

## *Development of vocational training policy*

- **Success at the Education Council of 28 May 2004:** important files concerning the implementation of the Copenhagen Declaration have been adopted. The Council reached a unanimous political agreement on the proposal for a decision on **Europass**, which will, by the way, also be integrated as a horizontal action into the new programme 2007-2013. The Council has also adopted the resolution **on the reinforcement of the systems in the area of lifelong vocational guidance** and the **conclusions on quality assurance in vocational training** as well as the **conclusion on common principles for the identification and the validation of non formal or informal competences**. Unanimous agreement was reached on the **modification to the Statutes of Cedefop**, necessary to take account of the enlargement.
- **In a first discussion on the Communication of the Commission on the new generation of education and**

**training programmes post 2006**, the Member States approved the idea of a new programme integrating education and training; they have also supported the orientations given in view of further simplification and decentralisation. A certain caution has been expressed concerning the budgetary objectives as the negotiations on the new financial perspectives are still ongoing.

- **Copenhagen coordination group meeting** on 3 June discussed the future of the Copenhagen process. The Maastricht Ministerial meeting on 14 December will adopt a political Communiqué which will set out new priorities and strategies for European cooperation in VET, placing the emphasis on implementation at national level of common European principles and reference developed through the Copenhagen process.
- **The post of Deputy Director of Cedefop** has been published; deadline for applications: 15 July 2004. Information: [http://www.cedefop.gr/ban\\_generic.asp](http://www.cedefop.gr/ban_generic.asp)

## *Implementation of the Leonardo da Vinci programme*

- **The new call for proposals 2005-2006, EAC/11/04**, covering the last phase of LdV II has been published (OJ C113 p.22 of 30 April 2004). The measures have been clearly set into the context of the Lisbon Objectives and the Copenhagen Declaration. The more systematic exploitation of training needs at sector level is one of the new strategic approaches. Specific **priorities for procedure B and C** projects: Promoting transparency of qualifications, Developing the Quality of VET systems and practices, Developing relevant and innovative e-learning content, Continuous training of teachers and trainers. A "**valorisation**" plan is now explicitly required with appropriate and adequate resources.

Priorities for the **Thematic Actions**: Credit Transfer in VET and Validation of non-formal and informal learning

- **Next Deadlines:**
  - 1 October 2004- pre-proposals procedure B & C
  - 11 February 2005 – full proposals procedure B & C
  - 11 February 2005 – mobility projects
- For details for submission and procedure please refer to the text of the call:
