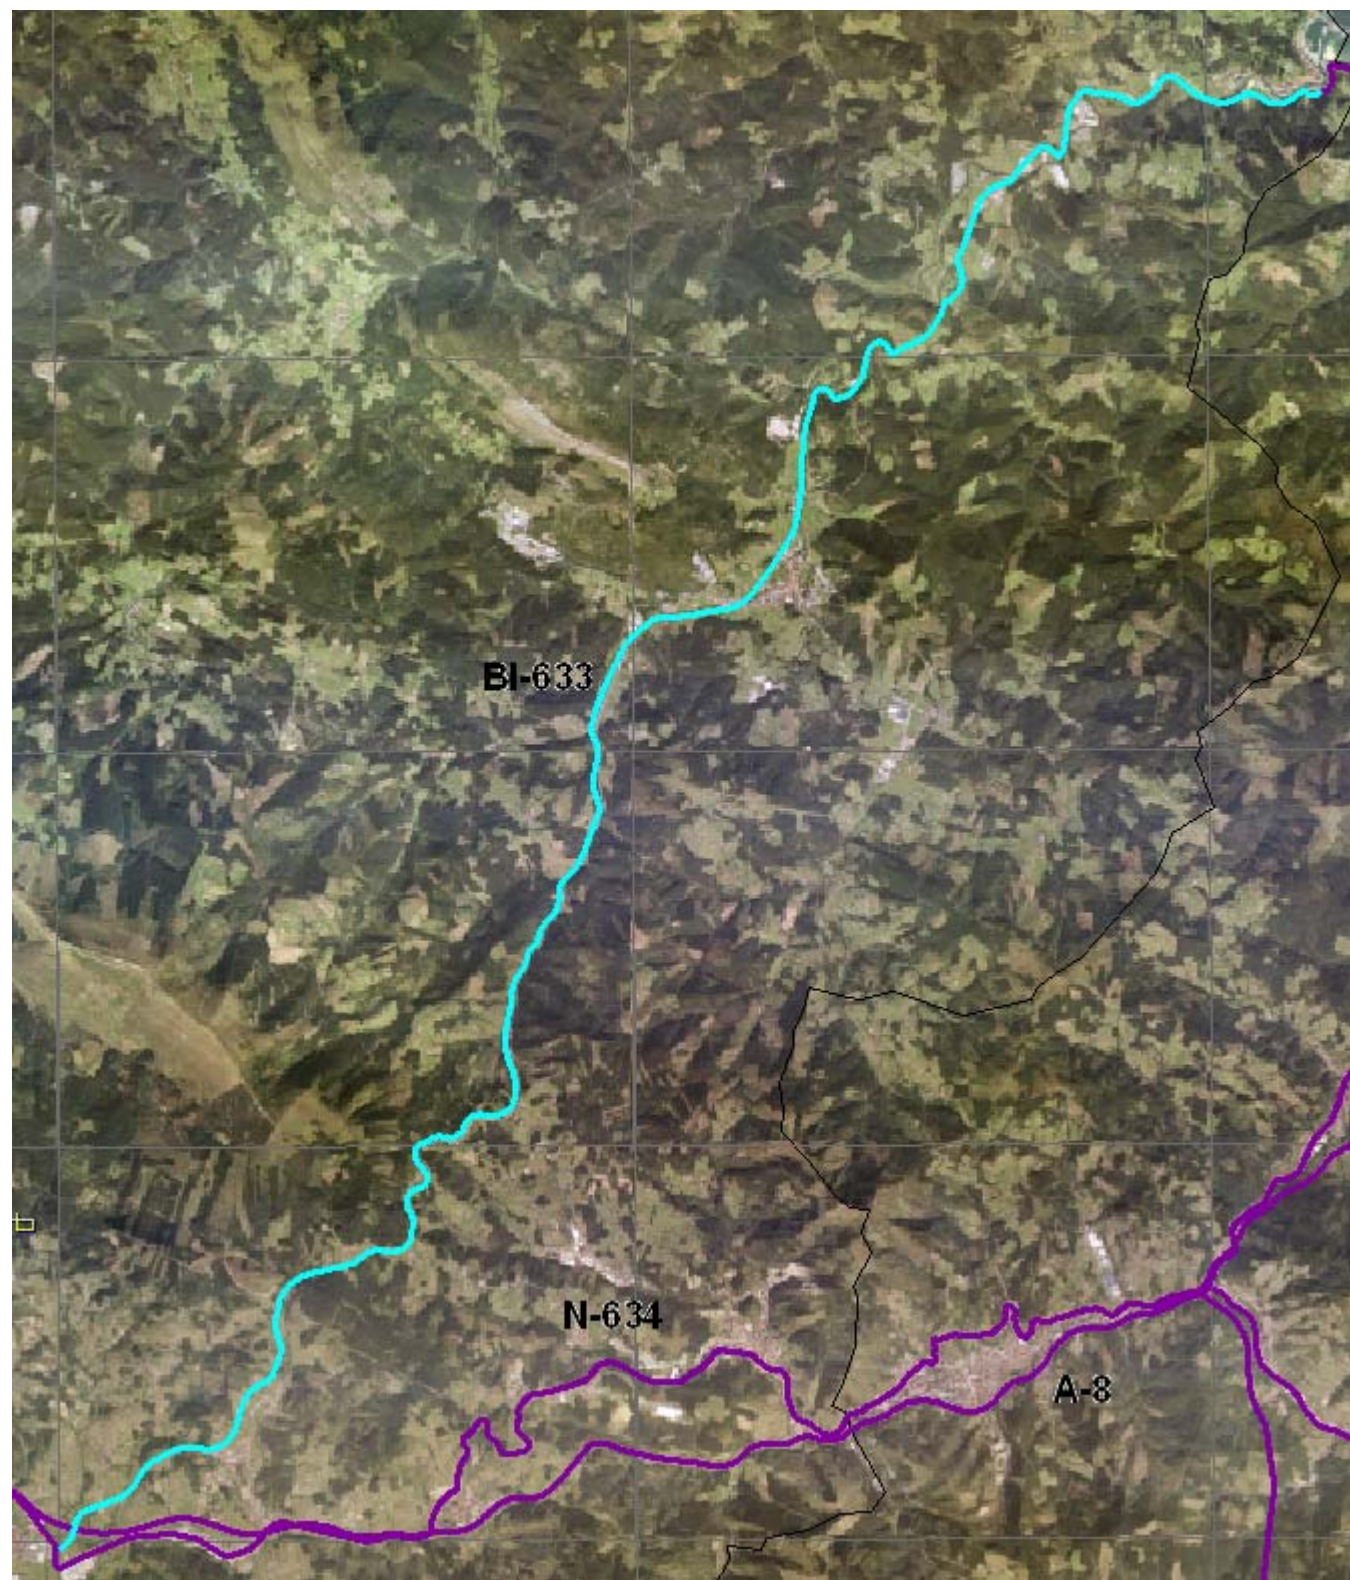

BI-631 errepidea: N-633 – Bermeo

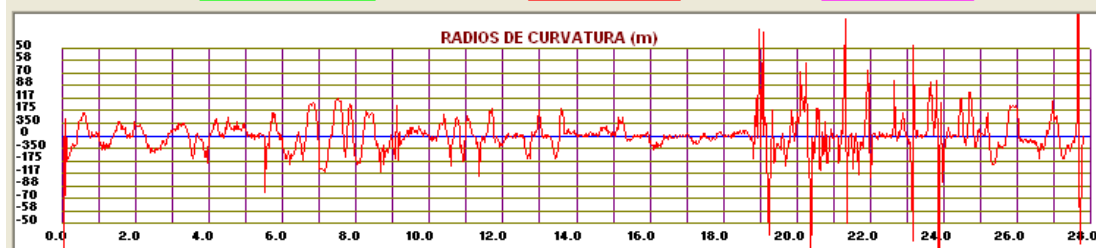

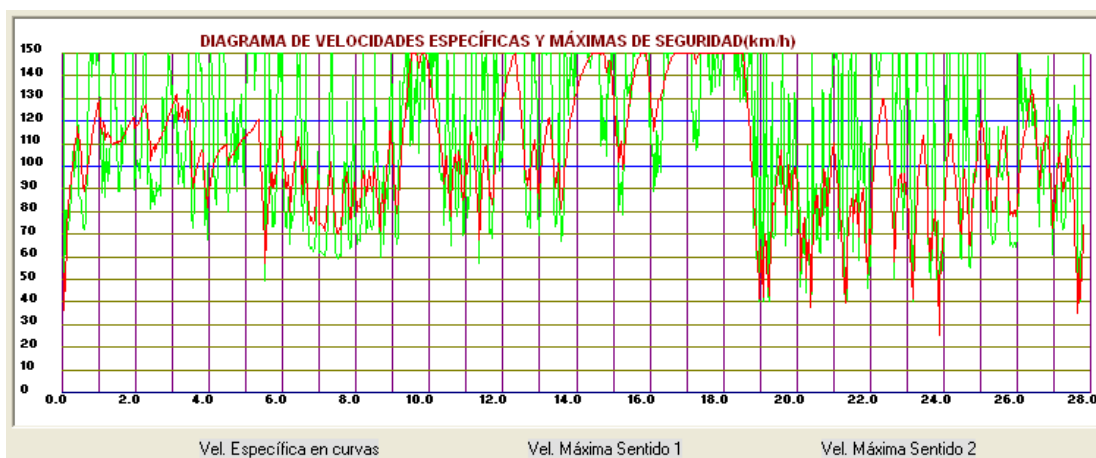

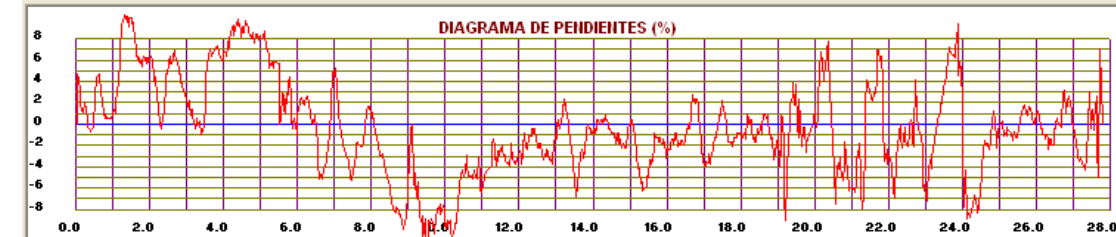

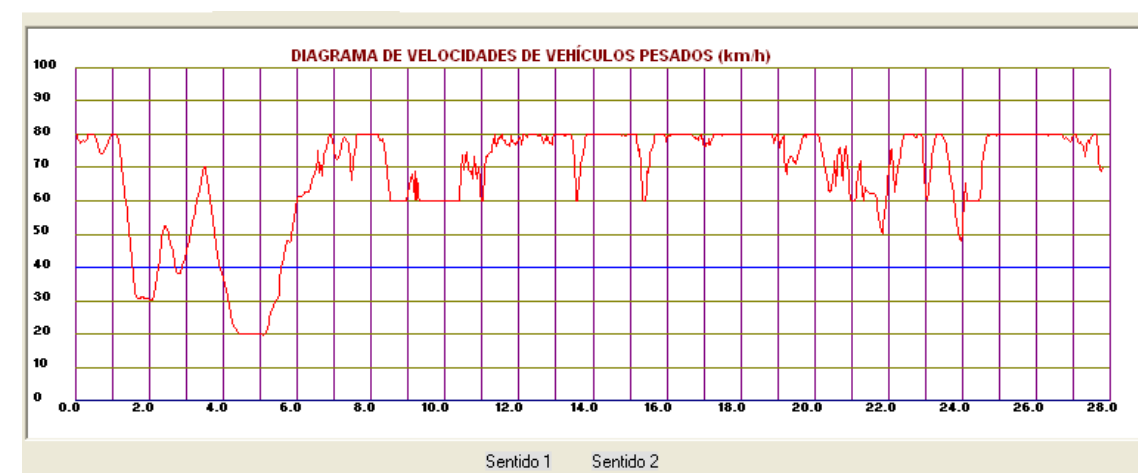

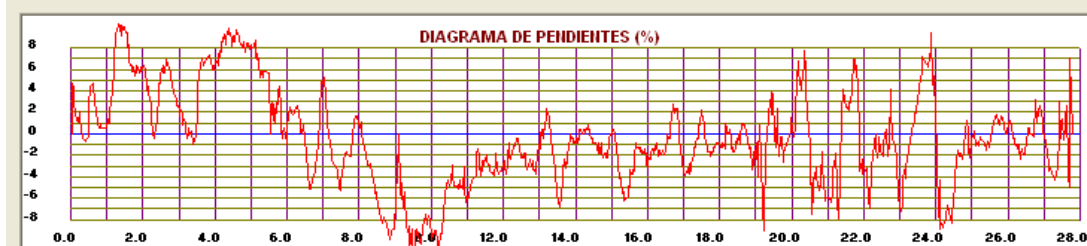

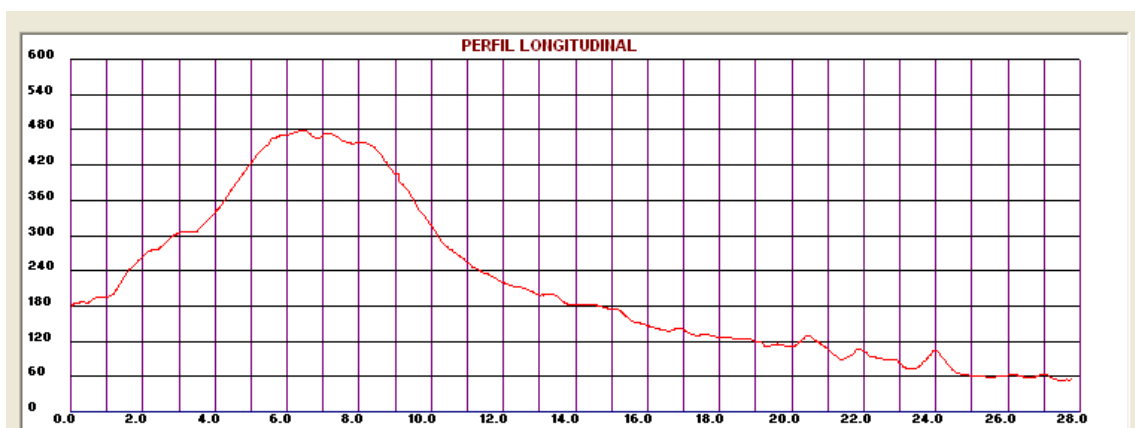

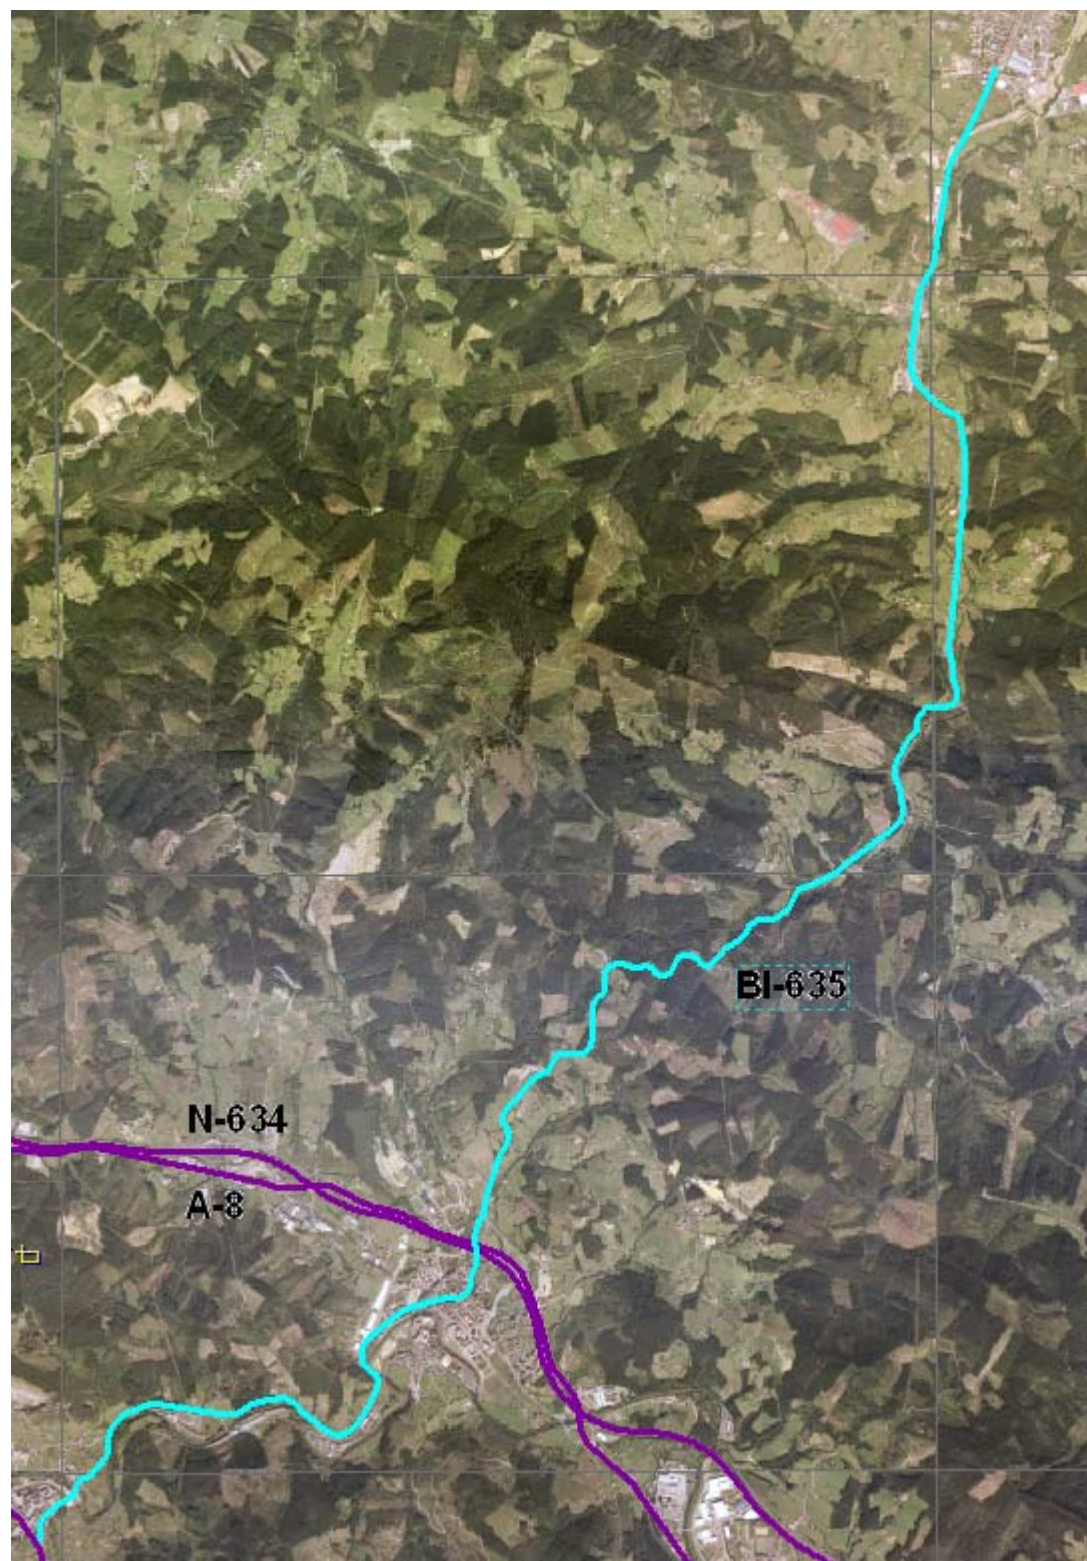

BI-631 errepidea: N-633 – N-634

BI-637 errepidea: Erandio - Berango (Uribe kosta)

BI-637 errepidearen geometria zehazkiago aztertu ahal izateko, bi zatitan banatu da errepidea. Lehenengo zatiak Berango udalerria Areetarekin lotzen du; eta bigarrenak, berriz, Areetara eta N-637 errepidea.

BI-637 errepidea: Berango – Areeta

BI-637 errepidea: Areeta – N-637
